Lemon-Aid

By JOHN PINK

As they say, "tonight is the night." And there is not much that we of the dear old Universitas can do about it but resort to the diet.

On any other occasion the average Oregon Stater is considered to be half chested, low-browed, illiterate, "snooze" chewing brush ape.

But now, oh Beavers, you too wonderful, handsome broad shouldered, Adonis like creatures, won't you please go out there and chew 'em up, mangle them, do anything to them you want to, but eat them.

Yessir the Beavers are the team. Our heroes. Any time any Oregon student mentions the name Beaver today, bow your head, remove your hat, put your hand over your heart, and stand for one minute—silent.

For the Beavers—great school that Beaver institution—have our future in their ever so nice hands. Everyone that is able should make an excursion up to Corvallis tonight and cheer them on.

Too late to classify: Down in California they are calling Hank Luisetti, Mr. Stanford, which is very o.k. too. . . The farmer takes a wife—Wally Palmberg, the ex-Oregon Stater is now married. . . Billy Reinhart's George Washington beat Army 33 to 29 Wednesday night. . . Wotta team that Oregon State has. . . Wotta team. . . Yowsah!

Duckling Tilt At Wendling Is Cancelled

Warren's Hoopers Close Quiet Week in Helping Varsity Prepare for Washington Games

The Duckling tilt scheduled for last night at Wendling against the strong Wendling Cardinals, independent team, was cancelled yesterday.

The two quintets clashed earlier this season with the Wendling Townies nosing out a 44 to 43 last second win over Honest John Warren's floor hoopers. It was their only defeat in seven contests this season.

Calling the game off by no means meant a rest for Oregon's freshmen as they went into a long practice game against Coach Howard Hobson's varsity Ducks yesterday afternoon.

In practically an hour of fatiguing scrimmage, the Webfoots had rolled up over 90 points to near 55 points for the scrappy frosh.

Ted Sarpola, dead-eye Duckling forward, rolled 14 points into the hoop in the first half, and added another four early in the third period before leaving the fray.

John Dick, center, was another freshman ringing the bell for John Warren's yearling squad. The frosh held the score down in earlier minutes of the practice, but with Slim Wintermute, towering Webfoot center, consistently controlling the tip-off, fell gradually behind.

The Ducklings will scrimmage against the varsity again this afternoon, helping Howard Hobson's Ducks prepare for their all-important two game series against Washington, which is set for Monday and Tuesday nights.

Negotiations for a Saturday night tilt between the Ducklings and a Marshfield independent team are apparently unsuccessful. Coach Warren is lining up a game for early next week against the Signal Oilers or Rubenstein's of Eugene.

The team will also probably play the strong St. Helens high school hoopers later in the season.

Fencers to Hold Campus Tourney

An all-campus fencing tournament is in the process of being made up. Up to date there are only nine signed up. It is the hope of the PE department that enough interest will be shown to make the proposed tournament a success.

All members of fencing classes may participate, and the more there are the more interesting the event will be. The advance fencing class will hold a tournament with Eugene high soon.

Seven Teams Undefeated in Donut Leagues

Abba Dabbas, Phi Delt, ATOs, Betas, Fijis A League Champs; Phi Delt, SPEs Top B's

Five teams have gone through their schedules in the intramural A league without defeat, and as champions of their respective divisions will open play-off games on Monday of next week.

Winners are the Phi Delt, Abba Dabbas, ATOs, Betas, and the Fijis. The former two chalked up five straight wins in divisions I and II.

The ATOs and the Betas, playing in five team leagues, won four in a row to take titles III and IV. The Fijis in winning the division V championship had to take but three games in a row to turn the trick.

Play in the Donut B league is also in the advanced stages, with three teams already crowned in their divisions, and but single games needed to swing the championship in three other.

The Phi Delta Theta B team swept through its three game schedule without a loss to take league I honors. The ATO B hoopers won their game against the Fiji B team yesterday to annex the division II title.

In league three it was the Sigma Phi Epsilon B quintet that came though unbeaten after taking a game crew of Kappa Sigs.

There are four undefeated teams in the remaining three divisions still battling for honors. The Beta B team in division IV is apparently in with two victories.

B teams from the SAEs and the Theta Chis, both holding two wins and no losses are slated to clash for the division V play-off berth.

The Yeoman B quintet, the only unbeaten team in league VI need but one more win over the Phi Kappa Alpha hoopers to earn a top position.

Orangemen and Huskies To Meet At OSC Tonight

Gill's Men Gunning for First Conference Win; Huskies Undefeated in Season's Play

Oregon State's much beaten Beavers will attempt to climb out of the conference cellar position tonight at Corvallis, when they meet Washington's unbeaten Huskies for the third time. In the two previous games the Huskies have come out on top with comfortable margins.

Hopes in the Beaver camp shot upward yesterday with the return of Elmer Kolberg, regular guard who had been out with an infected leg. It was indicated that he would be in shape for tonight's game.

Coach Slat's Gill has been trying out several different combinations in practice and fans might see an entirely revamped lineup in tonight's game.

The two teams will play again tomorrow night and then the Huskies travel to Eugene to meet Oregon's Ducks in a two-game series on Monday and Tuesday nights.

Reports from the Husky camp indicate that Hec Edmundson has been drilling his men on shorter shots, and will have his players refrain from their usual system of casting off from every angle.
