Baseball

Oregon's varsity ball club today begins a schedule of six road games which will make or break it as a pennant contender. Read complete results each day on this page.

The Highball

BY DOC

To the Highball:

Yes, it is easy to look back on a meet and say if we had done this or that we would have won. It is fairly easy to dope out a track meet and "have the meet won before 2 o'clock on Saturday" but unforeseen events do take place that often change the score sheet when it is over.

In our opinion there is no man who follows track results and times more closely than Coach Bill Hayward. No other man (including Coach Doc Highball) knows Oregon's track men and their abilities better than Bill Hayward. If there ever was a meet that Bill wanted to win it was the University of Washington dual track meet last Saturday. Bill placed his men so that he could realize the most possible points from his limited number of 18 men. It is the belief of this track squad that he did this with the best judgment.

The Highball wants to know why "Squeak" Lloyd didn't enter and win the 120-yard high hurdle race. The main reason is because Lloyd has never attempted to clear a high hurdle in his life, let alone to run a full race over ten hurdles. Then too, Doc wants to know why Captain Scharpf was scratched from the 880-yard race after being doped to take first. In the first place Scharpf was never entered nor intended to run the 880 against Washington. Why? Simply because his job was to run the mile against Angle who is the fifth fastest collegiate miler in the nation and because after running a fast mile he could do no better than a third against Palmason and Samples, which place Miller of Oregon took. Palmason is capable of a 1:52 half mile and ranks fifth in the national collegiate standings. This team knows that it is physically impossible to run a 4:20 mile and then run a 1:52 half within one hour's time.

It is almost folly to imagine a relay team composed of Shoemaker, Lloyd, Scharpf, and Patterson that is capable of winning against Washington's team. Shoemaker and Lloyd, both sprinters, have never attempt to run a 440 this year. When 440 and relay men are picked we'll rely on Coach Hayward's selection. Hayward, you know, has trained and selected his runners for nigh on 33 years at Oregon and his eye isn't a bit hazy when it comes to picking the right men.

As far as this team is concerned we'll stick to one coach—Bill Hayward. We'll trust his selections before meets and not the post-meet selections of Coach Doc Highball.

The University of Oregon Track Team of 1936.

Long-Time

(Continued from page one)
campaign for contacts with prospective employers—not to sit back and wait for them to call us," Dean Onthank, under whose supervision the bureau will be conducted, said yesterday.

"The bureau is along the line of work done by technical schools in placing their graduates," he explained.

Calls for men and women to take permanent employment in fields where specialized knowledge is acquired "on the job" have been greater this year than in any recent year, Onthank declares. "Both President Boyer and myself are confident of the success of the bureau," he stated.

OSES to Cooperate

The newly installed service is to be handled in cooperation with the Oregon State Employment service, branch of the national employment service.

The number of students who drop out of school without taking their degrees and who therefore fail to qualify for professional practice is about double the number who graduate without specialization, personnel office figures reveal. Through this service, it is believed that many of them will be enabled to return to Oregon to take their degrees after a period of regular employment.

Former Students Wed

Mabel E. Eldson, ex-'38, and E. Garfield Rear, ex-'36, were married in Eugene on May 11.

UO Trackmen Enter AAU Cinder Meet

Parke to Throw Javelin; Lloyd, Shoemaker to Be in Sprint Events

Many University of Oregon track athletes will enter the AAU cinder meet on Hayward field this Saturday. The entire varsity and frosh teams will compete in the meet.

Among the former Oregon athletes who will compete is Bob Parke, former holder of the NCCA spear championship and record in 1934 who will start his attempted comeback for Olympic honors Saturday. "Smoky Joe" Parke's record of 220 feet 11 5/8 inches, set at Los Angeles in 1934, was broken by two inches last summer, but he still ranks as one of the nation's leading hurlers. He has not been in competition since last spring because of injuries.

Janak Entered
Several Oregon runners are expected to show up well in the big meet. Bud Shoemaker and Squeak Lloyd will be up against brilliant athletes in the sprints. Marvin Janak, Duck high jumper and pole vaulter, is also expected to make a fine showing Saturday.

Summary of Saturday's meet:
100-yard dash—Shoemaker (O) first; Killien (W) second; Lloyd (O) third. Time, 10.2.

Mile run—Angle (W) first; Scharpf (O) second; Bryant (O) third. Time, 4:20.1.

440-yard dash—Drury (W) first; McDonald (O) second; Patterson (O) third. Time, :50.2.

