

Frivolities Planned for Friday Night

Frosh Party Climax For Winter Term Class Card Drive, Olson Announces

Climaxing the winter term drive for freshman class cards, a newly innovated Valentine's party, Frosh Frivolities, will be presented Friday night, February 14, in Gerlinger hall, exclusively for card purchasers, John Olson, chairman for the affair, announced yesterday.

Jack McCarty's orchestra has been signed to supply the soft music to be intermingled with dim light, hearts, and flowers forming the decorations for the gala affair. Other entertainment is being planned.

Prize Planned

A large silver loving cup will be presented to the living organization having the largest number of freshmen present. Prizes, features, and refreshments will complete the night's program.

Final plans for the Friday night event will be made by the committee this afternoon when they meet in the College Side.

Directorate Named

Frivolities' directorate includes: Betty Howell, Max Mosler, Jack Wagstaff, and Mary Hinsh, decorations; Dick Olcott, June Hurst, and Gus Meyers, orchestra; Frances Olson, Kay Coleman, Dot Witt, and Harriet Sarazin, patrons and patronesses; Jay Langston, Bob Recken, Art Hill, John Yerby, and Walt Van Emom, clean up; Lloyd Tupling, Martha Felsheim, Virginia Coleman, and Bob Booth, publicity; Felker Morris, Jeanne Aronson, Jack Casey, and Keith Osburne, entertainment.

Frosh Frivolities came into being this term after a demand had been made by freshmen for some kind of social activity during winter term. Originators of the idea hope to perpetuate it for the benefit of future classes.

Students wishing to come to the dance, not having freshman class cards, will be levied 25 cents each.

Garretson Piano Recital Tonight

Robert Garretson, sophomore, is being presented in a piano recital at 8 o'clock this evening at the school of music auditorium.

During April, 1933, he was soloist for the Portland junior symphony, playing a Grieg piano concerto. He is a graduate of Ellison-White Conservatory, Portland, and was presented in a recital there in November 1934.

During fall term last year he accompanied Frances Brocton, well known violinist, and last spring term he accompanied Mr. Howard Halbert, violin instructor here and at Oregon State college.

His program tonight is free to the public, and the plans in full are as follows:

- Mozart..... Fantasia in C-minor
- Bach..... Italian Concerto
- Beethoven..... Sonata, Op. 81a
- Schumann..... Nocturne in F-major
- Guion..... Harmonica Player
- Chopin..... Nocturne in C-sharp minor
- Chopin..... Polonaise in A-flat major

Dr. Smith Will Lead Discussion

Dr. Warren D. Smith, geologist, will leave for Spokane, Washington, tomorrow to attend the Spokane regional mining planning conference. He will be Oregon's only representative at the conference.

Besides giving the report from the mineral resources committee of Oregon, of which he is vice-president, Dr. Smith will lead a discussion in the forum entitled "Utilization of Geology in Mining." Representatives from Washington, Oregon, Idaho, Montana, northern California, and British Columbia will attend the conference.

Dr. Smith will be gone the rest of the week.

ROOM AND BOARD—Reasonable. 738 E. 12th.

LOST—Beta pin at Laurelwood January 20th. Reward. Phone 729.

Ship That Found Ellsworth

Penetrating the ice floes that hem in Little America in the Antarctic, the British royal research ship Discovery II, pictured at London as it was being provisioned, flashed to the world the news that the two-month search for Lincoln Ellsworth and his pilot, Herbert Hollick-Kenyon, had ended happily. The two explorers were found safe and in good health, encamped on the ice. Missing since November 23, they were grounded when their plane ran out of gas twenty miles from their goal.

PTA President Visits Campus

Mrs. William Kletzer, president of the Oregon Parent Teachers association, spoke to house mothers of the Oregon campus on the value of their work from a parent's standpoint at a meeting yesterday in the women's rooms in Gerlinger hall.

The speaker is active in child welfare work in Oregon, being a member of the Oregon Child Welfare committee, and has made a survey of child welfare problems for the state of Oregon. She is also liaison officer between the National Parent Teachers association and the National Educational association.

Mrs. Kletzer, who has a daughter on the Oregon campus and a son at Oregon State, is leaving the University today. During her short stay here she made the Delta Gamma house her headquarters.

