THE Firing Line

By PAT FRIZZELL

There isn't much to say about that Southern California kicking, but there very definitely is something to do. That's to forget all about it. Nine games comprise Oregon's schedule, and nobody expected to win 'em all.

Of course it was superior reserves and man power that beat the Webfoots Saturday. Anyone who heard the broadcast of the game or scanned the statistics with his morning coffee knows that. One good eleven or even two good elevens can't keep up the pace when the opposition sends in three or four teams, all strong and fresh and eager for slaughter.

Oregon will get more recognition for that first half fight, in (Please turn to page four)

Frosh Gridders Train Hard for SON Tilt Friday

Warren Drills Linemen After Defeat at Hands Of ONS Men; Guards Tackles Are Worry

John Warren's University of Oregon freshman gridders, nosed out in the first game of the season, are going through hard workouts this week in preparation for the tough Southern Oregon Normal school tilt to be played in Grants Pass Friday night.

The Ducklings, beaten by Oregon Normal school 7 to 6 at Astoria Saturday, showed potential power in spots but whenever near the goal line lacked the necessary punch. A lot of concentration on the linemen is expected for this week in an effort to bolster up their strength. Guards and tack-

Out for Season

Bud Goodin, fullback (left), and Joe Huston (guard), regulars on Oregon's varsity football lineup, are out of action for the season with injuries suffered Saturday.

les seem to be the main worry.

Backs Predominate
Warren drove his forward wall through a tough session of charging yesterday. Howard Hobson, varsity basketball and baseball coach, sent the backs through their paces. The opening turnout this season found 53 men in togs, 29 of them being listed as backs. The original group has dwindled somewhat but there is still a predominance of backs.

Graybeal Scores
The Normal school game was played on a rain-soaked field, with numerous fumbles resulting. One of these proved the downfall of the Oregon yearlings. In the second period a wild pass from center into the end zone was converted into a touchdown by Mohler, alert Monmouth guard. Kelley place-kicked for the winning point.

Gerald Graybeal, frosh back, recovered his own fumble over the goal line in the first quarter for the only Oregon score. Graybeal and Paul Rowe, blond threat from Victoria, gained most of the frosh yardage. Larry Lance at end was another standout for the Ducklings.

The squad as a whole came out of the game in fine shape, suffering only minor injuries. The major casualty of the season came last Thursday when Melvin Passolt, slated as a regular at left guard, suffered a back injury. He will be out indefinitely.

Women's Volleyball Opens at Gerlinger Today at 4 o'Clock

Plans for the women's interhouse volleyball tournament will get underway this afternoon with WAA representatives meeting at 4 o'clock in the women's lounge of Gerlinger hall, Jane Bogue, volleyball chairman, announced yesterday.

This year the best players from each house team will be selected to form an honorary team. Members of this team will receive a half check toward their WAA letter. To get a WAA check, girls must participate in two practices and in all but one interhouse game.

Volleyball practice will start this Wednesday at 5 p. m. and continue for two weeks before the tournament opens. During the play-offs, no games will be sched-

Donut Football Will Open Wednesday

Four Games Are Scheduled For First Afternoon; 24 Teams in Leagues

Touch football opens the intramural sports season tomorrow afternoon at 4 o'clock on the intramural fields, with four games on the docket for the first eliminations.

Two fields have been marked out and the first afternoon's competition brings together the Chi Psis and the Deltas on one field, while the Sig Eps oppose the Theta Chis on the other. At 5 p. m. the Sigma Nus meet the Fijis, and Sigma Chi and SAE battle it out on the adjacent field.

A round-robin tournament is in effect with the 24 teams divided into four leagues of six teams each. The league winners will be determined on a percentage basis with the four top teams holding a playoff to determine the championship after the schedule is completed.

Intramural activities are under the direction of the department of physical education, with Mr. Washke in direct charge. Mr. Boushey is the supervisor, with Russ Cutler, Mike Hoyman and Nephi Jorgenson as assistants. Intramural managers have been appointed for each team from the different houses and living groups.

There is no charge for these games and all students are urged to attend. Used for Monday afternoons. This time will be open for practice. Announcement of the tournament schedule will be made in a few days.

Varsity Squad Returns From Trojan Struggle

Stanford Next on Duck Slate; Joe Huston and Bud Goodin Injured For Entire Season

A hard-fighting, crippled band of Webfoot grid warriors returned to Eugene early yesterday morning from Los Angeles after absorbing a 26-0 licking at the hands of the rejuvenated Southern California Trojans. Instead of the expected attitude of discouragement, the Ducks brought back a very optimistic outlook towards the future as a result of the great game put up by the Northerners up to the final nine minutes of play, when the men of Troy rushed over 19 points.

An internal blow was dealt the Webfoot squad with the injury of Bud Goodin and Joe Huston. Both men probably will be out for the season.

History Repeats

If coincidents mean anything, the Oregon squad may yet have a truly great season. The 26-0 defeat was the identical score by which

the best Oregon team in recent history, the 1933 squad, was overcome in Los Angeles.

After staving off the vaunted Trojan attack for the first half, the Ducks weakened a few minutes in the first part of the third period to allow a single touchdown. The score remained 7-0 until nine minutes before the last gun, when the Trojans capitalized on an Oregon fumble and used a few passes effectively to run the count to 26-0.

Outstanding for Oregon were Captain Del Bjork and sophomore Nello Giovannini, whose stalwart line play may earn him a regular berth.

While '17 waited, '37 talks

WHEN the class of 1917 was at college, a long distance telephone call took (on the average) more than ten minutes to be put through.

This time has been whittled down gradually, so that now the connection is made in an average of 1.4 minutes—nine out of ten of them while you hold the line.

But this is only one phase of the relentless effort to improve. Your service is better today because voice transmission is clearer—interruptions and errors less frequent than ever before.

America demands fast but sure telephone service—and gets it.

College men and women find after 7 P. M. a convenient time for long distance calling. Moreover, most rates are lowest then.

BELL TELEPHONE SYSTEM

Convenient Modern Reasonable

• Accessible to Eugene's stores and to the University of Oregon campus.

• Modern in make-up and management.

• Service that bows gracefully to the whims of those it serves . . . and the appeal of less than "top" hotel rates.
