Lemon-Aid

By JOHN PINK

Regardless of whether the Huskies mangle the Beavers or the Beavers strangle the Huskies, or they split their double bill, this week-end at Corvallis, the fact still remains that those self-same galloping northerners come down to this little city on the mill race to do tricks with Howard Hobson's nine-day rested, second-place, dashing Ducks on Monday and Tuesday nights.

The muchly battered, by their inland empire trip, Webfoots have been working in earnest for the coming crucial series. Bobby Anet, the hard driving sophomore, who was suffering from an attack of flu earlier in the week, is now back in harness and this news comes as heart balm to a chorus girl—for it seems to this one that much of Hobson's fast breaking attack is built around the dashing Anet.

As was said before, regardless of the outcome of the Husky-Beaver series, the Ducks will have to do no worse than break even with the powerhouse Huskies in order to keep their hands in the old gravy bowl. For with two losses already, dropping two of Hec Edmundson's warriors will put them on the very precipice as it were. But dumping the Huskies once or twice—making people in general around here go completely nuts—would put an entirely new light on the championship complexion.

For the Huskies have just started to hoe their championship row. They still have a four game series with the not to be forgotten Cougars of Washington State. And those Cougars are plenty tough, and they are quintuply tough against their brother state institution. And if records of the past can throw any light on the present situation, these Cougars can be counted on to do something to the Huskies when everyone else has failed.

But to get back to this series on Monday and Tuesday night next. It's going to be a tough one. No doubt of that. There is some comment of how tired, bruised and battered the poor Huskies are going to be after Oregon State gets through with them. And, after those two tough games how weary, wan and worn the poor fellows are going to look. But don't forget those boys of Edmundson's are for the most part veteran campaigners. They've been through these four game in five night stands before.

Four of Edmundson's starters are hold-overs from last year's championship quintet. Three, Bob Egge, Chuck Wagner and Ed Lovrich played on the team that went farther than any other college quintet in the Olympic cage tryouts. Of the other two starters, Jack Gannon and Dick Voelker, Gannon was a reserve last season, and Voelker is the only one who may be called an experienced man, being a sophomore. And what's more these boys have the smell of victory meat sweet in their nostrils, and they aren't going to let a little matter of four games in five nights bother them.

But disregarding all the blather in the preceding paragraphs if anyone had the edge as far as condition, and mental outlook is concerned, the Ducks take the nod. For they have had nine days of good soul-satisfying rest. Time to brood. To think. More—to point for one opponent. While the Huskies have had to cross their eyes so to speak. They have had to point for both Oregon and Oregon State. They haven't been able to let themselves go, and stew over one series, because if they did that the team they forgot to stew about would probably up and bite them in the seat of the slacks.

So if you haven't gathered it yet there is going to be two basketball games here Monday and Tuesday nights that will need the support of every person on the campus, in Eugene, in Oregon, even in Scappoose if the Ducks are going to come out on top.

Imaginative note: "I'm sorry, students, but there will be no assignment for tomorrow because I know you are all thinking of the game tonight, and I don't want to clutter up your mind, or mine either." Wotta an imagination.

Beta B Hoop Team Wins Section Title; Phi Sigs Defeated

SPEs Win Over Omegas 14-8 in Tough Battle; Sigma Hall Trounces DU Team 13-4

By ELBERT HAWKINS Completely snowing their opponents under with a shower of field goals, the classy Beta Theta Pi B quintet rolled up a 22 to 4 score on Phi Sigma Kappa's B team in an abbreviated intramural game yesterday.

To the Beta team went first place honors in division V of the donut B league. It was their third consecutive win.

Behind ball hawking Dale Lasselle, Beta guard, and his running mate Irving Walcott, the winners piled up a 10 to 2 first half lead, and were ahead 22 to 4 midway in the last session when the game was called due to a shortage of time.

The first quarter score was 10 to 1, but the Betas went into an erratic streak and were outscored 1 to 0 in the second six minutes by the scrappy Phi Sigs.

