**Oregon Beats Down Vandal Last Inning Rally to Win Contest**

VOLUME XXXVIII UNIVERSITY OF OREGON, EUGENE, FRIDAY, MAY 21, 1937 NUMBER 122

# ASUO Administration Revamped

## Rally Will Top Baseball Victory Jaunt Student Membership On Boards Increased; Advisory Councils Out

### Webfoots Make Clean Sweep of 6 Game Road Trip; Beat Idaho 10-7

### Oregon Gets Early Lead Off 'White' Jenkins; Johnny Lewis Pitches Entire Contest

### Ducks Still on Top Hobson's Boys Stave Off Two Rallies in Seventh and Ninth Innings

**Northern Division Standings**

W. L. Pct.		
Oregon	10 2 .833	
Washington State	10 4 .714	
Washington	6 4 .600	
Oregon State	4 10 .286	
Idaho	2 12 .144	

University of Oregon students will turn out en masse at noon today in a gigantic parade for Coach Howard Hobson and his victorious Duck baseball team which returns from Moscow firmly entrenched in first place in the 1937 northern division pennant race. Oregon downed Idaho yesterday, 10 to 7, behind Captain Johnny Lewis' hurling.

A police escort, accompanied by Oregon's band and truck loads of students, will leave the College Side at 11:30 this morning to meet the victorious Webfoots who arrive on the 12:10 train. All houses (Please turn to page three)

### Japan Conference Delegates Chosen

### 5 Oregon Students Will Go To Stanford to Confer With Nippon Scholars

Five Oregon students have been selected as representatives of the University to attend the fourth American-Japan student conference at Stanford university this summer. They are: Mildred Blackburne, Wyburd Furrell, Elizabeth Onthank, Thomas Turner, and Bruce Rogers.

The conferences are held alternately in Japan and the United States to establish better relationships between the two countries through exchange of ideas and opinions. This is the second meeting in America.

The Oregon delegates, who the committee reports to be well qualified and interested, will pass on to students in the University next year something of the benefits they received from the conference. The delegates will receive their instructions from Hubert F. Leonard of Reed college, who is in charge of the Oregon delegates.

Committee in charge of selecting Oregon's representatives was: Dean Onthank of the personnel department, Prof. A. L. Lomax, Dean Virgil Earl, Mrs. Alice B. Macduff, Dr. Waldo Schumacher, Dr. Warren D. Smith, and Dr. Victor P. Morris.

### Prep Tracksters Open Meet Today

### Weather, Speedy Track Point to Ideal Conditions for Friday Preliminaries, Saturday Final Meets

With smiling skies and a fast track forecast for today, the eleventh annual high school track and field championships will get under way promptly at 1:30 o'clock this afternoon on spruced-up Hayward field with 234 outstanding athletes from 57 schools scheduled to compete in the preliminary events.

The contestants from distant points began arriving on the campus last night and their first duty was to register at McArthur court in order to obtain their housing arrangements, meet information and numbers which they will wear while competing. Admission for spectators will be 40 cents.

The majority of the performers from vicinities within short driving distances of Eugene are expected to arrive this morning and go through the same procedure of registration.

Dressing rooms have been arranged for the young athletes in the basement of the Igloo with each district being allotted a certain space. Every district will have a corps of rubbers and trainers to handle them the duration of the meet, according to Anson Cornell, director of this year's meet.

Promptly at 1 o'clock at the pole vault pit and the shot put circle the annual affair will swing into action with the last event, the half-mile relay, slated to start at 3:30 o'clock. The correct order for all preliminaries, except the mile run and starting time of each, is as follows:

1:30—shot put, pole vault.  
 2:00—120-yard high hurdles, discus.

### Administration Releases Final Exam Schedule

### Spring Term Work Will End in Tri-Annual Tilt Beginning Tuesday, June 1

Schedule for spring term examinations, which will bring to a close the University's academic year, was released from the registrar's office yesterday.

Seniors to be graduated May 31 will take their last University examinations Saturday when the senior schedule, set in advance of the regular period, starts. Other students will open the tri-annual round of tests Tuesday, June 1.