120-yard high hurdles—Morgan (W) first; Stutfield (W) second; Whitworth (W) third. Time, :15.

Shot put—Foskett (O) first, 48 feet 1-8 inch; Buckley (W) second, 47 feet 3-8 inches; Walker (O) third, 46 feet 5 1/4 inches.

220-yard dash—Killian (W) first; Shoemaker (O) second; Hummer (W) third. Time, :22.6.

Pole vault—Janak (O) first; Childs (W) second; Lindgren (O) third. Distance, 12 feet, 6 inches.

880-yard run—Palmason (W) first; Samples (W) second; Miller (O) third. Time, 1:58.4.

High jump—Vandermay (W) first; Janak (O) second; Lloyd (O) third. Height, 6 feet 3 7/8 inches.

220-yard low hurdles—Morgan (W) first; Anschutz (W) second; Stutfield (W) third. Time, :24.5.

Two-mile run—McGaughey (O) first; McGinnis (W) second; Bryant (O) third. Time, 9:51.3.

Discus—Holland (O) first; Markov (W) second; Foskett (O) third. Distance, 147 feet 2 inches.

Mile relay—Won by Washington.

Seabeck Plans Are Announced

Ruth Weber, editor of the Seabeck Beacon and Seabreeze, announced yesterday that the Seabeck pamphlets would be out today.

These pamphlets will give a schedule of the work to be done at Seabeck this summer and will tell whom the leaders will be.

The Seabeck conference is to be held June 13-22 at Seabeck-on-Hoods-Canal, Washington.

Copies of the Seabeck Beacon and Seabreeze are being multiplied now and a limited number will be distributed to interested students about the campus. Others will be sent to students in Washington, Idaho, Montana, and Oregon. The quota for the University this year is 40.

Highways Will Be Cleared Soon

No recent reports have been received by H. G. White of the Willamette forest service concerning the snow-clearing progress on the Santiam and McKenzie highways, but it was expected that the last drifts of snow would be cleared away by Sunday and repairing on the roads would begin so that they could be used by tourists soon. According to the last reports received Saturday, the only link that remained closed was on the Bend side, but a state highway rotary plow has been working there steadily so that the road can be opened at the earliest opportunity.

WAA 'Sports Day' Set for Saturday

OSC, Reed, and Willamette Women to Be Visitors; Directorate Named

Women athletes of Reed college, Willamette university, and Oregon State college will be guests of the University at a "sports day" Saturday. WAA is the sponsor.

The directorate for the day, appointed by Frances Watzek, president of WAA, is Sue Moshberger, chairman; Marionbeth Wolfden, luncheon; Betty Mushen, registration; and Ruth Lake, publicity.

Heads of intramural sports will be in charge of the activities. They are Mary Ellen Eberhart, tennis; Olive Lewis, golf; Jean Ackerson, archery; Jane Bogue, baseball; Gretchen Smith, swimming. The latter event is sponsored by Amphibians, women's swimming honorary.

Competition in all sports but baseball will be between colleges. Baseball teams will be made up of any girls who wish to play, regardless of the colleges they attend.

The Laurelwood golf course, where the golf matches will be played, has turned over its grounds to WAA for Saturday morning.

The program for the day will include registration at 9; tennis, archery, golf, and baseball at 10; luncheon in the sun room of Geringer hall at 1; and a swimming meet, followed by a social swim, at 2:30.

Girls interested in attending the luncheon are asked to call Sue Moshberger, at 2082, as soon as possible. The charge is 25 cents. Those who wish to play on a baseball team are asked to get in touch with Jane Bogue, at 772.

Libe Brick Work Going Rapidly

Stackroom on South Near Completion; Tarpaper Roofs Are Up

Brick work on the outside of the new library is progressing rapidly with the near completion of the stack room on the south side. On the north side the men are working at about the level of the first floor. The upper portion of the main part of the building is covered to about the level of the third or top floor on the south.

Partitioning has nearly been completed in the basement, and several walls have been started on the second floor. The metal lath is being installed on the ceilings in the basement, first floor, and second floor.

Roofs of tarpaper and tar have been built on the east and west wings to waterproof them. These temporary roofs will be used until some future time when the library will be enlarged with another story on top of the wings.

Doors are now in place on the two vaults in the basement. Practically all window frames in the building are in place in readiness for the bricklayers to build the supporting framework around them.

New Infirmary Walls Finished

The new infirmary, while appearing rather unfinished from the outside, is beginning to look more like a hospital on the inside. All walls in the building have been finished, and as soon as the doors and baseboards are installed the rooms will be nearly complete.

