

THE HOT CORNER

By BILL NORENE

Handicapped slightly by condition, two of the University's newest athletic representatives, the boxing and wrestling teams, will make their debut this evening at McArthur court.

Both experience and numbers are on the Beaver side of the ledger. To begin with the manly art of self-defense and its companion have been established at the Corvallis institution for some time.

We do not have the exact figures, but Jim Dixon and Doc Allman, the wrestling coach, have turned out many Beavers boxers and wrestlers in past years. As a result the Orangemen not only have the material started coming, but their teams have a definite standing in the northwest.

Never fear, however, for Coaches Dimit and Bogue have a few boys who know how to handle themselves inside the squared circle, although as stated before, condition will hinder a few of the Ducks.

It seems as though some of the boys didn't like the idea of giving all every night just for the fun of it, they would just as leave have a letter as a reward.

Mercurial to be sure, but then they evidently have no conscience. They didn't come out, preferring to study or work for monetary consideration.

As a result many of the lads didn't begin actual training until last week when the activities board put their official stamp on the Mitt-Club proceedings.

Then too injuries reaped a terrific harvest, especially among the wrestlers. John, "The Champ," Valleau bent a bone in his shoulder, (that's his story) and will be out for another couple of weeks, if he gets to wrestle at all this season.

Bill Kozczak, former 165-pound PNA champ, pulled a fast one, or maybe it wasn't fast enough. Regardless of what the score was, he came out on the short end of it with a broken ankle.

Walter Lee Wood, one of the best 155-pound prospects tore something like half the muscles in his leg loose in a moment of frenzy. Not only does Walter have to neglect his wrestling, but he has to quit skiing. Now when somebody quits skiing, you know that it is probably for a serious cause.

Anyway we would think so because some of the advertisements of dolls wearing ski clothes looked very good.

But to get back to the coming show tonight, the Oregon team still has a few boys who can throw plenty of leather. Smoky Whitfield went to the finals in the Chicago Golden Gloves a few years back.

Gale Ferris, Pete Thorne, Frank Nickerson, and Vern Hanscom are all good boxers, who should be able to hold their own.

For wrestlers there are Clarence Francis, Willie Williams, Dale Peterson, and Harry Spence, who all know their way through the ropes.

More on condition . . . if you ask Dimit he will tell you that training on cream puffs is not such a good idea . . . he tried it once and about the second round of the scheduled three-round match he was ready for the kill—then the cream puffs hit him, and he and his opponent just looked at each other . . . it is rumored that Slat's Gill is going to Stanford to replace John Bunn as head basketball coach . . . Bunn is the new dean of men at the southern institution.

ATOs Win Tilt In Intramural Casaba Play

DU Quintet Takes A League Gage From Canard; Sigma Chi Victors in B

Ho hum! They did it again!

Yes, ladies and gentlemen, those fellows from the Alpha Tau Omega house dropped another victim on their way to the B league championship. The score was 51 to 12.

Now it isn't the habit of the school of education to create battles, but if the Oregon varsity hears of the ATOs impairing their scoring record, it is likely there will be a feud worse than that of the Martins and the Coys in the good old days in Kentucky.

The ATOs started scoring less than a minute after the whistle had blown and were still potting the shots when the game ended. At half time the score stood 12 to 2 in favor of the hotelmen. They really went to town in the final half scoring 39 points in 12 minutes or an average of 3 1-4 points a minute.

Hans Karstens led the scoring for the ATOs with 16 points followed by Jay Graybeal and Donald Anderson with 12 each.

DU 25, Canard 21
Staving off a desperate last-minute rush of the Canard club team, the Delta Upsilon boys won a hard fought intramural A league game, 25 to 21.

The game was very fast, but with both teams showing spells of ragged playing. The clubbers were unable to work together or to hit the bucket in the pinches.

At half time the score was 15 to 10 for the DUs. Starting the second half the DU five scored six points before the Canard team could connect. The clubbers then rallied but were unable to overcome the lead against them.

Paul Thuneman led the victors with 8 points, followed by Connie Grabb with 6. Vernon Wolfe was outstanding for the club with 8 counters.

