

The Chatter Box

BY ELBERT HAWKINS

Three cheers for the class of 1940's athletic teams...

One of the first questions we encounter is whether the frosh teams have measured up to previous Oregon yearling aggregations...

Back of three freshman sports is Honest John Warren, former Astoria high mentor...

It is needless to say that Honest John came to Oregon last year with a winning background...

In the all-important Frosh-Rook battles to date, Oregon's Ducklings stand four to two over their rivals...

At the end of November they closed their season with four wins and only one loss...

A large group of varsity prospects were developed during the season by Coach Warren...

Oregon State's rooks were subdued twice in two terrific clashes, but they came back at the season's end...

Leading players were class prexy John Dick, center; Ted Sarpola, three times an all-state at Astoria...

There were others too such as Jimmy Jones, Wimpy Quinn, Al Kreitz, Paul Jackson, Burton Burroughs, and Lyle Goode...

Moving along to spring sports we find the record still incomplete, but present indications point to a highly successful program...

Several of the lads have consistently bettered times of Coach Hayward's varsity cindermen...

Kirman Storli, a quarter miler, and Bud Simmons, pole vaulter, are another duo of 1936 state pro champions...

Wimpy Quinn, slugging short-stop, should be another big factor in the team's success...

The frosh track season is not very far underway now, but the squad promises its best record in years...

As far as golf is concerned, our Baby Ducks are well equipped to take care of themselves...

Bill Sayles Pitches 9 to 0 Shutout Over Idaho Vandals

Duck Nine Maintains Conference Lead With Third Home Triumph

Big Bill Sayles, ace Webfoot speedball hurler, handcuffed and completely baffled a crew of fighting Idaho Vandals on Howe field yesterday afternoon...

He loosened up a bit in the last two frames, allowing Idaho a pair of blows, one a dinky scratch hit by Harold Roise, Vandal right fielder...

Lace Out Nine Hits Coach Howard Hobson's title contending Ducks combed three Idaho pitchers for nine hits...

Hitting for the Webfoots was evenly distributed with Gale Smith, Duck first sacker, being the only man to contribute two hits...

Ralph Amato started the seventh by drawing a free ticket to first base. Jack Coleman got on through a fielders choice...

Dependable Ford Mullen then stepped to the plate and socked a sizzling single into right field batting in both runs...

Harold Roise, Idaho's second man in the batting order, ruined any thoughts of a no-hit game by knocking his freaky blooper hit between Gale Smith and Hurney...

Idaho's second and last hit came from the bat of Bill Kramer, versatile basketball, baseball, and track man...

After Jenkins was batted out of the box, Coach Twogood sent in Dean Broadhead, righthander...

Several of the lads have consistently bettered times of Coach Hayward's varsity cindermen...

Kirman Storli, a quarter miler, and Bud Simmons, pole vaulter, are another duo of 1936 state pro champions...

Prep Teams To Compete In Relay

Col. Bill Hayward Honored as Benton, Marion, and Lane, Open Annual Fray

A regular galaxy of high school track stars will shine this afternoon at 2:00 o'clock on Hayward field...

The Ducks will be after their second win of the season today. They swamped University high and Eugene high Wednesday in a three-way meet at Laurelwood...

In their only other match of the year, played during the mid-month's wet spell, the Frosh lost to the varsity team on the Eugene country club course, 11 to 7.

Typical of the love of Oregon students to the veteran trainer, coach, and former athlete, the meet will serve as a worthy tribute to Colonel Hayward...

The track and field events will include the 440-yard relay, sprint medley, distance medley, mile relay, and the three-mile relay...

Lineups for the doubles matches, slated for the morning round, will not be decided until the golfers reach Corvallis...

Team Faces Husky Cinder Squad Today

Varoff to Compete; Will Not Attempt New Record; Husky Victory Expected

By KENNETH McCUBBINS Colonel Bill Hayward will send his Duck track squad against the University of Washington Huskies in Seattle this afternoon...

Although the Oregon squad has a chance of taking over half of the field events, which are the Huskies weakness, the Webfoots will be doing well to collect 47 points because only four men are conceded chances of taking points in the cinder events...

Foremost in Oregon's field entrants will be George Varoff who is popularly conceded an easy victery in the pole vault in spite of the fact that Washington's Boyd Childs has been consistently clearing 13 feet...

Other Ducks expected to glean points in the field events are Bill Foskett, Chan Berry and Dutch Holland, who are slated for the weights, and Elmer Koskelo, who is favored in the javelin toss.

After the Betas lost to Alpha, they won three straight to tie with the Yoemen for the championship of league A. In the playoff game, the Betas won 14 to 3.

At the same time the Kappa Sigs and the Sammies will fight it out for the championship of league D. The Kappa Sigs are favored, having won one game from the Sammies already, 8 to 6.

rick, broad jump—James Panton and Anshutz, high jump—Bill Vandermay, shot and discus—Vic Mardon, javelin—Jess Miller, pole vault—Boyd Childs, relay team—Humber, Flagg, Palmason, and Montgomery.

SAE, Theta Chi Clash Sunday

Compete for League E Donut Ball Title

The SAEs and Theta Chi will clash Sunday morning at 9 o'clock to decide the championship of league E.

The game originally scheduled for Monday was moved up to allow Ronnie Husk to twirl for the SAEs.

The SAEs were already favored because of an earlier 3 to 1 victory over the Theta Chis.

Art Ebright and Earl Repp, SAEs murderer's row, responsible for the SAEs fine showing to date will also be in harness barring accidents. Ebright is one of the hardest hitters in donut softball.

Al Conger left fielder, and Gil Hodgen, catcher, are also slated to perform for the SAEs.

Bob Street, who hurled for the Gas company in Portland last summer, will probably chuck for the Theta Chis, as he has pitched all of their games so far.

Herb Clark, outfielder, and Henry Minger, first baseman, bulwarks both on offense and defense, are slated to start.

Other games in the final playoffs of this year's intramural softball tourney will be played at 4 o'clock Monday afternoon between the Betas and the Phi Deltis.

The two teams are rated about on a par. The Betas lost an early season game to Alpha hall, while the Phi Deltis were lucky to come through their league undefeated.

After the Betas lost to Alpha, they won three straight to tie with the Yoemen for the championship of league A. In the playoff game, the Betas won 14 to 3.

Pitching for the Betas will probably be Doc Near, while Tommy Swanson is slated to hurl for the Phi Deltis.

At the same time the Kappa Sigs and the Sammies will fight it out for the championship of league D. The Kappa Sigs are favored, having won one game from the Sammies already, 8 to 6.

Frosh Track Team Takes Relay Affair

George Scharpf's Men Down Oregon State's Yearlings to Avenge Last Defeat

University of Oregon's frosh cindermen made a clean sweep of all five events in yesterday's annual relay meet against Oregon State's Baby Beavers on Hayward field.

Victory for George Scharpf's men was especially sweet as it avenged last year's defeat suffered by the Ducklings at Corvallis. In that meet the Orange Babes grabbed four events out of five.

Previously rated by Coach Bill Hayward as an outstanding group, the Ducklings in yesterday's program proved their superiority by easily taking four of the events.

Summary: 44-yard relay—Won by Oregon (Ellis, Reider, Samuels, Buck). Time, :45.1.

880-yard relay—Won by Oregon (Ellis, Reider, Samuels, Buck). Time, 1:32.4.

Mile relay—Won by Oregon (Buxton, Stanton, Corbett, Storli). Time, 3:31.

Three-mile relay—Won by Oregon (Storli, Mitchell, Mackin, Reese). Time, 12:40.
