

WASHINGTON-Led by Carter Glass, senate appropriations com-mittee Democrats today agreed to remove sections of the \$4,880,000 work relief bill which would give President Roosevelt power never before possessed by a peace time executive.

Before any actual change in the bill takes place, however, the full committee must ratify it.

scheduled for elimination. If they go, out goes the power for the president to change emergency government agencies as he sees fit and to acquire real property by right of eminent domain.

#### State NRA Bill Passed

SALEM - Coupled with introduction of nearly 50 new bills today the Oregon legislature moved toward linking the state closer with the federal works administration the house of the state NRA code by defensive air alliances. and receipt of the 15-point program from Washington which was Reichsfueher - the most critical submitted by special message from test his spectacular foreign policies Governor Charles H. Martin.

messages, one to continue recon- them the United States. structions on world war veterans' state aid commission loans, and

irrigation and drainage projects.

Secretaries Differ

WASHINGTON - Differences between Secretaries Perkins and is attacked by another from the Morgenthau-which were carried to the White House in an attempt at a compromise-were disclosed today when the latter asked congress to make important changes in the administration's social security bill.

The amicable intra-cabinet debate revolved around one of the Hofmann Claims recommendations which Morgenthau made to the house ways and means committee without Miss Ferkins' endorsement-that upwards of 8,000,000 farmers, domestic servants and "casuals" or transients should be exempted from contributory old age pensions.