Roger Conrad, Beta center, opened scoring with a neat basket from close in, and the driving Lasselle followed him seconds later with dribble-in shot. Walcott countered on a pivot shot, and back came Lasselle with another crippling making it 8 to 0.

From then on the more inexperienced Phi Sigs were unable to cope with the Betas. They penetrated the Beta defense for but one field goal during the game, and that was a one-hander by Krueger, Phi Sig center, who connected from out past the foul line in the second half.

Walcott and Lasselle took high honors for the game, with 8 and 6 respectively.

It was a hard checking battle throughout, the SPEs winning mainly on a little smoother floor game. The teams were both using deliberate offenses, getting most of the buckets from close in.

The game opened in a tight manner, the teams racing up and down without connecting. Reginato finally holed a rebound for the SPEs after four minutes of play. Al Long, SPE forward, added a free throw to make it 3-0, but Johnny Rutz, Omega hall center countered with a hook shot to close the gap.

Reginato tallied again on an overhead shot, and followed it with a gift shot to make the half time count 6 to 0. Rex Cooper and Ben Russell added field goals in the third period to make it 11 to 2, virtually clinching the game.

Abba Dabba B Defeats Zeta B 17-13; Sigma Xi Beats Omega Team In Other B Tilt, 18-6

By MORRIE HENDERSON Jumping into an early lead and then staving off a determined Zeta Hall quintet in the last quarter, the Abba Dabba B team managed to finish on top by a score of 17 to 13 in the unusually rough intramural game.

In the first half, neither team was able to make a field goal, and only four free throws were sunk by the Abba Dabbas to put them in the lead, 4 to 0. A total of twelve fouls were called in the first ten minutes of play, Zeta Hall being the chief offenders with nine personals.

Watt Naylor scored the first field goal of the game in the opening play of the second half, when he took the tip-off, and dribbled down the center to score single-handed. Zeta Hall came to life late in the third quarter to score their first points on Phil Jonsrud's field goal and free throw.

With the score 15 to 3 against them at the start of the fourth quarter, the hall boys began working their tip-off plays to perfection and scored ten points in the last four minutes to come within four points of the Abba Dabbas. Jerry Cameron and Jonsrud led the belated attack for Zeta Hall.

Referees—Campbell and Long. Sigma Chi B 18, Omega Hall B 9 The Sigma Chi B team, coming back from their defeat at the hands of the Beta B team last Friday, overwhelmed a helpless Omega Hall team by a score of 18 to 6.

Led by Johnny Breckenridge who scored 7 points, the winners ran up a score of 11 to 2 at the end of the first half. The Omega's only score was an unconscious swisher by Bernard Kliks as the half ended.

The second half was more even only because the Sigma Chi's second team was playing most of the game.

Kliks, making three impossible shots from far out on the court, scored all of Omega's points. Breckenridge was high point man for the Sigma Chi's with nine.

Duck Gridders Meet Fordham Rams in 1938

Contest Is Scheduled for Oct. 22, in New York; Webfoots Beat N.Y.U. in 1931 Trip East

The University of Oregon football team will meet the Fordham Rams in New York, on October 22, 1938, it was revealed yesterday after a special meeting of the athletic board.

The game has been hanging in the fire for several days and needed only approval of the athletic board to make the date definite.

This contest will mark the second time that a University of Oregon team has travelled east to New York to play an inter-sectional contest. In 1931 the Webfoots defeated New York university 14-6, in a game played at the Polo Grounds. This game was a surprise to the gridiron world.

Play, Arizona This is the second inter-sectional contest lined up for the Ducks in the next two seasons. The Webfoots meet the University of Arizona next season in a post-season clash on December 4, in Tucson, Arizona.

Janet Smith Will See Employers

Miss Janet Smith, employment secretary, will go to Portland Monday, February 1, to interview employers concerning positions for graduate students and students who are not attending the University at present.

The permanent placement bureau has become well known throughout the state by employers and as a result there are many requests for Oregon students to fill positions.