Shingles have been torn from the top of the old gymnasium, marking the line where the roof is to be cut and lowered for the swimming pool. Long, heavy steel girders are being placed on the inside to support the roof when it is lowered. Tile work on the bottom of the pool is being torn out for deepening one end. The old porch on the west side of the building has been completely removed.

Library Gets Braille Index

Four volumes of books listing the number of hand-copied Braille books available has been received at the library. M. H. Douglass, librarian, said yesterday.

Ducks Meet Cougars Today At Pullman

Hobson and 14 Players Leave on Week's Trip; Six Tilts Listed

Oregon's varsity baseball team will meet Washington State at Pullman this afternoon in the first of six road games.

Coach Howard Hobson and 14 players, accompanied by Bud James, student manager, left for Pullman, Moscow, and Seattle yesterday afternoon. After a second game with the Cougars tomorrow, the Webfoots will meet Idaho Friday and Saturday and Washington next Monday and Tuesday.

Five Hurlers Go

Five pitchers were among the 14 men taken on the trip. Don McFadden, who is slated to start today's contest, and Bob Millard, leading winner of the staff, will be called upon for heavy duty during the important northern jaunt. Other twirlers taking the train yesterday were Earl Bucknum, Cece Inman, and Bill Marshall.

Chief McLean, Oregon's only catcher since the injury of John Thomas, will be counted upon for backstop duty in all games. Infielders making the journey were Bill Courtney, Mark DeLaunay, Johnny Lewis, Bud Goodin, and Eddie Vale. Outfielders were Andy Hurney, Bing Crosbie, and Ralph Amato. Amato will not be able to do much but pinch hit, due to a finger broken in the Washington series last weekend.

Hopes at Stake

The outcome of the six contests will determine Oregon's chances for a third consecutive pennant. Losing more than two games on the tour will be disastrous to Webfoot hopes. Upon returning home the Ducks have but three games, all with Oregon State. The Beavers play a postponed tilt here again May 26 and come to Howe field again May 29. The finale will be played at Corvallis May 30.

Gamma and Sigma Win Hall Tilts

Gamma and Sigma halls pounced out wins in the inter-dormitory softball league last night. Gamma, defending champion, massacred Zeta, 23 to 6, and Sigma trounced Omega, 8 to 4.

Chuck Patterson was the starting pitcher for Gamma and the basketball luminary aided his own cause with a home run. Williams finished in the box and also clouted for all the bags. Bill Law homed for Zeta.

Joe Greene pitched Sigma to victory over the Omega team which reached the finals in intramural softball. Kidder chucked for the losers.

Zeta out-slugged Sigma Monday night, 17 to 12.

AAUW Offers \$1200 Fellowship to UO

A graduate fellowship of \$1200 for the purpose of stimulating scholarship among the women of the state is being offered by the Oregon division of the American Association of University Women.

To qualify for the fellowship it is necessary that the applicant be a woman resident of Oregon, a graduate of a standard college, and must have good health, excellent character, ability, and initiative. At least a year of graduate work or its equivalent in practical work along the chosen line of study is also required. Preference will be given to candidates who show evidence of creative ability or who submit definite plans for research with some measure of attainment of their object.

Applicants interested in the fellowship may obtain complete information from the dean of women's office.

Marianne Long Weds

Marianne Ruth Long, ex-'30, and Hollis P. Franklin were married in Kelso, Washington on May 2. Mrs. Franklin attended the University and Whitman college, where she was affiliated with Kappa Kappa sorority.

Batting Beavers Outslug Huskies For 13 to 10 Win

Northern Division Standings

W.	L.	Pct.	
Washington State	6	2	.759
Washington	5	3	.625
Oregon	4	3	.571
Oregon State	2	5	.286
Idaho	1	5	.167

Oregon State's downtrodden Beavers arose from the northern division cellar to trounce the Washington Huskies at Corvallis yesterday afternoon, 13 to 10.

Five pitchers took it on the chin in the 29-hit slugfest, in which five home runs were hit. Earl Conkling and Ike Wintermute of the Beavers and Moore, Rich, and Ed Lovrich of the Huskies did the "recruit clouting."

Slats Gill's Staters pounded Jack Daly, Rudy Enquist, and Lou Budnick, Washington moundsmen, for 14 hits, and the visitors found Fritz Cramer and Jack Woerner for 15. Seven errors aided the run gathering. Score:

R.	H.	E.	
Oregon State	13	14	3
Washington	10	15	4

Batteries: Cramer, Woerner and Bergstrom; Daly, Enquist, Budnick and Dawes, Gasparovitch.

