Simp's Glimpse

Webfoot Hoopsters at Last Beat Beavers; U.O. Wins Swim Tilt

By Ned Simpson

Success at last! Sorry we have to use such a trite phrase to express the satisfaction felt on the victory of the Ducks over the Beavers last Saturday night, but it so perfectly fills the bill in this case that we feel its use was warranted just this once. No doubt everyone who witnessed the game was just a trifle glad that the redoubtable Mr. Hibbard didn't have another ten seconds to fly any more of his hoop-splitting shots. No doubt, too, everyone who was supporting the gallant Webfoot band felt a certain smug satisfaction that the gang finally got the breaks and capitalized them when they did get them. It was a fine finish for such a bad beginning!

The basketball game so completely filled the sport spotlight this past weekend—as far as this campus was concerned, anyway—that not many realized that the Oregon swimming team was completely dominating the 1934 Northwest championship Washington Husky squad to the tune of a 51 to 32 beating that same evening. Here are a few interesting sidelights on the meet as told by Mike Hoyman, coach of the Webfoot team.

"The outstanding feature of the whole meet, to my mind, was the diving exhibition put on by our lad, Bob Chilton. It was his first varsity meet, but his poise and coolness together with the almost flawless execution of high point dives gave him a total of 141. Twenty-eight points for first place in that event. He took the crowd by storm—even the Washington swimmers applauded when he did his stuff.

"The second feature of the meet that was of great interest (and pleasure to me personally) was the fact that four sophomores—Chilton, Hoffman, Scroggins, and Chuck Reed—accounted for more than half of Oregon's points all by themselves. In their first varsity meet these boys collected 26 points. Chuck Reed beat Stice, Northwest collegiate champ, in the 200-yard breaststroke, winning in the last lap with a terrific sprint.

"High point man for the Oregon team was iron-man Jim Reed, who collected 10 points. He walked away from all competitors in the 150-yard backstroke, took second in the 100-yard freestyle, and swam one leg of the medley relay. High point man for the meet was Jack Medica, Washington's world record breaker, who took three firsts—in the 100, the 220, and the 440. These were the only firsts that the Huskies could find, too."

Coach Hoyman forgot to mention that the Huskies were previously undefeated this season in four meets. Two weeks ago they subdued the Washington State team by a 47 to 36 score, and were hailed as the cream of the northern division.

Duck Mermen Drown Husky In 51-32 Win

Webfoot Sophomores Collect 26 Points For Team

Jim Reed Garner's Scoring Honors With 10

SEATTLE, March 2.—(Special)—Jack Medica, University of Washington swimming ace and holder of numerous national and world records, took three first places today, but his efforts were not enough to give his mates a victory over the University of Oregon swimming team. The visitors won, 51 to 32.

Both relay events, the 300-yard medley relay and the 400-yard event, went to the Webfoot to give them the winning edge. Oregon men also took first in all the other races.

The loss was Washington's first of the season, after four previous victories, including one over Washington State last week, 46 to 37.

The summary:

400-yard relay—Won by Oregon. Time, 3:59.9.

200-yard breaststroke—First, C. Reed, Oregon; second, Stice, U. of W.; third, Kirby, Oregon. Time 2:44.8.

150-yard backstroke—First, J. Reed, Oregon; second, Dickson, U. of W.; third, Gibson, Oregon. Time, 1:49.7.

50-yard free style—First, Hugg, Oregon; second, Hoffman, Oregon; third, Mason, U. of W. Time, 1:26.3.

440-yard free style—First, Medica, U. of W.; second, Scroggins, Oregon; third, Angell, Oregon. Time, 5:47.2.

100-yard free style—First, Medica, U. of W.; second, Reed, Oregon; third, Hugg, Oregon. Time, :57.9.

Diving—First, Chilton, Oregon; second, Marshall, U. of W.; third, McClure, U. of W.

220-yard free style—First, Medica, U. of W.; second, Hoffman, Oregon; third, Scroggins, Oregon. Time, 2:13.2.

300-yard medley relay—Won by Oregon. Time, 3:22.

