

PINK Lemon-Aid

By JOHN PINK

The spring sports starved Samuel Fare will get his fill of athletic fare here this Saturday afternoon...

The main event of the three ring show that will be presented is the opening conference baseball game between the much rained-upon Webfoots and the atmospherically likewise Beavers of Oregon State...

And this is only the beginning folks for down on the practice gridiron Prince Gary Callison, will be chasing his spring football stalwarts through a scrimmage game...

For the traditional color, flag waving, band playing, and all the stuff that makes the heart skip and trip, I would recommend the baseball game, for, if childhood memory is accurate, there is nothing like old hokum of playing around the field...

Not only that but there will be the usual array of prizes for the first player to hit a ball, to fan out, to wave at his girl, to do this and to do that...

But just as much of the old "drahma" will be hovering around Hayward field when the Civil War of the cinders gets under way...

And as a preliminary to all this, the freshman cider-beaters will be hosts to Albany, Corvallis, Eugene and University high schools in a five way meet on Friday afternoon...

One thing is certain. No matter which event you take in on Saturday, you're certain to miss out on some thrilling bit of sports work.

Oregon Baseballers Score Second Win Over Linfield

SAE Squeezes Softball Win Over Theta Chi

Alpha, Sammy, Omega, Fiji, Zeta Squads Get Victories; Sigma Nus Pounded by Omega

By BILL NORENE The SAEs were victorious in an old time pitchers' battle in which the Theta Chis were bested 3 to 1 as the result of a big third inning flare up when the winning runs were served.

Art Ebright was the SAEs big hero when he hit a home run in their big inning with Duke Hardisty and Bob Arnoldus on board with two already out...

The Theta Chis also garnered their run in the third inning when Howard Percy singled over second, advanced to third on Bob Street's bingle and scored a second later on another single by Paul Cushing.

Both Street and Hardisty pitched good ball with the former making the SAEs go eight successive outs from the last of the third until the first of the sixth without a hit.

Alpha Hall 10, Phi Psi 5 Alpha hall pounded out a decisive 10 to 5 victory over the Phi Psi yesterday to give the Phi Psi their third straight defeat.

Alpha had one big inning the third in which they scored five runs. Three of them were accounted for by Micky Chrones, who had a big day at bat with three doubles and a home run.

One of his doubles came in the first after Wines had again reached first. Wines scored on Micky's hit. Another came in the sixth after Ray Hiroshige and Wines had again reached first.

The Phi Psi started slowly, but pushed one run across in the third, two in the fourth and one in each the fifth and sixth innings.

Sammys 5, DU 4 Bill Jones struck out nine men in five innings, but the Sammys capitalized on walks and errors to win 5 to 4 yesterday.

The DUs scared two runs in both the first and last innings. In the first inning Bob Newlands opened with a single, Dave Silver reached first on an error, and both scored on Jones' double.

In the last inning Jones opened the fireworks with a hot drive to Marcy Horensteins mid-section which was too hot to handle.

The Sammys counted twice in the first when Willie Frager walked, took third on two passed balls, and scored when Louis Rotenberg reached first on an error.

They scored again in the third, and in the fourth put over two more tallies. With two out Milton Hostenstein walked and scored on Nathan Cohen's double.

Silverton, Frosh Contest 7-7 Tie

Game Called In Seventh Because of Rain; Tom Robertson Pitches

Jupe Phivius again laid his ban on baseball players and rained out the frosh game at Silverton after shining brightly all morning.

The game was called in the first half of the seventh inning with the score tied at 7 all. The game was a ding-dong battle all the way through with Silverton holding a lead of two runs for the first two innings.

Tom Robertson allowed Silverton eight hits, good for seven runs, and High, Silverton twirler, gave seven hits for seven runs.

Wimpy Quinn and Lyle Goode connected for triples and Jim Jones banged out a double. Score: R H E Silverton 7 7 6

Batteries: Frosh — Robertson, Garret and Kelly; Silverton—High and Simmons.

Omega Hall 12, Sigma Nu 4 Mercilessly pounding John Dugan and Ed Healy, Omega hall's shock troops led by Masu Kato, who hit two home runs in two innings, walloped the Sigma Nus 12 to 4.

Kato's first home run came in the first inning with Bob Kidder on first as the result of a force at second. His second came in the second inning after Dan Brennan, Morris Wilson, and John Rutz had all walked.

Wally Johansen of the Sigma Nus also hit a home run in the fourth inning with one on base. Ken Eichner and Dugan both hit singles to start the inning with Eichner scoring on a wild throw in.

Omega counted once in the fifth and three times in the sixth. Kidder, Omega chucker, had the game under control at all times, holding the seven man Sigma Nu team in the palm of his hand most of the time.

Fijis 6, Gamma Hall 5 A wild first inning in which the Fijis scored three runs spelled defeat for Gamma hall yesterday 6 to 5.

