

Simp's Glimpse

Parke-Emmett Derby; Hayward's Carnival; Oregon Ball College
By Ned Simpson

The race of the century! The greatest attraction of all time! Glamour! Suspense! Excitement! When? Where? Oh yes—it's the coming Emmett - Parke Derby scheduled sometime within the next month, on Hayward field, over a tough course of 220 yards. The two principals are undergoing strenuous training—in fact, it is authoritatively reported that Jimmy (Ten Commander) Emmett ran twenty yards in one stretch yesterday afternoon — from the Sigma Nu house to the Oregon! Parke has been out limbering up the old javelin arm, and at the same time has gotten in good enough shape to run in the all-campus relays today. Heavy money is on the blonde spear tosser, but Emmett may fool the railbirds by taking a little extra workout on his bass viol. Anyway, he's the dark horse of the contest! ...

This afternoon's all-campus relay meet, run off under the direction of Colonel Bill himself, will see a couple of good contests. One of these, the sprint medley, has five teams entered in it and the competition for the nice silver trophy will be strong. From the looks of the pre-meet dope the SAE outfit, composed of Ken Miller, Bob Voegtly, Gib Schultz, and Reg Brady, should walk off with the plated ware. Brady and Miller are both sprinters of the first water, while Voegtly has been known to generate quite a bit of steam himself. Schultz will probably handle one of the longer legs of the contest.

No doubt the fans—and there was a good representation there, too—who saw Oregon win from the University of Portland 5 to 0 yesterday afternoon were somewhat mystified by the conduct of the gentlemen with the painters' lids in the special reserved section. To those who were not here two years ago let it be known that these selfsame gents were members of the Oregon Baseball College—an organization whose constitution tells us that it was organized to promote interest and stimulate noise at baseball games. The quaint initiation ceremonies—painful to say the least—are to keep the members of the club on their toes. Pledges—usually first year lettermen—are required to know the count on the batter, what inning it is, and what is the score. The penalty—well, you may have been there and saw the awful leather descend. Boy, what a swell smack it does make!

Governor Martin Asks Resignation

Mrs. Cornelia Marvin Pierce, member of the state board of higher education, who has been asked to resign by Governor Martin has until May 1 to do so. Mrs. Pierce who is at present in Washington, D. C., has indicated that she does not intend to resign. If she does not change her mind by May 1 Governor Martin will take the first steps toward her removal, it was reported. The governor will charge that Mrs. Pierce has not attended board meetings regularly, the records showing that she had attended few of the board's sessions since Walter Pierce was elected congressman from the second district and she became his secretary.

Webfoot Baseballers Score 5-0 Triumph Over Portland

Ducks Win Game From U. of Portland

McFadden Pitches Three-Hit Ball; Andy Hurney Gets Homer, Double; McCall Bats 1.000

Perfect weather for "America's national pastime" greeted the Oregon baseball players yesterday afternoon for their first clash on the new diamond, "Stoddard's Flats," south of McArthur court, and the Duck ball-tossers celebrated the occasion by conquering the University of Portland nine 5 to 0 in a well-played contest marked by outstanding early season form.

Don McFadden's fine hurling combined with the heavy bat work of Andy Hurney, right-fielder, and Harry McCall, first baseman, were chiefly responsible for the Webfoot win in the first of the two-game series. McFadden tossed three-hit ball at the Pilots, struck out 11 men, and allowed only one man to go beyond second base. The Duck mound ace limited Linfield to a trio of bingles last Saturday in the Lemon-Green's 3-1 victory over the Wildcats.

Hurney and McCall formed a batting brigade that was responsible for half of the Oregon hits and all the runs. Hurney connected for a home run and a double, which he converted into a four-bagger when Angus, Pilot left-fielder, let the ball roll through his legs. Andy's first circuit smash came in the sixth inning with the bases empty. His second, a clean one, was crashed out in the eighth round while Gordon and Lewis were occupying two of the bases.

San Mateo First Match on Frosh Netters' Schedule

Oregon, Linfield to Clash Here on Thursday

The frosh netmen will take the courts Monday afternoon at 3 to open their tennis schedule against San Mateo junior college. Coach Paul R. Washke declined to name his starting lineup yesterday, but eight candidates are on hand from which he will make his selections. Jack Crawford, Jack Stafford, Lawrence Crane, Charles Eaton, Zimmerman, Wilson, Wood, and Clark are candidates for playing positions who may see action.

Crawford, Stafford, and Crane have shown up well in intersquad practice matches held during the last week and the number one man will probably be chosen from among their number.

The varsity squad with one victory to their credit at the expense of the Portland Pilots will tangle with Linfield on the Oregon courts on Tuesday.

Women Divoteers Start Next Week

Qualifying rounds for women's spring golf tournament open Tuesday and continue through Saturday according to an announcement made by Olive Lewis' WAA sports manager.

Tournament play this year will divide women into groups of championship players and those designated as average players. Match play begins April 22 and continues through the week.

Women were asked to sign up for individual as well as team participation. The house with the largest number of contestants will have more of a change to win the participation plaque awarded this year.