Sigma Chi 20, Campbell 13
Roy Burlingame and Rex Applegate yesterday led the Sigma Chi quintet to an easy 20 to 13 victory over a fighting Campbell Co-op team.

Although the score was somewhat close, the Sweethearts were pressed only once by the Campbell team. This was early in the third quarter when the lads from the Co-op began hitting their shots and threatening the lead of the Sigma Chis. Time was then called by the Sweethearts and from this point on the game began slowing down.

Ducks Prepared for Eugene Invasion by State's Orangemen

Oregon's Newest Athletic Teams Will Make Initial Start This Evening Against OSC Boxers, Wrestlers at Igloo

Another invasion of the Oregon campus tonight, and this time official sanction and encouragement is assured the loyal Ducks who will strive—and sweat—to defend the honor of the University.

McArthur court at 7:30 will be the scene of the combat, which will include nine fistic and eight limb-twisting matches in the debut of the newly-organized University

Jim Dimit, maestro of the local boxers, considers his men in good shape, and will be watching with especial interest the showing made by Ris Inskeep, 215-pound former Big Nine champ and gridiron star, who will tangle with the Beavers' Ben Ell, also a fullback during autumn months.

Nickerson Fast
The speediest exhibition of the evening probably will be furnished by Tiger Nickerson of the University team, in his welterweight bout with Merle Johnson.

Smoky Whitfield, popular dusky middleweight, appears in top condition for trading punches with Earl Williams of OSC. Smoky was Chicago Golden Gloves finalist in 1934, and has considerable experience to his credit. Gale Ferris, the other middleweight, who has won applause in recent campus exhibitions, will toss his much-respected fists at Homer Millard.

In the 155 division, Merle Hanscom, who recently awed ringsiders by "cooling" two sparring partners in one afternoon, meets the Beavers' Earl Williams. Pete Thorne in the same weight takes on Ted Lindley, and the card is rounded out by Don Towers and Bob Kroessin. Webfoot welterweights, who are matched with Phil Lane and Bill Hour, respectively.

Francis Former Champ
Still more former and present titleholders will be included in the wrestling team's half of the program. Willie Williams, 195-pound rough boy, tackles Beaver Al Young—and is favored to carry off the honors. Williams, '37 intramural kingpin, was runner-up last year in the Pacific Northwest Amateur tournament. Clarence Francis, Big Nine and Oregon campus champ in the 135 division, will turn on all his speed tonight against the Staters' Bob McRoberts.

To Harry Schaffer, Oregon welterweight, falls the task of subduing the Beavers' best, Darle Dudley. Schaffer, though, can call on several year's Multnomah club experience. Mort Myers, 145, OSC transfer, will meet Wayne Cook, and Jim Mountain, the third Oregon representative in this weight, tries his bone-breaking ability on Hershel Peyree from Corvallis.

Peterson Wrestler
The Beaver with the reputation as a prospective PNA-er, Ted Tibbutt, probably will encounter stiff competition from Oregon's Dale Peterson, 175-pound muscleman, A former Bay City resident, Harry Spence, will defend Oregon colors against Bob Nelson in the 165 class, and Webfoot Bob Roberts is matched with Emil Ek at 155. Al Bogue, University wrestling team coach, is pinning much of his hopes on Roberts, who has shown himself outstanding in strength and endurance.

Admission to ASUO members will be 25 cents, 40 cents to non-members. The meet is scheduled to start at 7:30 so that students planning to may attend the sophomore whisikerino later in the evening.

Rowe Gets Mention By Football Board

A certificate naming him for honorable mention on the 1937 all-American football team was received Tuesday by Paul Rowe, hard-running varsity fullback. The award was presented by the all-American board of football as an acknowledgment of Rowe's outstanding play on the Oregon team last season.

The certificate was signed by Howard Jones, Frank Thomas, Bob Zuppke, Glen "Pop" Warner, outstanding collegiate coaches, and Christy Walsh, syndicate manager, who made the selections from a nation-wide survey of college grid teams.