Since the establishment of this bureau a short time before the first of the year more than 100 Oregon students have received jobs through it.

Dr. Wood Talks To Sociologists On TVA Project

Dr. Louis A. Wood, professor of economics, described the TVA project with particular reference to the model village at Norris, Tennessee, in his talk at the Alpha Kappa Delta meeting, Thursday evening in the women's lounge of Gerlinger hall.

All the property in this experimental city is government-owned and built with particular attention to electrical appliances, according to Dr. Wood. It is a model of cleanliness and labor-saving devices, he said.

Electrical power rates are much lower than the average rate of the United States, and can be compared favorably with those of Eugene, said Dr. Wood. Dr. Wood has recently returned from a trip to the TVA region.

ner on the return trip. Passengers may take their own lunch if so desired and get coffee in the diner. Tickets are available at the ASUO office on the campus for \$2. Everyone is asked to have identification tags on all equipment that will go in the baggage car.

A pep band will play for the singing on the trip home. Featured during the day will be a softball game and a tug-of-war, both of which will be played on skis.

Baby Ducklings Tune Up Varsity

Frosh Help Hobson's Duck Quintet Prepare for the Washington Series

John Warren's hard-working Ducklings went through their second long scrimmage session of the week against the varsity yesterday afternoon, and will repeat the performance again today.

In 50 long minutes of practice, the frosh were again outscored by their big brothers, but showed more of a defense than on the previous day. Their scoring went down likewise, as the Webfoot defense began to tighten up.

Coach Warren started his regular crew, but during the course of the practice ran in a string of reserves. Ted Sarpola and Bobby Blenkinsop, forwards; John Dick, center; and Matt Pavalunas and Stan Short of the first string saw a lot of action.

Little George Jackson, fiery guard, got into the fray for a while and showed up well. Wimpy Quinn and Al Krietz were another pair of Duckling reserves to see action against the varsity.

Crosbie Takes Heated Donut Scoring Race

Unofficial Scoring Lists Credit Phi Delt A with 34 Points; Three Tie for Second

Bill Crosbie, diminutive Phi Delt forward, with 34 points in four games, won the A league intramural scoring race by a two point margin over three other competitors after a heated fight, according to unofficial figures.

Jay Graybeal, ATO forward, who had previously held undisputed second position, was tied at the 32 point mark by Jake Fisher, Yeoman dead-eye, and Ed Jacobs, of the undefeated Abba Dabbas.

Crosbie's scoring average for the four games was an even 8.5 points per contest. Graybeal, who tallied his 32 points in only three games, led the pack with 10.6 average.

Fisher got his tallies in four games and Jacobs chalked his up in five contests.

Behind the four leaders, was Wilson Siegmund, Beta sharpshooter, who had a 29 point total. Stuart Marsee, Abba Dabba forward, trailed him in sixth place by one point.

Those scoring 22 points or over were: G Tp Bingo Crosbie, Phi Delt 4 34 Gerald Graybeal, ATO 3 32 Ed Jacobs, Abba Dabba 4 32 Jake Fisher, Yeomen 5 32 Wilson Siegmund, Beta 3 29 Stuart Marsee, Abba Dabba 4 28 Jean Lacau, Phi Psi 4 26 Fred Weber, Abba Dabba 5 26 Jack Dunn, ATO 3 25 Ed Stroehcker, Phi Delt 4 25 Pete Thorne, Gamma 5 25 Stan Hobson, Phi Sig 3 24 Kenny Webber, Delt 4 24 Ralph Anderson, Beta 3 22 Irwin Elder, Yeomen 4 22 Dick Hutchinson, Fiji 4 22

Orange Quintet Hands Huskies Initial Defeat

Beavers Stave Off Last Minute Rally to Dump Desperate Huskies in Hectic Melee

The Oregon State Beavers, battered and beaten in five previous conference starts, displayed a startling reversal of form last night, and toppled the previously undefeated Washington Huskies, 28-27, in a thrilling game on the Corvallis floor.