The schedule:

**June 1**  
 8-10 9 MWF  
 10-12 3 MTuWThF  
 1- 3 9 TuThS  
 3- 5 Background of Social Science

**June 2**  
 8-10 11 MWF  
 10-12 First-year second-year French; French Literature  
 1- 3 11 TuS  
 3- 5 Physical Education activity courses

**June 3**  
 8-10 10 MWF  
 10-12 Physical Science Survey; Elementary Psychology  
 Laboratory  
 1- 3 10 TuThS  
 3- 5 4 MTuWThF

**June 4**  
 8-10 2 MWF  
 10-12 Corrective, Business English; English Composition  
 1- 3 2 TuTh  
 3- 5 General Hygiene for women

**June 5**  
 8-10 8 MWF  
 10-12 Constructive Accounting; French Composition and Conversation  
 1- 3 8 TuThS  
 3- 5 1 MTuWThF

The MWF groups include classes meeting on any two of those days or any any four or five days per (Please turn to page two)

### Polyphonic Choir Sings Tonight at 8

### Petri's Students Present Haydn's 'The Creation' in Music Auditorium

The University Polyphonic choir, directed by Paul Petri, professor of music, will present Joseph Haydn's "The Creation," tonight at 8 o'clock in the music auditorium in a public performance. Tonight's concert gives an interpretation of the creation of the earth, from chaos to complete development by choruses and solos.

Soloists are Mrs. L. J. Murdock, soprano choir master of the Congregational church, who will take the parts of Gabriel and Eve; Renold de la Mare, tenor sophomore, who will sing the lines of Uriel; William Sutherland, junior baritone, who will play Adam; and Louis Crowe, basso from Oregon State College, who is singing the part of Adam.

"The Creation" is written in three parts: the first represents chaos, the second the development of the earth; and the last a praise for the work completed.

The choir will be accompanied by Phyllis Schatz, with Mrs. Cora Moore Frey at the organ.

### Boyer Announces New Setup as a Move for Better Management of Student Activities

### Power Centralized Personnel Is Revised But Duties of Two Boards Remains Similar

By CLAIR JOHNSON

Complete reorganization of the administration of student activities, including the abolition of the four advisory councils and the centralization of authority in a more representative athletic and educational activities board, was announced last night by Dr. Earl M. Pallett for President C. Valentine Boyer. It will take effect immediately.

Members of the regularly elected ASUO student executive committee will be distributed on the two boards, and will increase student representation there, Dr. Pallett declared.

**More Students Added**

The present athletic board of five faculty, three alumni, and two students will be supplanted by a similar board with three students. The faculty and alumni personnel will remain the same, with Barnard Hall, Noel Benson, and David Silver the new student members.

### Slang Directory Reveals College Youths' 'Lingo'

By ALYCE ROGERS

"I'm takin' my fever frau to a cement mixer in a bone crusher." This, according to Dean Edward H. Laurer of the University of Washington, is the way the modern college youth talks. Of course, what the collegiate means to say is that he is taking his skirt to a swing fray in a crate.

Perhaps in search of diversion, Professor Laurer recently completed a United States college campus slang directory in order that everyone may be in on the secret of how the typical university student expresses himself.

### Siuslaw Camps To Be Held Again

### Folk League to Continue Recreational Project Begun Last Summer

Because work on the Siuslaw bay recreational project was so well done by students last year, the weekend and youth camps will again be held this year the Oregon Folk league announced Wednesday.

Weekend camps will be held during the next three weeks, and the two-week camps will be held June 5-19. Transportation and board will be furnished by the Folk league, but campers must take their own bedding.

This year the group will continue work on the lodge and on the YMCA unit which will be headed (Please turn to page four)

### Six-Week Tour of Europe For \$400 is Planned by Profesor A.J. Marder

A small group of University students, inspired by the double objective of pleasure and learning, will sail from New York harbor in the summer of 1938 for a six-week, "on the cheap" tour of Europe if tentative plans announced yesterday by Dr. Arthur J. Marder, professor of history, materialize.

The tour of the continent, the first ever planned at the University, will carry students to interesting sectors and to the capitals of Europe for an approximate total cost of \$400 from Eugene to Eugene, the author of the idea declared.