Hutchinson, Rankin, Keisenes, Holden, and Campbell got successive hits to tally the three runs.

The Fijis also pushed over one more in each the third, fourth and fifth innings.

Zeta Hall 10, Deltas 1 Zeta hall pounded out a 10 to 1 victory over the hapless Deltas yesterday in four innings in pounding Webber for eight runs in the third and fourth innings, while Forest Landeen held the Deltas scoreless except for the second inning when a single, two infield outs and another single counted for the Deltas.

Duck Golf Team Prepares For Trip

Regulars Win Challenges, Team Positions as Time Nears for Invasion

Practice rounds and challenge matches are being played this week among Oregon's varsity golfers, in preparation for their dual meets Friday and Saturday against College of Puget Sound and Washington university.

With Bill Stockton, No. 6, retaining his position in a challenge match with Louis Cook, reserve, the six regulars who have kept Oregon's record intact thus far this season are assured of making the trip north Thursday night.

Dave Hamley, former No. 5, accepted Stockton's challenge Monday, won 3 and 2, then grabbed No. 4 position for the weekend matches when he shoved Bill Watson back into his own spot in a challenge match Tuesday.

Assured of No. 1 position again is Sid Milligan, coach and captain, who turned back No. 2 Walt Cline's challenge with a two-under-par 3-hole round.

Team Positions Barring possible matches today, positions of the golfers in their weekend tilts will be as follows: Sid Milligan, No. 1; Walt Cline, No. 2; Doug Ramsey, No. 3; Dave Hamley, No. 4; Bill Watson, No. 5; and Bill Stockton, No. 6.

The Ducks play College of Puget Sound in Tacoma Friday, and the Huskies in Seattle the following day. Both matches will go the 36-hole route.

Track Squad Holds Trials For Carnival

Teams for Saturday's Event Unpicked Yet; Lloyd Rounding Into Last Year's Form

With time trials being held yesterday and some more of the same fare on the menu for today Colonel Bill Hayward is speedily whipping his varsity track squad into peak form for the Oregon-Oregon State relay carnival being held here Saturday.

After the trials today Hayward will probably begin easing up on the hard work and begin tapering off work.

There have been no definite teams chosen as yet but it is expected that the complete lineup will be announced within the next day or two.

In the sprint trials held yesterday Frank Lloyd, varsity sprint ace, was the class of short distance men. Lloyd is expected to be the mainstay of the squad in both sprints and broad jump.

Beavers Weak Not much is known of the strength of the Beaver team this year. Dave Shepard, veteran distance man is looked upon as one of the best in the Northwest.

In the shorter distances the Orange have Grant Teats, George Weldon and Russ Niblock. Like the Webfoots, the Lodell men are very weak in the hurdle events.

Deming Shotputs Leading the weight men are Ken Deming, giant footballer, and Ray Wagner, first class shot putters, and should give plenty of opposition to Oregon's Bill Foskett, Dutch Holland and Chan Bossett.

STUFF

Princeton and Long Island University are the top notch baseball teams in the East with 8 straight wins. . . There is going to be a big fight to see who gives in.

A colored freshman has enrolled at Marquette who high jumped 6 feet 6 inches last year at the Indiana state meet. . . Minnesota recently revealed an athletic income of \$7,000,000 over a period of 15 years.

Earl Averill, Cleveland outfield star, has adopted rookie outfielder Geoff Heath from Oregon as his roommate. . . Claudia Eckert, comely national swimming champion is a coed at Northwestern. . . Changes—Jack Weiserhauser, winner of the 440 yard dash in last year's Big Meet, is now Stanford's top sprinter.

Jack Gordon, Jim Nicholson and Gammon were the big sticks for the Webfoots, each poling out two bingles. Ralph Amato, Cliff McLean, Gale Smith and John Yerby came through with one hit each.

Wagner, first of whom are considered first class shot putters, and should give plenty of opposition to Oregon's Bill Foskett, Dutch Holland and Chan Bossett.

Damp Contest Taken 8 to 4 By Webfoots

Dave Gammon Garners First Win; Nicholson, Gordon Pole Out Two Bingles Each

Oregon made it two straight over Linfield yesterday on their home grounds behind the effective twirling of sophomore Dave Gammon who topped in a neat 8 to 4 win in his first full game of the season.

The game was played in a continual drizzle with a high wind that hampered both teams. Although Gammon gave out 9 hits he kept them well scattered, while his team mates bunched 11 hits into 8 runs.

Five Runs Oregon started with a five run deluge in the first inning, to send Pitcher Larsell to the showers, although he as well as the rest of the men were pretty damp from the onslaught of the elements.

The Ducks tallied twice in the sixth frame and finished up with one counter in the eighth, Linfield piled up two runs in the fourth inning and added one in the eighth, but could not meet the slants of Gammon consistently.

Linfield's battery was Larsell, Fletcher and Hippi, while for Oregon, Gammon and McLean, Crosbie furnished the power.
