

THE Firing Line

By PAT FRIZZELL

It wasn't only a jinx that made Oregon's football team so thoroughly outplay Washington's Pasadena-bound Huskies at Multnomah stadium. The Webfoots played really inspired football and, on the face of things, deserved to win.

The vaunted Huskies recovered a fumble deep in Oregon territory in the first quarter and looked mighty sweet in punching the leather into touchdown soil in jig time. But after that it was all Oregon. Speculation was rife around the Igloo yesterday as to just what Washington could have or would have done if the Webfoots had tied it up on one of their four big chances.

Could the Huskies have opened up an offense which would have demonstrated their superiority? Nobody can say, for Prink Callison's fighting crew never got the scores it undeniably earned. From this corner, it looked as if Washington would have had a very hard time saving that ball game had the Webfoots taken over that last little inch of territory.

Washington didn't use many plays, and some statistics don't tell the story. The writer isn't so sure. The Huskies showed a strong line, and, for one brief span, a clever backfield. They were good. But Oregon, with seven sophomores playing most of the game, outplayed them almost all the way.

The Huskies had the experience and the ballyhoo. The Webfoot sophomores had the spirit, the fight, the fire, and the better of everything save the score. When a team piles up 196 yards from scrimmage and passes to only 98—just half as much—for its opponent—that team has outplayed its foe.

Those are the yardage figures for Saturday—two to one for Oregon. And it wasn't all just passes. The Webfoots outgained the Huskies on the ground, rolling up 89 yards to 87. Washington lost 30 yards from scrimmage and Oregon only 19. Oregon piled up 10 first downs to only 4 for the Huskies, and first downs from scrimmage were in Webfoot favor, 4 to 3.

Maybe you don't like statistics. Perhaps you're one of those cynics who growl "Aw, they pay off on touchdowns." But when you hash over a football game, when you measure that game and the teams in it with other games and other teams, you look at the statistics.

All right, forget the figures. If you saw that struggle out there on the turfless gridiron Saturday you'll agree, I think, that the Webfoots did more than anyone expected or hoped of them. You'll admit that Oregon's line got the jump on Washington's and outplayed the heavy and veteran Husky forwards all the way. And you'll have to admit that a good three quarters of the game was played deep in Washington territory.

The second half netted the touted charges of Jimmy Phelan minus yardage. Perhaps they weren't opening up with their full bag of tricks. Probably they were saving them for the Rose Bowl. But they came precious near not needing any tricks for the Rose Bowl.

The fans liked Oregon's football team Saturday. It gave them color. All the kicks about lackluster performances against Idaho and Washington State in games in which the Webfoot youngsters were merely feeling their way and doing a good job of it, fell away into the background. You don't hear 'em any more.

Spectators like passing. They saw it Saturday. They saw Dave Gammon, a sophomore just turned 19, working at a new position, left half, and they saw him pass in brilliant fashion. They watched him put the ball where receivers could get it and in a position in

Oregon Gridders Preparing For UCLA Game Saturday

Donut Football League Ended; Playoffs Start

Betas Down Theta Chis; Sigma Chis Win Top Spot by Conquering Phi Delt Team

By RUSS ISELI

The last round of league play-offs yesterday saw the Betas beat the Theta Chis 7 to 0 in a close game. Delta Tau Delta beat the ATOs 6 to 0 and their league ended up in a tie, necessitating a play-off tomorrow between these two teams to decide the league winner.

Sigma Chi won their fifth game and the championship of their league, beating the Phi Delt 7 to 0. Sigma Nu and Sigma hall failed to appear for their game and it was called no contest.

Betas 7, Theta Chi 0

The Theta Chis and Betas engaged in a hot contest with each team fighting for the league championship. Both were previously undefeated and last night's game put the Betas at the top of their league by virtue of a 7 to 0 score. Both teams were passing effectively and the outcome of the game was in doubt until the final gun. Siegmund, of the Betas took a pass from Pavalunas and went over for a score early in the second half after a series of short passes put them in scoring territory. Duden converted for the victors.

