and partially destroyed."

back inside the walls.

Gage Leaves Peking "I left Peking July 16," Dr. Gage

says, "and although there was a

great deal of tension and barricades had been thrown up on all the streets, the thought of war was still an unreality. The 30-foot

wall with its 100 foot towers was heavily guarded and no one was

allowed to leave the city for fear

that they might not be able to get

more confusion. The Japanese were moving troop trains in from Man-

churia to Korea. Finally allowed a ticket through Manchuria, I was

the only white man on the train, which was loaded with Japanese

who were anxious to learn a for-

eigner's opinion on their activities

in North China. Japanese officers

put a spotter on my trail in an

attempt to get information. I

counted ten troop trains which we

passed before an officer ordered

my window curtain pulled. All

Professor Bowen also had a hard

"On the way from Tientsin to

Mukden my train was delayed for

long periods by the large number

of Japanese troop trains rushing

into the area. We reached Mukden

at 3 o'clock in the morning to find

the city in total darkness because

of fear of air raids. Foreign ho-

tels were filled and I finally had

to grope my way to a room in a

Japanese hotel. I left Mukden for Japan the next day as there would

have been no transportation for

some time after that. I reached

Japan without trouble and spent

three weeks there before I left for