7 Girls Chosen By Master Dance

At a recent meeting of Master Dance, tryouts for Junior Master Dance were held. Girls were tested on technical ability, the ease with which they were able to understand and execute new movements, originality, rhythm, adaptability to group organization, and general muscular control.

The following girls were elected to membership in Junior Master Dance, and are automatically pledged to Master Dance: Mary Field, Virginia Kearns, Gnan Goodsell, Claudia Sevier, Irene Williams, Carolyn Schink, and Edna Dunberg.

Tau Delta Delta Plans Concert

Tau Delta Delta, local music honorary, is planning its annual winter concert Thursday night at 8 o'clock at the school of music auditorium. Phyllis Schatz is in charge of the affair and Elizabeth Onthank is her assistant.

Members of Tau Delta Delta who will be on the program are Lucia Davis, piano; Charlotte Plummer, clarinet; Marionbeth Wolfenden, soprano; Madge Conaway, cello; Phyllis Schatz, piano; Leota Reetz, contralto; Mollie Bob Small, violin; and Marjorie Scobert, piano.

The program is free and those who attend will be ushered to their seats by Kathleen Hughes, Racheal Kokin, Ruthalbert Wolfenden, and Frances Oliver.

Tau Delta Delta just finished a twilight vesper service for which it was the sponsor every Sunday during January.

Miss Coffee, J. Sommer Married

Marian L. Coffee, who graduated from the University in 1935, and Joseph G. Sommer were married at the Mark Hopkins in San Francisco, on January 23. They will reside in Portland.

Thunemann to Address Class

Ad Contest Winners Will Be Announced

Karl Thunemann, advertising manager for McMorrann and Washburne's store, will speak to W. F. G. Thacher's advertising class tonight at 7:30. His subject will be the management of the advertising department of a department store.

Winners of the recent McMorrann and Washburne advertising contest will be announced at this meeting. Students entered in general advertising under Mr. Thacher entered the contest, judged by Mr. Thunemann.

Twelve students' layouts were selected by Mr. Thacher for final judging. These were also sent to Robert Smith of Lipman and Wolfe's store in Portland for comment. The first two advertising plans to be chosen by the judges will be given prizes of \$10 and \$5.

Judging was based on the originality and effectiveness of the selling idea, the appropriateness and design of the layout, the headline, and the copy. The contest also was used as a class assignment.

This meeting will replace the regular Wednesday class.

gaged in the design of multi-grid tubes of low and high frequency. In his article he describes a recently developed radio tube that is unusually efficient for airplane transmitters. This tube makes possible light weight sets that are especially economical.

The Pacific Telephone and Telegraph company wrote to A. E. Caswell, head of the department of physics, calling his attention to the article. A copy of the magazine is in the University library.

Send the Emerald to your friends. Subscription rates \$2.50 a year.

Places To Go and Things To Do

Yeomen-Orides Dance Attracts

More than 50 couples attended the annual Yeomen and Orides dance held at the Green Parrot last Friday night.

The dance was in the valentine motif and music was furnished by Jack McCarthy and his orchestra.

Patrons and patronesses for the evening were Dean Hazel Schwering, Miss Janet Smith, and Mr. and Mrs. Glenn Griffith.

Seven New Patients Confined in Infirmary

Seven new patients were admitted to the infirmary over the week-end to bring the total confined there to ten. Rosalynne Kitchen, Helen Henderson, Ellen Adams, Mary Dodge, Cyrus H. Cook, Stewart Endicott, and William Jones were the most recent additions to the sick list.

Marion Griffith, Ambrose Huff, and Carl Prodingar are the patients who were admitted previous to the last week-end.

Calendar

(Continued from page one)
Phi Beta meeting will be held at 7 o'clock at Gerlinger tonight. All members please attend.

WAA council short, important meeting at 7:15 Tuesday in social room at Gerlinger.

Phi Beta meeting tonight at Gerlinger hall at 7:00 for actives and pledges.

Habits and personality will be discussed by the YWCA personality discussion group led by Marjorie Thayer at 4 o'clock in the Y bungalow. All interested students are invited.