Sigma Chi 7, Phi Delt 0

Gordon to Valley—the old pass combination clicked again, and the Sigma Chis came out with 7 points to the Phi Delt 0. Valley scored on a pass from Gordon early in the first half of the game and the Sigma Chis hung tenaciously to this slim lead the remainder of the game. The Phi Delt made a sustained drive in the second half that wasn't stopped until they reached the Sweethearts' 10 but they lacked the necessary drive to put the ball over.

Delta 6, ATO 0

The Delt beat the ATOs 6 to 0 to place both teams in a tie for first place in their league. The Delt had been defeated once in four games and the ATOs had won all of theirs before this game. The Delt victory placed both teams in a tie with four games won and one lost for each one. Neil Butler, Delt, was the big hero of the game when he intercepted a wild ATO pass early in the first half and

Figures Indicate Gain In Donut Participation

Paul R. Washke, professor of physical education, gave out figures recently to show that the number of intramural sports contestants has materially increased during the past few years, except for the present time when interclass and interhouse activities have been curtailed while the new gym is under construction.

"Instead of the usual fall program consisting of softball, volleyball, swimming, and water polo, we have filled numerous requests and added touch football along with cross country and Sigma Psi decathlon. This program is to take the place of the lack of gym facilities until the beginning of the winter term," he explained.

During the school year ending in 1933, there were 800 men out of the 1280 enrolled in the school who participated—making 62 per cent; in 1934, 749 out of 1181, or 63 per cent; in 1935, 927 out of 1427, or 65 per cent; and in 1936, 820 out of 1505, or 54.5 per cent. Thus the past year has seen a decrease of 9.5 per cent in participation over 1934-1935, but it is thought that touch football together with the new gym space will raise this percentage higher than in any past year, according to Professor Washke.

In regard to the value of intramurals and organized gym work, Professor Washke stated, "Intramural sports have a definite place in every college physical education program. Each program should be made up of three distinct and yet closely related parts: the regular scheduled physical education classes, which teach the fundamentals of sports practical for recreation in later life; voluntary intramural athletics in which the student practices and puts to use the techniques taught in scheduled classes; and the varsity sports program for those who prove themselves good in intramurals. Thus, a ladder is made of these different programs."

Mr. Washke points out the biggest difficulty facing the intramural sports directors, at this time, is not the lack of student interest, nor a lack of gym facilities,

Four Ducklings On Injury List

Squad Weakened by Loss of Backfield Quartet; Outlook Gloomy

Hopes of a fresh victory over the Washington Babes in Seattle on Saturday, have taken a gloomy outlook this week, with four of the team's main backfield threats still out of the lineup with leg injuries. All of the quartet may not be sufficiently recovered to get into the clash, according to Coach "Honest John" Warren.

Warren is working his team this week minus two good fullbacks, Paul Rowe and Frank Emmons, and without a couple of his star halfbacks, Jay Graybeal and Bill Rach. Emmons and Graybeal are out with sprained ankles, and others are both suffering with knee injuries.

Rach Still Out

Rach, stocky right half, was out all of last week with torn cartilages in his left knee, and it is doubtful whether he will be fully recovered by Saturday. Rowe, the team's hard driving fullback, is still on the shelf with his knee injury suffered in the rook game.