Sigma Delta Psi Will Hold Meet

Annual Decathlon Events To Be Run Off Tuesday And Wednesday

The fourth annual Sigma Delta Psi decathlon field and track meet will be held next Tuesday and Wednesday, according to an announcement made last night by Russell Cutler, assistant professor of physical education, who is in charge of the event.

Frank Lloyd, hard-working sophomore on this year's Webfoot track squad, walked off with individual honors last year. Any man on the campus is eligible to enter the meet to amass points toward entrance into the physical education honorary or to find out how he ranks athletically with other men in school.

Five of the ten events will be run off Tuesday afternoon, with the remaining five set for Wednesday. The events are the 100-yard dash, the 120-yard low hurdles, the shot put, the javelin, the broad jump, the high jump, the 20-foot rope climb, the mile run, the football punt, and the baseball throw.

Cutler urged that all entrance applications be turned in to him at least by next Monday.

Marjorie Seiple Marries

Marjorie Seiple, graduate of the University in 1930, and R. Wayne Stevens were married in Portland on May 9. The couple will live at 329 East Alta street in Pendleton.

Cornell Appointed Athletic Manager At Board Meeting

Choice Is Announced by President C. V. Boyer; Cornell Was Former Duck Grid Star

Anson Cornell former University of Oregon athlete and present director of athletics at Pacific university of Forest Grove, was named athletic manager for the University at a meeting of the newly-appointed athletic board Monday night, according to announcement by President C. Valentine Boyer.

Cornell will have charge of all intercollegiate athletics, which have been separated entirely from other student activities. He will report soon after June 1, in time to accompany Professor H. C. Howe, faculty representative, to the Pacific Coast conference meeting in Spokane June 3 and 4. His salary will be \$3,000 a year.

Played Quarterback
Cornell played football under Coach Hugo Bezdeck in 1913, '14, and '15, and was captain in his senior year. His position was quarterback. He was also an outstanding baseball player.

Cornell graduated from the University in 1916, and for 17 years served as head coach at the College of Idaho at Caldwell. In 1933 he took over the reins as head coach of all sports and athletic director at Pacific.

Starting his gridiron career in a Portland Sunday school league, Cornell went to Washington high and starred, and upon graduation continued to Oregon.

Followers of University athletics are completely satisfied with the appointment of Cornell as athletic manager here, judging from sentiment apparent in downtown Eugene, on the campus, and around the state. Cornell has built up a reputation in his years at College of Idaho and Pacific as a quick-thinking, reliable leader.

Selection of the athletic manager is one of the early steps in the reorganization of campus activities. Managers for other branches of extra-curricular activities will be chosen later by the educational activities board.

Members of the athletic board which named Cornell are Earl M. Pallett chairman; Dr. John F. Bovard, Dean Virgil D. Earl, Dean James H. Gilbert, Professor H. C. Howe, faculty representatives; Lynn S. McCreedy, Basil T. Williams, Paul Hunt, alumni; Fred Hammond and Gilbert L. Schultz, students; J. O. Lindstrom, secretary, alumni.

BA Distribution Course Ready

Comish Offers Theoretical, Practical Problems in Mail Class Work

Problems in distribution, a correspondence course prepared by N. H. Comish, professor of business administration, has been completed and will be ready for the public about the first of June.

Practical problems as well as the theory of distribution are included in this course, which is of interest both to students in the school of business administration, and to other persons actively engaged in buying and selling. The course covers such subjects as distribution through private wholesalers, brokers, specialty stores, mail order houses and chain stores; price determination; and industrial recovery problems.

The course as now offered in the University is the first quarter of a year-sequence which includes sales management and merchandising. It is an upper division course, and is suggested for students majoring marketing and merchandising in the school of business administration.

Scott Accepts Position

Gerald Scott, fifth year architect student, left school recently to accept a position with the Forestry department in Portland. Mr. Scott is a member of Delta Upsilon fraternity.

FITTING AND PROPER

We've been studying anatomy again and ARCHER is the result — a revolutionary design in shirts exclusive with Arrow. Tailored to flatter broad shoulders, tapered to the waist; and most important — bilateral seams deftly curved in to conform to the declivity in the arch of the back, then distended over the seat and curved in again. No blousing in front — no creeping up in back. In white and fancy patterns. Sanforized-Shrunk. \$2.50