American audience for the first, and one fervently trusts, the last time, the writer wishes to inform the public that no creature bearing that appellation ever performed the deeds ascribed to him by Mr. Simpson. Charlie Mahan may have existed, but no Charlie Mahan ever did yeoman service for the Crimson. True, a certain Charles E. Brickley of New York, and the federal penitentiary at Atlanta, may have projected himself into football history by his droppicking prowess, and his five goals from the field against Yale, and an Eddie Mahan gained a reputation as the most elusive broken field runner in a decade, but "Charlie Mahan" has been singularly neglected. In summary, one must condemn your commentator for his lapses, must order him to perfect himself, to peruse the Spalding guides with diligence, to note Krout's history of American athletics in the Pageant of America series, to analyze Slosson's comments in the last volume of the American Life series, to acquaint himself with Magoun's articles on sports in the American Historical Review, to read and become familiar with the styles of Kieran, the Fraynes, Daley, Parker, Gallico, Hughes, and that most erudite of all sports commentators the beloved George Trevor of the New York Evening Sun.

They Turned the Trick Saturday

These high-jumping hoopers helped the Webfoet down the Beavers Saturday. They are, left to right: Sam Liebowitz, Arnold Faust, Mel Kennedy, and Glen Sanford.

Gearhart Winner in Handball Final

Bill Gearhart swatted to a victory over Hugh McCredie Friday for the University championship in handball singles.

Gearhart walked off with the first fray, but had the tables turned upon him in the second game. Again in fine form he ambled off with the third tilt and the all-campus title.

Both figured prominently in the all-campus doubles, an Mac helped the Betas annex the intramural white box honors.

The event ended the all-campus competition for the winter term.

Amos Burg

(Continued from Page One)

white man has trod, in his 25 foot boat, traveling down the corridors of time, to a world perhaps 20,000 years removed from this one.

On his trip to the bottom of the world Mr. Burg was commissioned by the National Geographic magazine, one of the world's leading pictorial periodicals. He has written several articles for this magazine.

Speaker Tours East

Oregon's explorer has made several lecture tours of the East and will give another one in Washington, D. C., and other eastern cities on this trip. Mr. Burg will give the same lecture at the Colonial he is planning to present on his eastern tour.

A modern sea rover of viking breed, Mr. Burg has traveled the great waterways of the United States in a canoe, been around the world more than a half dozen times. He has sailed the seven seas and visited the inland waterways of many foreign lands.

Pilots Own Canoe

While canoeing down the Mississippi Mr. Burg had many varied and interesting experiences. He at one time was employed as cub pilot on the largest river boat on the Mississippi. This position was the same one Mark Twain held at one time in his life.

Mr. Burg was enrolled at the University of Oregon during 1926-27-28 and majored in journalism. Leaving school in 1928 he headed northward to Alaska and the arctic circle. Since he was 14 years of age he has wandered over the face of the earth gaining recognition for

Intramural Managers Will See Dicky Bird Wednesday at 4 p.m.

Sports managers who handed the destinies of the different organizations in the intramural race thus far this school year will have their photos taken at 4 o'clock Wednesday afternoon at the 13th street entrance to the men's gym. The results will appear in the Oregonian and possibly in the donut handbook.

Earl E. Boushey has requested that all be there on time.

Guttero Tops Coast Scorers With 186

STANFORD UNIVERSITY, Calif., Mar. 4.—(AP)—University of Southern California, basketball champion of the Southern division of the Pacific Coast conference, also produced the individual "champion" in Lee Guttero.

The Trojan center finished up the division schedule as the leading scorer and his total of 186 points put him in a class by himself. Trailing Guttero by more than fifty points was his teammate, Jack Hupp.

his discoveries and his writings. He has made friends with many people in many strange and distant places. Mr. Burg will speak at the Rotary club this noon and will be guest of honor of the Condon club this evening at a dinner on the campus.

'ALUMS' PASS EXAMS

George Wardner, jr., '29, and David L. Foulkes, '29, were among the four successful candidates who passed a four-day written examination held in Portland by the state board of architect examiners. They are now registered by the state.

Send the Emerald to your friends.

SONS Take Rest Before Practicing For National Meet

ASHLAND, Feb. 28.—(AP)—Coach Howard Hobson today prescribed a rest for his Southern Oregon Normal school basketball team which has been under a continuous mental strain in carving out one of the finest records ever made by an Oregon collegiate basketball team.

