Program Has Five Points

Independents Dance Tonight

Annual Affair Open To University Students

The independent students of the Yeomen and Orides are holding their annual dance tonight at 9 o'clock at the Green Parrot. It is an all-campus affair.

Jack McCarthy and his ten piece orchestra will furnish the music It will be a semi-formal dance and will cost \$1 for each couple not belonging to either Yeomen or Orides. Members will be admitted on their membership cards.

Chopin Patrons and patronesses for the dance are Mr. and Mrs. Roy G. Bryson, Mr. and Mrs. Glenn Griffith, Miss Janet Smith, Mrs. Edith Yearlings Set Siefert, and Dr. and Mrs. C. L.

Members of the committees are Anet in Infirmary ment will be served.

Bureau to Supply Dates for Needy

A date bureau by means of which any backward Yeomen or Oride can get a partner for the independents' semi-formal tomorrow night at the Green Parrot was announced yesterday.

The bureau, which guarantees to get any applicant his request within reasonable limits, is made up of Adeline Hargreaves, Ernest Savage, and Fred Gieseke. Any independent unable to get a date for the affair is urged to contact a

Present plans call for the dance tomorrow night to be the high spot of the Yeomen-Orides social calendar for the term. The Green music. Yeomen and Orides will be

EVERY STUDENT NEEDS A SIGHT-SAVING STUDY LAMP

THE LANE COUNTY ELECTRICAL LEAGUE WRITES A LETTER TO UNIVERSITY SUDENTS "Dear Students:

Now that you are in the University you have begun thinking about Ambition. You have begun thinking about being a lawyer, or a doctor, or a teacher, or making a place for yourself in You study more, and harder, than you ever have studied before.

That's as it should be-because you are thinking about SUCCESS. To become really successful you must have many things-and you cannot afford to waste anything. Especially you cannot afford to waste your eyesight. Do your studying in good light.

This will protect you from eye strain—so often the cause of eye You will have good light for your home work, with an I. E. S. Sight-Saving Study Lamp. When you sit down in the eve-

ning to study your English, or Science, or "Math" for the next day, you will find it much easier with good light. The next morning your eyes will be brighter, your brain will be clearer, and you will face recitations and examinations with more confidence

Resolve to protect your eyesight with an I. E. S. Sight-Yours sincerely, ELECTRICAL LEAGUE."

Features of the Sight-Saving Study Lamp

Saving Study Lamp.

(a) 100 watt light bulb.

(b) Glass reflector and diffuser. (c) Wide shade with white lining.

(d) Tall standard. (e) I. E. S. approved tag. THE SIGHT-SAVING STUDY LAMP

Gives right amount of light-three to five times as much as ordinary lamps; Gives right kind of light-no glare;

Gives both direct and indirect light: Gives a wide circle of light at desk or table; Gives "better light for better sight." Approved by the Illuminating Engineering Society. Good sight is priceless-good light is cheap. See these