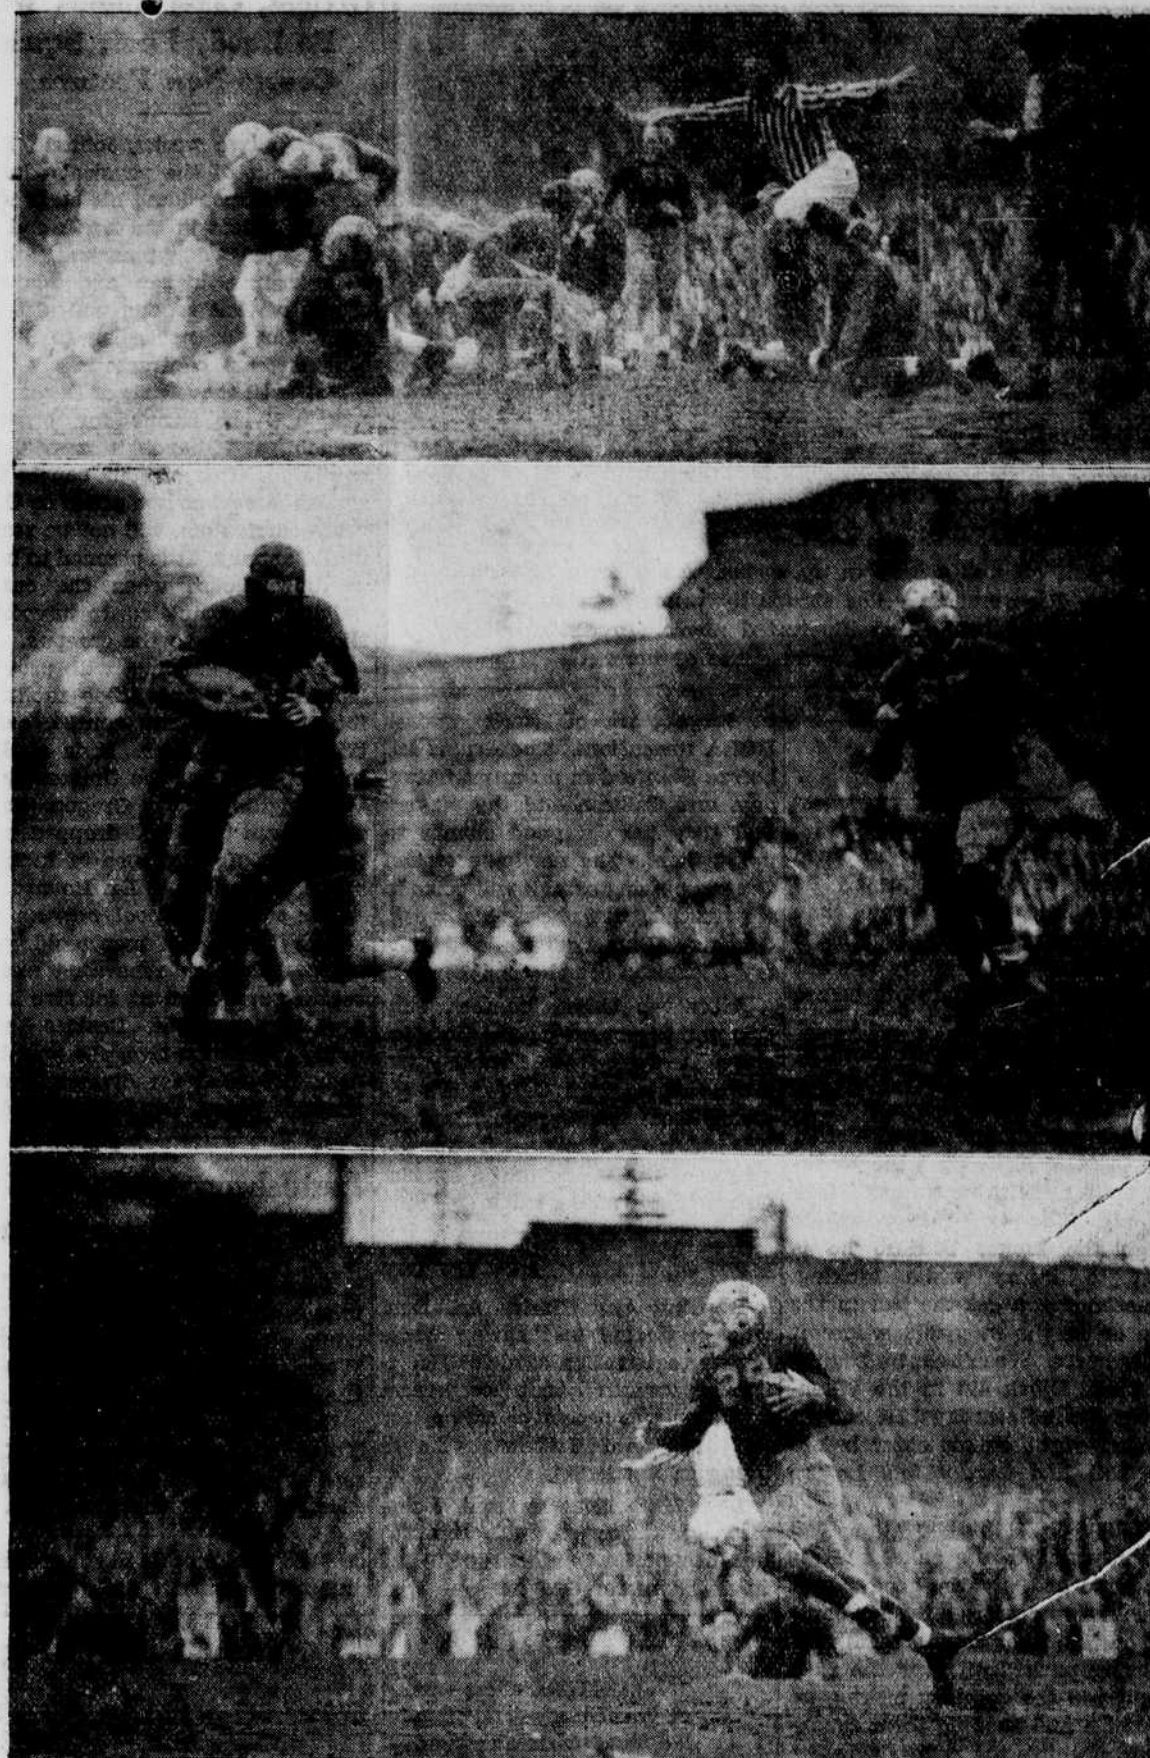

A capable group of backfield reserves are on hand to fill in the vacant spots should the injured fail to recover in time for the Babe game. Connie Grabb, recent improvement at fullback, stands ready to hold down that post should Rowe and Emmons fail to get back. Dennis Donovan can take care of the quarterback position. At the halfback positions a trio of Smith's—Bob, Robert R. and Floyd—are prepared for action.

Scrimmage Super Varsity

The frosh gridgers scrimmaged Callison's super varsity last night, and will wind up regular preparations on Wednesday. The squad leaves for Seattle on Friday. It will be a grand opportunity for Coach Warren's men to avenge that 7 to 0 defeat suffered by Oregon's Webfoots at the hands of Jimmy Phelan's mighty Husky team in Portland last Saturday.

slipped through the entire field for a 70-yard run and a touchdown. Butler failed to convert and the score remained 6 to 0 for the remainder of the game. Sigma hall failed to show for their game with Sigma Nu and the Sigma Nus only had six men ready to play so their game was called no contest.

When Oregon Outplayed Huskies

At the top is Dave Gammon, sophomore Duck back, ripping through the center of the Husky line. Below is Bob Braddock, catching one of Oregon's eight completed passes. Below is Haines returning an Oregon punt.

From the Inside

By CECE WALDEN

Oregon's jinx broken, we wonder? The team doesn't think so, and I don't think a lot of the public believes that it is. The score was in favor of Washington, but it is a cinch that the Webfoots won a moral victory. This game has definitely instilled a great deal of confidence in the Ducks. They gained that confidence which a team gains after they have shown the public as well as themselves that they can play a superior brand of ball.

