## High School Writers Accept Invitations Of Journalism School To Press Conference

Many acceptances are being received this week from delegates of the different high school newspaper staffs all over the state in response to the invitations sent out by the school of journalism last week announcing the Oregon High School Press association convention which will be held here November 1 and 2.

The first day will be featured by talks made by several members of the staff of the school of journalism, and members of the Emerald staff. Discussions will be led by Jane Dochtelberg, Commerce high, Portland; Betty Jane Holt, Pendleton; Gene Robinson, Klamath Falls union high school, and Ila Silvius, Bend. Ed Hanson, Emerald cartoonist will speak on the subject, "Pepping Up With Pictures."

### Dinner Climaxes Day

A no-host dinner will climax the first day of the conference. Dean Eric W. Allen will serve as toastmaster.

Saturday morning, a Dutch treat breakfast will be held at the Anchorage under the auspices of Theta Sigma Phi, women's journalistic honorary.

Discussions on several phases of high school newspapers will be led by Rufus Coats, Benson Polytechnic high, Portland; Jack Bennett, Newberg; and Marcelle Macy, Dayton. Prof. W. F. G. Thacher will talk on advertising problems connected with high school papers. Robert C. Hall, superintendent of the University press, will speak on the mechanics of the newspaper.

Presentation of the different awards will occupy the final part of the convention.

## Air Y' Listenin'

(Continued from Page Two) ter will appear in person in the Jumbo-Fire Chief Show, the next Texaco serial series of Billy Rose's Hoppodrome Spectacle "Jumbo," tonight at 6:30.

Arthur Sinclair, veteran Irish actor who will play the stage and radio role of John L. Considine, owner of the Jumbo circus, is learning to snap a whip with vigor and noise. Gloria Grafton, who will be seen and heard as his daughter, "Micky," the equestrienne, already is showing unexpected talent as a bareback rider.

Jimmy Durante, who will be present as Claudius B. "Brainy" Bowers, the rattle-brained press agent, must practice nothing more difficult than keeping his nose out of reach of the circus lions. But the biggest task falls (he hopes not) to Donald Novis, for all these years just a radio tenor, who will actually be seen flying through the air with the greatest of ease as Matt Mulligan, the aerialist.

# AWS Launches Activity Plans

## Files to Determine Interests of Women

Carrying out a portion of the program formulated by the AWS planning conference the first of this term, an extensive activity program to interest women students in campus activities has begun under the direction of Elaine Comish assisted by Jean Ackerson and activity chairmen of the various women's living organizations and the activity chairman of Orides.

"We want to find out what women on this campus really want to do and then help them do it," Elaine Comish, chairman of the project, said.

### Files Being Made

A file in which the present activities of women students are listed is now being made. After this week another file will be started listing the activities in which women students show their interest. These files will be used for easy reference for future appointments.

Thursday, all activity chairmen in women's houses will receive activity sheets which will be distributed to the women living in these organizations. On the sheets will be listed activities including the AWS, YWCA, WAA, Emerald, Oregana, Philomelete, and these are to be checked according to personal interest. Women living outside houses will get their sheets at the dean of women's office, the YWCA, and the Co-op.

### Plan to Be Explained

Members of the AWS speaker's committee will explain the significance of this new system at various organizations on Thursday. All sheets should be turned in to the dean of women's office by Saturday noon of this week in order that the filing system may be begun early for use this term.

As part of the activity program to interest women students, the Kwama annual "Get Wise" party will be given Wednesday evening at 7 o'clock. Freshman women will be taken to the party by their Frosh Counsellors where a program will be given. This program will include skits about various activities of the campus this year.

Modern industrialization is a curse, Ghandi believes, which weakens the morals of a country. In his village uplift program he is not trying to reach the standard of western civilization but instead will endeavor to return to the fabled "Golden Age" when India could support her teeming millions on a higher scale than she does today.

### Relates Travels

Turning from India where he has spent 15 years as professor of comparative religions at Lucknow university, Mr. Ballenger told of his travels this summer. Leaving India in April, accompanied by his wife and three daughters, he spent several months seeing Iraq, Palestine, Italy, Switzerland, France, and England. In speaking of the

## Frosh Prepare For Washington

### Warren Works Line, Revamps Backfield

Regarding their defeat by the O. S. C. Rooks as an event of the past, the members of the frosh football team began a week of intensive practice last night in preparation for their annual game with the Washington Babes here Saturday afternoon.

Several members of Coach Warren's squad were injured in Friday night's wild fracas but they should all be in shape for the Washington tilt. "Doc" Taylor, regular center, is badly crippled with an injured knee, although he may possibly see action Saturday. Chuck Stevens, 200-pound guard, came out of the Rook game with a badly bruised arm and Nello Giovanini, who plays the other guard, is nursing a battered leg. Both Stevens and Giovanini are expected to be in shape by the end of the week. Several other members of the squad received minor cuts and bruises.

Yesterday afternoon Coach Warren sent his men through a tough scrimmage in which he experimented with several new backfield combinations. A new foursome composed of Gammon at full, Lacua and Anet at halves, and Nicholson at quarter seemed to be getting the most attention and may start the Washington game.

Warren also worked his line overtime. He was evidently disappointed with its showing against the rooks, and he hopes to see a lot more drive and fire in the remaining games on the schedule.

"Hank" Nilsen, star end, participated in scrimmage last night for the first time in a week and he will probably be in condition to start the remaining games.

# Rally Dance To Honor Team

## Cup to Be Awarded For Best Attendance

The Oregon rally committee will stage a big rally dance at the Green Parrot Palms Wednesday night at 7:30 to greet the homecoming football team.

The dance will last until 10:30 p. m. The dean of women's office has granted permission to all sororities and underclassmen in fraternities to attend. All sorority women must be in by 10:30.

Freshmen women are asked to attend the Kwama "Get Wise" party at Gerlinger hall Wednesday evening from 7:00 to 8:30 and then to come to the rally dance at the Palms.

### Cup to Be Awarded

The Zell brothers' cup will be awarded the fraternity having the largest percentage of attendance at the rally dance. This cup, awarded each year to the house having the most men at the UCLA-Oregon rally dance was won last year by Sigma Nu. The rally dance was formerly scheduled for Saturday afternoon but was cancelled because of conflict with the impending Sophomore Informal.

Living organizations are asked to hold 5:30 dinners so their members will be ready to leave before 7:30.

The charge for the dance will be 50c per couple.

There will be an important meeting of the rally committee at 9:30 Wednesday evening at the College Side.