Heads of houses will meet Wednesday at 5 o'clock in the AWS rooms of Gerlinger for their regular meeting.

Quacks

(Continued from page three)
floating Ducks will be the scourge of the country side. They won't lose another game and you may lay to that, mates. Anyone that saw the serious, cool, yet efficient men of Coach Hobson and his charges in last night's practice will not brand that apparently windy remark as sarcasm. The team realizes that it has reached the halfway mark of the season, and that it has not, up to this time, flashed the brand of ball that was expected of it.

It's impossible to forever shove defeat down the throats of such ball-hawking gents as Messrs. Jones and Jones, Courtney, Patterson, Howell, Rourke, Lewis, and their cohorts. They have been down long enough. From now on in it's victory followed by victory.

Fencing Addicts To Form Club

Dueling Spirit Invades Campus

The spirit of dueling days has arrived to haunt the University of Oregon campus, making its sharp presence felt mostly about the girls' physical education department. Accordingly, because of the keen interest displayed this year in fencing classes, the possibilities of forming a fencing club are to be discussed Wednesday night in alumni hall at 8 o'clock.

Jane Potter, graduate assistant in fencing, says all girls interested in forming such an organization should turn out Wednesday, February 12, at 8 o'clock.

"With other campuses fostering a renewed interest in fencing, there is no reason why University of Oregon co-eds shouldn't have the fun of attaining grace and poise through fighting with the foil."

Miss Potter thinks this would be an opportune time to band together a group interested in the furtherance of fencing because of the advantage of having two masters of the art on the campus at the present time—Mrs. Hugh Miller and Lenore Lavanture.

Veazie, '27, Has Article Published

Edmund A. Veazie, graduated from the University with a B.A. in 1927, has an article entitled "The 307A Power Pentode" in the January Bell Laboratory Record.

Mr. Veazie is with the technical staff of the Bell laboratories en-

Extension Group Holds Conferences

The second of a series of conferences on community problems, a course recently introduced by the extension division, will be held from March 14 to April 4.

In cooperation with the bureau of nursing and child hygiene, the state board of health, and the state relief administration, the extension division will hold three conferences of three hours each in La Grande,

Portland, Medford, and Eugene. These conferences supplement the correspondence lessons sent out by the extension division.

Seventy public health nurses, city school nurses, private duty nurses, and social workers are enrolled in the course, which was planned and will be directed by Dr. F. R. Martin, instructor in sociology.

The last conference of the first series was held in Eugene Friday, February 7.

Subscription rates \$2.50 a year.

Dean Schwering Will Talk to Charm School

Dean Schwering will talk before the Charm school this afternoon on "How to Get Along With Others." The Charm school group will meet at the Alpha Phi house at 4 p. m. All members are urged to attend.

Miss Bryant, C. Gauntt Married

Miss Oleone Luceille Bryant and Charles William Gauntt, ex-'34 of the University of Oregon were married on January 2.

Going to town with Luckies

A LIGHT SMOKE

of rich, ripe-bodied tobacco

Over a period of years, certain basic advances have been made in the selection and treatment of cigarette tobaccos for Lucky Strike Cigarettes.

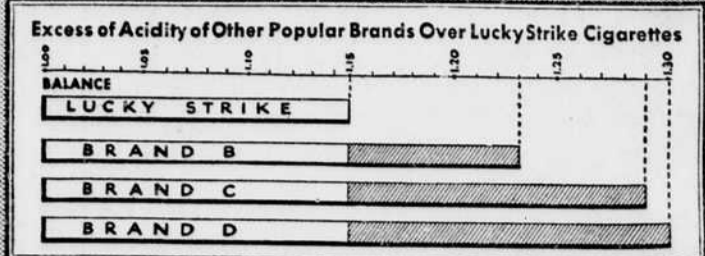

They include preliminary analyses of the tobacco selected; use of center leaves; the higher heat treatment of tobacco ("Toasting");

consideration of acid-alkaline balance, with consequent definite improvement in flavor; and controlled uniformity in the finished product.

All these combine to produce a superior cigarette—a modern cigarette, a cigarette made of rich, ripe-bodied tobaccos—A Light Smoke.

Luckies are less acid

Recent chemical tests show* that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

*RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS
