

# All-Campus Relay Meet Becomes Donut Event

## Points Given For Winners In Big Event

Hayward Offers Prizes To Winning Teams in Four Races

Wagner Chairman of Meet; Lettermen Can't Run

Announcement was made yesterday afternoon that the annual all-campus relay track meet, held each year under the auspices and direction of Col. William Hayward, would be run this year as an event on the regular intramural program. Points will be given to houses entering winning teams, and will be counted in their total in the donut championship race. In addition, Hayward is offering a cup to the winning team in each of the four events.

Tentative plans have already been made by a committee of varsity track stars working with Hayward on the big event. Chairman of this group is Bob Wagner, captain of the 1935 Webfoot track team and star two-miler, who will be assisted by Carson Shoemaker, Arne Lindgren, and Bob Voegtly.

The meet will be run off on March 16, a little less than two months away. Four events will be held, including a 440 relay, a mile relay, a sprint medley—consisting of two legs of 110 yards, one leg of 220 yards, and one leg of 440 yards, and a distance medley, consisting of a 220, 440, 880, and mile. Entrants in the meet will be required to turn out three times a week beginning February 2, to ensure proper conditioning for the hard grind.

Freshman numeralmen will be allowed to participate in any two races other than the one in which they won their numerals. Varsity lettermen are barred from competition, while all others may enter any of the sprints or distance runs.

In the near future representatives from each living organization wishing to enter a team will be asked to meet with Col. Hayward in order that they may secure information on any points of the program that they do not fully understand.

### Honor Group

(Continued from Page One) Between the junior and senior years, the scholarships in their original form were granted by 10 or 12 firms in Portland, including advertising agencies, newspapers, department stores, and so on.

According to Thatcher these scholarship awards have been very helpful and effective in the past.

### Clabaugh Calls Junior Week-end Directorate

The first meeting of the junior week-end directorate has been called for 4:30 this afternoon at the Alpha Phi house. John Clabaugh, chairman for the weekend, urges all members to be present.

Plans for the annual weekend of festivities sponsored by the junior class each spring term are being launched early this year. Members of the directorate are James Blais, Bill Schloth, Cosgrove LaBarre, Adele Sheehy, Peggy Chessman, Ann-Reed Burns, Henriette Horak, Willie Jones, and Grant Eade.

### ESTEG URGES TOURNAMENT

A call for men to play on the intramural golf team was issued by the executive committee at a meeting yesterday. Virgil Esteb, president, stated that any member of the club or any independent man was eligible. The committee also discussed the club dance to be held Friday, January 25, and the intramural rating.

### PIGGER'S GUIDES GO FAST

Approximately 500 copies of the student directory, commonly known as the "piggers' guide," have been sold on the campus since they were placed on sale last fall. These books are priced at 15 cents and an ample supply is still on hand at the Co-op. They contain the names, majors, telephone numbers, addresses, and other material of every student and faculty member on the campus, and are published by the ASUO through the office of the graduate manager.

# Phi Deltas and Betas Meet Today At 4:00

Ned Simpson, Editor

UNIVERSITY OF OREGON, EUGENE, THURSDAY, JANUARY 24, 1935

## Washke Calls Meeting Of Frosh and Varsity Netmen This Evening

Aspirants to the tennis team will meet in the classroom of the men's gym Thursday at 4:30 p. m., according to an announcement by Paul Washke, tennis coach.

Coach Washke stressed the fact that the meeting was for both varsity and freshman netmen, and urged all prospective racquet wielders to turn out.

## Comish Classes Take Yearly Trip

Prof. N. H. Comish, of the business administration school, has scheduled his annual marketing trip to Portland, for his marketing classes on Friday and Saturday, February 1, 2, and on those days plans to take his students through manufacturing, wholesale, and retail firms including Swift and Co., Jantzen Knitting Mills, Hudson-Duncan Co., Lipman-Wolfe, and Olds-Wortman-King.

These trips are part of the year's work and give the students an opportunity to see actual manufacturing, wholesaling, and retailing of goods, and to make business contacts.

All students who are not taking marketing, but who want to make the trip should get in touch with Professor Comish not later than Monday, January 28.

The trip will be made by automobiles on Thursday evening or Friday morning, and will be completed by Saturday noon.

## Blood Pressure

(Continued from Page One) blood which can flow through them, causing high blood pressure. Dr. Ross also flouted the popular belief that high blood pressure is caused by diet or that a cure can be affected by dieting. The use of the diet, electricity and drugs has been to no avail. He explained the influence of heredity or passing on of high blood pressure as akin to the fact that it is a disease of Americans, in that the descendants may inherit or acquire the nervous disposition of the parent.

## Our Pals!!!

Left to right: Kahn, Neuberger, and Raymond "Back to Salem" Morse, who are once again going on a crusade to the state legislature, this time working for the repeal of the criminal syndicalism law. Morse was co-captain of last fall's grid team.

## TODAY'S INTRAMURAL SCHEDULE

- HANDBALL**  
4:00—Phi Delta Theta vs. Beta Theta Pi (championship).  
**"A" VOLLEYBALL**  
4:00—Alpha Tau Omega vs. Theta Chi.  
Sigma Phi Epsilon vs. Pi Kappa Alpha.  
4:40—Alpha hall vs. Phi Kappa Psi.  
Sigma Chi vs. La Casa Filipina.  
5:20—Yeomen vs. Delta Upsilon.  
Omega hall vs. Kappa Sigma.