Teammates haven't been able to figure out yet how it was that Ed Farrar was able to have a birthday a few days ago and not go through the usual ritual that accompanies a birthday. Maybe Ed knows the secret of it but he certainly hasn't told anyone yet. After the game in Portland Saturday, it seems that someone was kind enough to treat him to a turkey dinner, so he re-

Frosh Gridmen

By MORRIE HENDERSON

Gerald Graybeal from the round-up city of Pendleton, is the spark plug of the frosh backfield. Jay is small compared to some of the other hefty frosh backs. He weighs only 158 pounds but more than makes up for his lack of weight in shiftiness in the open field. Graybeal has been outstanding in all the frosh games so far this season.

Robert I. Smith, one of the Smith boys in the frosh backfield, hails from Medford, Oregon. Robert plays right half and is an excellent passer. He makes a fine running-mate for Graybeal as he is a very clever back.

Robert I. Smith weighs 188 pounds and is an even six feet tall.

afternoon, and Hendricks will play Gamma Phi. Last Thursday Alpha Delta Pi defeated Chi Omega, 41-19. Orides swamped Alpha Xi Delta, 55-17. Referees were J. Misely and T. Nakajima.

Varsity Sketches

By MORRIE HENDERSON

LEIF JACOBSEN "Most of the fellows I played football with at Jefferson high in Portland are at other schools, other than University of Oregon, and they all seem to be making good."

Leif Jacobsen, two hundred pound end for the Ducks, said, "There was the famous Bobby Grayson, who went to Stanford, Roger Dougherty, who is a starting back for the Washington State Cougars, and Ray Woodman, now playing for our rivals, the Oregon State Beavers. We had good teams those years with Grayson the star. One season, his last, he scored 96 points."

Jacobsen is a junior now and made his letter last year as an understudy for Budd Jones. This year the soft-spoken Norwegian started out like a million dollars but ran into some tough luck in the Southern Cal game. He was clipped by one of the Trojans and

Sigma Chis Meet Betas in Playoff

Yeomen Meet Winner of Delt-ATO Game; Champ Game Set for Thursday

Semi-finals in the league play-offs for the intramural touch football championship begin at 4 o'clock tonight with the Sigma Chis meeting the Betas in the first game. The Delt and ATOs are tied for the championship of their league and will play at 4 o'clock tonight to decide who will meet the Yeomen in the semi-finals.

The Yeomen won the championship of their league winning five games and losing none. They beat Canard hall, Sigma Nu, the Samies, Sigma hall, and the Fijis. The Betas also won their league championship with an unblemished record. The Kappa Sigs, Omega hall, Sig Eps, Gamma hall, and Theta Chis all fell before the Beta team. Sigma Chi finished undefeated, beating SAE, Alpha hall, Phi Psi, DU, and the Phi Delt teams.

Delts Good

The Delt were beaten by the Chi Psi in their first start but took their remaining four games to tie for the league championship. After the bad start they beat Zeta hall, Phi Sigma Kappa, Campbell co-op, and Alpha Tau Omega. The ATOs lost their last game to the Delt after winning from Campbell co-op, Phi Sigma Kappa, Chi Psi, and Zeta hall.

A playoff will be held tonight between these two teams and the winner will play the Yeomen in the semi-finals. This game will be played tomorrow night.

The winner of the Sigma Chi-Beta game meets the winner of the Yeomen game Thursday afternoon for the championship of all the leagues.

Women's Teams To Be Selected For Tournament

Class teams in women's hockey will be selected today, and will hold practices this week in preparation for the interclass tournament which begins next Tuesday.

All girls who wish to play in the tournament are asked to turn out this week, in order that class managers may choose their teams. Those working for WAA checks must play in all but one tournament game, and must have attended at least two practices each week. Any others who wish to play may turn out for class teams, although they have not been attending practices regularly.

Combining with Gammon to form a passing combination was Sophomore John Yerby, who has been improving rapidly all season. The Webfoot coaches are counting upon Yerby for plenty of service in the three games to come.

Big Jean Lacau, 203-pound sophomore fullback, turned in his best game of the season. Hank Nilsen and Nello Giovanini were outstanding sophomores in the line.

Ducks Have Chances

The Webfoot forward wall got the jump on the touted Husky line through most of Saturday's game.