After a hard-fought, close-checking first half, the Beavers left the floor at intermission time with a 13-10 advantage.

Orange Off Early Completely overshadowing the Huskies at the start of the second period the determined Orangemen sifted through the Washington defense to lead 24-12 about midway in the second canto.

At this point the desperate Huskies began to find their eye, and in furious determination ran the score to 28-27 with but five seconds remaining to play. With a chance to cop the ball game by getting the ball from the tip-off, the Husky hopes were dashed when the Staters grabbed the ball, and kept it until the gun sounded.

Third Game This was the third game in their four game series. The Huskies won the previous two played in Seattle. The Huskies play in Corvallis again tomorrow night, and then travel to Eugene where they meet the University of Oregon on Monday and Tuesday nights.

California City Head Will Attend League Meeting

Among the notables who will participate in the Commonwealth conference and annual convention of the league of Oregon cities on the campus, March 18 and 19, is Hollis R. Thompson, city manager of Berkeley, California, according to word received yesterday by Herman Kehrl, director of the bureau of municipal research and executive secretary of the league. Mr. Thompson will deliver the principal address at the league banquet.

The city of Berkeley is often called the "best governed city of the west."

In addition to the banquet address on Thursday evening, Mr. Thompson will participate in the discussions of the league convention and the Commonwealth conference on Friday.

The banquet speaker at the annual conference banquet on Friday evening will be John G. Winant, ex-governor of New Hampshire and chairman of the social security board.

Determined Ducks Waiting for Chance At Leading Huskies

Eight Teams Win Handball Openers

Starting Field of 26 Teams Slashed by Eight at End Of First Week's Play

Eight teams marched unbeaten through their opening games in the intramural handball tournament which opened Tuesday afternoon. A total of 26 teams are competing for honors.

Yesterday in the fourth day of play, Phi Delta Theta's four-man team whitewashed Sigma Nu's quartet, 30 to 0, and the Delta Tau Delta handballers took a 2 to 1 decision over the Chi Psis.

The tourney is being run off on a single elimination basis, two singles and one doubles match being played in each meeting. Four different men must be used by each team as the matches are run off simultaneously.

In the opening matches Tuesday afternoon, Alpha Tau Omega trimmed the Pi Kappa Alpha team, and Theta Chi spilled Gamma hall. Beta Theta Pi, Alpha hall, Sigma Chi, and the Yeomen turned in four other victories during the week's play.

The Beta team nosed out a 2 to 1 triumph over the Kappa Sigs, and Alpha hall's handball team won by the same count over a gang of Phi Sigs.

Sigma Chi's handball artists swamped Canard hall, 3 to 0, in one of Thursday's games, and the Yeomen beat Phi Kappa Psi's ball bouncers.

Second Win of Week Is Posted Over Duckling Quintet; Defense Is Much Better

Another high-scoring scrimmage victory over the freshmen was posted yesterday afternoon by Howard Hobson's hard-fighting Oregon hoop squad. The margin of victory was not quite as much as it was the previous night, with the defense functioning better.

Sophomores Bobby Anet and Laddie Gale who have missed most of the recent practice were in suit again yesterday, and may be in condition to take part in the coming engagements with the University of Washington Monday and Tuesday nights.

Oregon State's win over Washington last night both heightens and lessens the Ducks' chances against the Huskies. By losing that game, Hec Edmundson's men will be just that much harder to beat when they arrive in Eugene.

Oregon's lineup against the Huskies probably will include sophomore Wally Johansen and big Dave Silver, league-leading scorer, at forward. Slim Wintermute, another sophomore, will hold down the pivot duties, while a third first year man, Bob Anet, if he is physically able, will team with Ken Purdy at guard. Johnny Lewis is a likely candidate to open at forward in place of Johansen.

Washington's veteran lineup includes Ed Lovrich and Chuck Wagner, both three years regulars at forwards, Voelker, sophomore star, at center, and Jack Gannon and Bob Egge, both three-year letter winners, will hold down guard assignments.