Besides the entertainment offered on the trip, lectures and study of post-war European history with optional reading will probably be given. A background in modern European history would be highly desirable for those making the trip, he said.

"This tour is designed for the better students, party personnel will be exclusive. The trip is not designed for the wealthy student but for the student of moderate means. We'll see Europe as it is—it can not be seen through the windows of swank hotels, or from tables in a night club," he emphasized.

Tentative itinerary would take in Paris, the Rhine, Munich, Vienna, Florence, Rome, Naples, Pom (Please turn to page two)

### Graduating Seniors Must Pay Fee of \$6.50 By Noon on Saturday

Fees for graduating seniors must be paid by Saturday noon, May 22, the registrar's office said yesterday.

Each student is required to pay \$6.50 before he is awarded his diploma.

### Absence of Dean Onthank Prevents Faculty Action On Welcoming Committee

As yet, no definite action has been taken regarding the welcoming committee other than its having received President Boyer's approval. Dr. Boyer intended to meet and discuss the proposal with Dean James H. Gilbert and Dean Karl W. Onthank yesterday, but because Dean Onthank was called to Portland, no meeting was held.

Dr. Boyer is definitely in favor of the suggested committee. He believes it will do a great deal towards giving visitors to the campus better impressions of the University, but wishes to go over the proposal thoroughly before appointing the faculty members who will head the committee.

Word received from the president's office late yesterday afternoon indicated the president would meet with Dean Gilbert and Dean Onthank today.

Dean Gilbert, of the college of social science who proposed the welcoming committee he made up of a chairman, two faculty members, and ten picked students, believes action should be taken immediately so the committee may begin to function as soon as school opens in the fall.

The purpose of the committee will be to arrange definite programs and entertainment for the different groups and visitors who come to the campus during the school year.

President Boyer said, "There is unquestionably a need for presenting the University in a more favorable light than it has been and the University has suffered from the lack of such an organization in the past."

### 27 Scholarships For Students Still To Be Awarded

Twenty-seven scholarships for undergraduate students next year remain to be awarded, according to Dr. Earl M. Pallett, registrar. Applications are to be filed with the president's office not later than June 15.

Every year 64 of these scholarships are given. Thirty-three go to entering students, 4 to graduate students, and the remaining 27 to undergraduates previously in attendance either at Oregon or some other school.

Any student now enrolled and with a cumulative grade point average of 2.75 or better is eligible to apply. The scholarships cover fees totaling \$18 per term. They do not cover the \$5 building fee or the \$3.50 health service fee. They are awarded on the basis of need, ability, and scholarship.

### The Pot of Gold

Del Bjork, captain of the dead-eye Ducks rifle team, received the congratulations of Colonel Carl W. Robbins for leading the Hearst trophy winning squad. The cup was presented Wednesday at the final ROTC review of the year.

### Coeds Can Crow As Men Wait for Girl Dance Bids

"It may be old—but," is the feeling of the campus coeds when they ask: "How'd you like to go to the Mortar Board business with me May 22?"

If that question doesn't bring wreaths and sprays of smiles to Joes, she continues by explaining that she buys the flowers and gives them to the man. She buys the food and lets him eat to his heart's content. She furnishes the ticket (only one dollar) and exchanges the dances with the most feminine fems in the house.

Suffragettes (if there are any still lingering about) have at last obtained a great object. They take the initiative in every act at this annual ball given by members of Mortar Board, senior women's service honorary.

At the dance, the "new deal" women and the lucky males will see nineteen freshmen girls pledged to Kwama and started on their four years of campus politics especially handled by their sex. Skull and Dagger will also officiate.

### David Hamley Named Winner of New Bike

David Hamley, Phi Delta Theta, was announced last night as the winner of the Scheaffer's Skrip contest and will be awarded the \$40 bicycle.

He guessed that there were 4526 beans in the odd shaped quart jar, while the actual number was 4532. One other guess was 4525, Marion McClain, manager of the Co-op store, said.

According to Mr. McClain, Hamley ought to make a good bean merchant some day.