## JOURNALISTS TURN GUIDES

At a meeting of Sigma Delta Chi, professional journalism fraternity, yesterday afternoon, it was decided that all members of the organization would act as guides for visitors to the press conference being held here today, tomorrow, and Saturday. It was also concluded that individual pictures of the members should be used in the Oregonian. Arrangements were made for a skit to be presented by the organization at the press banquet Saturday night.

## MORRIS GIVES ADDRESS

Dr. Victor P. Morris will deliver the mid-semester graduation address to the graduates of the January class of the Astoria high school on Friday evening, January 25. "Fitting Into a Changing World," will be the subject of his address.

## Simp's Glimps

By Ned Simpson

Whoa! Apologies are in order, and corrections must be made. First of all there is no basketball contest here with the Washington Huskies until next Monday night. It was erroneously reported in this column yesterday that they would tangle with Oregon here Friday and Saturday nights. Instead they are playing our neighbors in Corvallis. Secondly Bruce Hamby reports that he is not playing on the Oregon all-stars, barnstorming basketball team, but that if he is approached in the right manner he knows that he can help win a few games.

Elsewhere on this page is the announcement of an all campus track meet, sponsored by Bill Hayward, varsity track coach, and the intramural board. This relay carnival is designed to encourage men's living organizations to take a more lively interest in track. Arrangements are not yet completed whereby points will be awarded the winners for credit in the all-year intramural competition, but it was certain that such a plan would be arranged.

Speaking of intramural athletics, it gets us back to the old argument "Why not have prizes for each individual sport, such as swimming, "A" and "B" league basketball, handball, etc.?" At most other colleges this plan is in operation, and it gives the teams which don't win the grand prize something to show for their efforts other than in print.

Gene Shields' yearling team put on quite an exhibition against Salem high last night, when some of the taller frosh passed the casaba around over the heads of the smaller preppers. The frosh have a record-breaking team as far as length goes, with five men on the team reaching above six-feet-three.

The Portland all-stars, made up mostly of Cardinal pro football men, will begin practice for their game with the champion New York Giants next Tuesday. The game is to be played in Portland, and is sponsored by the Rose Festival group. "Mighty Mike" Mikulak, battering blocking back of the all-star bunch says that professional teams need less practice than college squads because they have all played so much football that the plays come much easier.

The basketball team journeyed to Spokane yesterday for their game with Gonzaga. It will probably be safe to predict victory—say by about six or eight points, but after the last four games with only one mark in the win column it isn't too safe to bet on anything. It'll be interesting to see whether our prediction will justify reviving little Krystal Bawl, or Ignesso Rong before future games. Just what is wrong with the team, as their present slump seems to indicate that something is wrong, is a hard thing to decide. From all appearances, however, it might be that there is a little internal dissension within the personnel of the squad—a thing that is always disastrous.

## Editor Errs by Saying Huskies Meet Ducks on Friday; They Play OSC

## Fiji and Phi Delt Teams Classy in Donut Basketball

Alpha Hall, ATO, Kappa Sig, Betas Victorious

Phi Delta Theta and Phi Gamma Delta, two of the donut organizations promising headaches for the title aspirants in "A" volleyball, ripped through their opponents, S.A.E. and Gamma hall, yesterday with the ultimate in ease.

Defending the court laurels they annexed one year ago, the Phi Deltas waxed the Sigma Alpha Epsilon sextet under the able direction of Stan Riordan, Craig Finley, and Vernon Sprague, 15-1, 15-1. Richard Proebstel applied grit to his S.A.E. performance, drubbing the white sphere better than any of his teammates.

The Fijis were manned by Bob Seufert, Tom Aughinbaugh, and Dutch Clark in steering past the Gamma halers in 15-2, 15-5 style. Ray "Tenor" Lopez, Mel Kennedy, and Les Lewis, the frosh grinder from New Jersey, spread over the hall's defensive court, but were unable to match the work of the fraternity men.

In the "B" division meles Alpha hall, A.T.O., Kappa Sig, and the Betas emerged on top with conquests over the Phi Sigs, the Abba Dabbas, Delta Upsilon, and Omega hall.

The surprise element was in Alpha hall's defeat of the Phi Sigs, previously undefeated aggregation, by a 15-4, 15-3 margin. Edmund Flick, Antone Yurri, and Avery Combs batted some nifty kills and shorts into the fraternity court that the losers and especially John Derbyshire couldn't defy.

A.T.O. and its freshman crew pushed the independent Abba Dabbas behind them with a 15-10, 15-7 attack under the guidance of Hans Karstens, Clyde Walker, and Rawhide Johnson. Earl Whetzel possessed the highest caliber in the Abba Dabba battalion.

To maintain their clean slate the Kappa Sigs handed the D.U.'s a 15-1, 15-7 shellacking, with Bob Thomas and Phil Johnson taking care of the job. Sherwood, Jerry Smith, and Bill Temple flew the colors for the vanquished.

Bobby Parke, varsity grid captain, put his football tactics to play in leading the Betas to a clean-cut win over the Omega halers, 15-6, 15-1. Reaching almost the acme in spiking, "Snokey" scored more than his share of shorts, slamming them down from all angles.

Earl Thomson, the crack rifle, and Frank Drew battled the Betas, but were lacking the finesse of the all-year champions.