After a week's rest the squad will return to practice and Coach Hobson will finish selection of his squad of nine to enter the national A. A. U. tournament in Denver, beginning March 18.

Wayne Scott, a freshman from Silverton, cinched a place on the squad with his stellar play in the closing minutes of the second Monmouth Normal-SONS game here Tuesday night.

Six others sure to go are Patterson, McLain, Howell, Courtney, Jockisch and Braddock. The other two places will be filled from Jewell, Pettyjohn, Eagle and Walton, all freshmen.

Again I See

(Continued from Page Two)
tion, ten minutes of the eleventh hour.

Then, one day,—it was gone! Only the beard remain, to which I was attached, and those boards I steadfastly refuse to have removed.

P. S. And now comes L. H. Johnson, comptroller Emeritus, who, casually, dissipates my elegy with the declaration that the clock upon which I have bestowed my emotion was not the original at all. Mehercle (shucks), it was a miserable substitute all the while that followed me from building to building. And now I must write another chapter in recantation.

Next in the series—GRAND-FATHER'S CLOCK CARRIES ON.

Boushey Releases Figures on Year's Donut Athletics

More Men Active This Year Than Last

Statistics given yesterday by Earl E. Boushey, supervisor of donut affairs, indicated that the 1934-35 all-year race was already leading the 1933-34 scramble in individual participation after only two terms of play.

During the fall and winter terms 772 different men had taken part in the intramural competition, whereas only 749 were listed at the end of three terms last year.

204 Added in Winter

From October to December 568 men entered the different events—swimming, water polo, cross-country, "A" and "B" basketball—and from January to March 495 students represented fraternities, dormitories, and independent organizations in handball, "A" and "B" volleyball, and wrestling. Of the winter group 204 entered play for the first time.

The hope of Dean John F. Board of the school of physical education is reaching its justification, because the figures given above show that 53 per cent of the total number of men students are competing.

Purpose Achieved

The donut handbook states the purpose of intramural sports as "an opportunity for every man to engage in some form of sports."

According to Boushey, a higher activity enrollment than registered in either fall or winter terms is expected this spring.

Many Musicals

(Continued from Page Two)
musical short, running along with it, was the trashiest stuff we have had to sit through since the pioneer days of the talkies... we wonder how much longer producers will continue to pour such rot down our throats under the guise of entertainment...

BANDS—Due to the marked success of Ina Ray Hutton and her all-girl outfit, the Melodears, another novelty band is being organized, consisting of both girl and boy musicians, and will have two personality leaders, a boy and a girl... Entitled "Keep the Rhythm Going," the entire act will be staged in tempo including announcements and speciality numbers... Phil Spitalny has also formed a 32-piece all girl orchestra, now broadcasting weekly over the CBS.

Spitalny, who was the first to use women vocalists with his own band eight years ago, selected the girls in this band from over 1000 auditionists, rehearsed them for many months and then put them on at the Capital Theatre in N. Y. where they made a resounding hit right off the bat...

Not So Fast

Above is Sir Malcolm Campbell, English racing driver and holder of the world's automobile speed record of 272 miles per hour, who failed Saturday in his attempt to break the 300 m. p. h. mark in a trial at Daytona Beach, Florida.

New Records Made by Duck Shooting Stars

Thomson and Perkins Hank Up New Team Marks

Squad Also Sets New High Total Team Score

Two more rifle records fell by the wayside as the University rifle team finished its regular schedule last week by setting a new high team mark of 3,776 points, 39 points higher than the old mark set earlier this year.

The other record fell when Earl Thomson, for four year a mainstay of the team, and Norris Perkins, a junior rounding out his first year on the team, turned in scores of 385 to shatter the former Oregon mark of 384 hung up last year by H. D. Nealy.

This week the two five man teams which Sergeant Harvey Blythe has decided to enter in the Hearst Trophy meet, national five man team championship, will fire scores on Tuesday and Thursday. Results have not yet been received from the Ninth Corps Area shoot in which Blythe submitted the local scores. In the even of Oregon's