Play for qualification will be made at the Laurelwood golf course. Each participant has been asked to sign at the caddy house and turn score cards in there.

WAA representatives have been selected from each house and women have been asked to sign with them, Miss Lewis said yesterday.

Schedule for Donut League Is Drawn Up

Donuteers participating in tennis, golf, and softball will definitely begin play Monday at 4:00 p. m., according to an announcement from Earl Bushey, director of intramural sports.

On the softball field in quest of victory, Sigma Chi will meet Phi Sigma Kappa at diamond number one, Sigma Alpha Nu tangles with Sigma Nu on diamond number two, and Sigma Alpha Epsilon will try their luck in defeating Phi Delta Theta on diamond three. All above games will be played at 4 o'clock. On diamond one, Yeomen meets Phi Kappa Psi, on diamond two Delta Tau Delta will challenge the right to victory with Omega hall and on diamond three Chi Psi will try their luck in defeating Alpha hall, all games to be played promptly at 5 o'clock.

In tennis, Theta Chi meets Phi Kappa Alpha at 4 o'clock and Sigma Nu will trade drives with Phi Kappa Psi at 5 o'clock on Monday.

Members of that great fraternal

order of divot diggers will meet in quest of victory Monday when Sigma Chi attempts to defeat Sigma hall and Alpha Tau Omega tees off against Delta Tau Delta. Advanced dope on the outcome of this year's donut aspirants reveals that the competition will be exceptionally keen, for quite a lot of "hot shots" have been rung in on the various teams.

As soon as the schedules are printed they will be distributed to the houses who have teams entered into the tourney. Rules and regulations for the sports are posted on the bulletin board in the department of physical education for men.

Advertising Fraternity Plans June Convention

Plans for a Bicycle day sometime this month and an Alpha Delta Sigma convention to be held in June were discussed Thursday when members of the national ad-

INTRAMURAL SCHEDULE FOR MONDAY, APRIL 15

SOFTBALL
4:00 p. m. Diamond 1—Sigma Chi vs. Phi Sigma Kappa.
Diamond 2—Sigma Alpha Mu vs. Sigma Nu.
Diamond 3—Sigma Alpha Epsilon vs. Phi Delta Theta.
5:00 p. m. Diamond 1—Yeomen vs. Phi Kappa Psi.
Diamond 2—Delta Tau Delta vs. Omega hall.
Diamond 3—Chi Psi vs. Alpha hall.
TENNIS
4:00 p. m. Theta Chi vs. Phi Kappa Alpha.
5:00 p. m. Sigma Nu vs. Phi Kappa Psi.
GOLF
Sigma Chi vs. Sigma hall.
A.T.O. vs. Delts.

Webfoot-Husky Golfers Tangle This Afternoon

Stoddard's Men All Set for Northern Team

Members of the University of Oregon divot diggers will test their driving power with the University of Washington golfers on the popular Country club course at approximately 2 o'clock this afternoon.

At press-time, the starting lineup for the Huskies was not known. As a result of the qualifying rounds staged last week, Milligan will probably be number one man, Ed Labbe number two, Ford Young number three, and "Lank" Anderson number four for Oregon. Jack Mulder and John Allen are number five and six in order.

Coach Stoddard went into a huddle with old man Jupiter, the rain man, and it looks as though the "bunker bobs" will have clear weather during the match.

To prove the status of the Washington team, at Corvallis yesterday they were successful in defeating O.S.C. 19 to 8.

Howard Tustin of Washington made a low score of 75 in the match.

Advancing fraternities held a luncheon at the College Side.

Committees for the above events will be appointed later. William Russell, president of the fraternity, presided.

Jane Thacher to Play in Laurel Club Recital

Jane Thacher, University school of music faculty member, has been invited to play a recital under sponsorship of the Laurel Hall club of San Francisco, April 17. The Laurel Hall group is the oldest club in San Francisco.

The recital is to be held in the Red room of the Hotel Fairmont in San Francisco.

Campus Relay Victors to Get Prize Awards

Six Houses, Yeomen Get In Carnival; Rivalry Is Keen

Parke, Scharpf, Freeman, Frye, Knowland in Race

With over a score of varsity and frosh stars in competition the all-campus relays will be held at 2 o'clock this afternoon at Hayward field. These men will be the representatives of an even half-dozen fraternities and the Yeomen in events which will decide the permanent ownership of four cups donated by down-town business men and Bill Hayward himself. The trophy which apparently excites the keenest interest is a bronze beauty, some two feet in height, which will go to the winning combination in the sprint medley. In this race such cinder artists as Bob Parke, Short Freeman, Milo Lacey, Gib Schultz, Reg Brady, Ken Miller, and Bill Sims will be featured by their respective fraternities.

Another viciously contended trek will be the distance medley with its final mile lap expected to be one of the fastest run in this area in many a moon. In the initial laps, fighting for a two-foot silver trophy, will be Garry Frye, Fred Nowland, Ted Nicholson, John Holloway, and others of like calibre. When the mile lap comes (Please turn to page four)