Gordon Mehl, ex-'40, has gone to New York where he will be employed by the Dollar Steamship company.

Oregon Will Defend First Place Against Washington Tonight

Laddie Gale, Slim Wintermute, Bob Anet Wally Johansen, Ted Sarpola Will Start With Dave Silver in Reserve

By GEORGE PASERO

Primed for a court-burning battle, Coach Hobby Hobson and his towering Oregon basketeers move their baggage over to the huge University of Washington pavillion today where they will await the whistle calling them to the court to defend their first place standing from the challenge of Hec Edmundson's driving Huskies.

Still perched atop the northern division ladder with almost a third of the season past history, the Oregonians have no illusions about the prowess of the Huskies and are determined to run the Seattle boys clear out of their huge "snack."

Although given only an even break with the fast-moving Washingtonians, by sport writers, Hobby hopes that his Ducks will sweep the two-game series, Friday and Saturday nights, and head eastward to Missoula, Montana, still leading the pack. The Webfoots meet the Grizzlies Monday and Tuesday nights.

The Huskies, however, entertain quite different notions, knowing that by winning both games they can usurp the Ducks' roost.

Scoring Battle
Primarily the crowd tonight will be watching the team battle, but secondly, their attention will be focused on two high-powered scorers, Laddie Gale of the Ducks and Harry Lockhart of the Huskies.

With only four points separating these two boys in the scoring column, they should stage a duel that will long be remembered in the Puget Sound city. Gale has amassed 78 points in six games while it has taken eight for Lockhart to collect 74.

Reports from the north indicate that canny Hec Edmundson is concentrating his attention on stopping the tall Oakridge lad with the big hands in order to give Mr. Lockhart a chance to step out in front of "The Lad," but when it comes to young Mr. Lockhart stepping away from Gale, a fellow by the name of Hobson will have something to say and plenty to say it with—10 men to be exact.

Silver With Team
Assisting Gale tonight will be the same boys who have stood be-

Alpha Hall Sweeps To Win Over Delts

Win All Three Games; Theta Chis Defeat Sherry Ross

Two uneven handball matches were played Thursday as Theta Chi trounced Sherry Ross hall while Alpha hall walked over Delta Tau Delta, 3 to 0.

James Jarvis, Theta Chi, administered a drubbing to Alan Schwartzberg of Sherry Ross in the first singles, 21-1, 31-3. Herb Clark took the second match from John Davenport, 21-5, 21-9. The doubles team of Lee and Pease won by a forfeit.

In the second match of the afternoon, Bob Wines defeated Roy Vernstrom, 21-1, 21-5, for Alpha hall's initial win. Jule Graff followed by setting George Hall down 21-3, 21-3. Then Parks and McCool won over the Delt team of Baxter and Wait Vernstrom, 21-5, 21-7.

By mutual consent, the match between Alpha hall and the Delts was held Thursday instead of Friday afternoon, as had been previously scheduled. There will be no intramural handball match this afternoon.

Kappa Women Take Alpha Phis, 23 to 14

Kappa Kappa Gamma overwhelmed Alpha Phi 21-14 in a hard game in women's basketball Thursday afternoon. Alpha Phi was very inexperienced and unable to cope with the Kappa offense, however, the playing on both sides was somewhat ragged. Alpha Phi greatly handicapped herself by her long passes which were easily intercepted by Kappa Gamma.

Lineups:
Kappa Kappa Gamma Alpha Phi

For Kappa Gamma, the highest score was made by Roberts with 13 points, and for Alpha Phi by Cornish with 10 points.

DO COW-PUNCHERS APPRECIATE CAMEL'S COSTLIER TOBACCO'S?

TED YOCHUM was born and raised in the cattle country. Speaking from personal observation, Ted says: "Cow-punchers are great Camel smokers. Seems like if a man smokes Camels once—he sticks to 'em. Come round-up time—I'm in the saddle for hours, and not sparin' myself. A Camel sure hits the spot then. I get a mighty pleasant 'lift.'"

Yes, and to America at large, Camel's costlier tobaccos have such a special appeal that they are the largest-selling cigarette in this country!

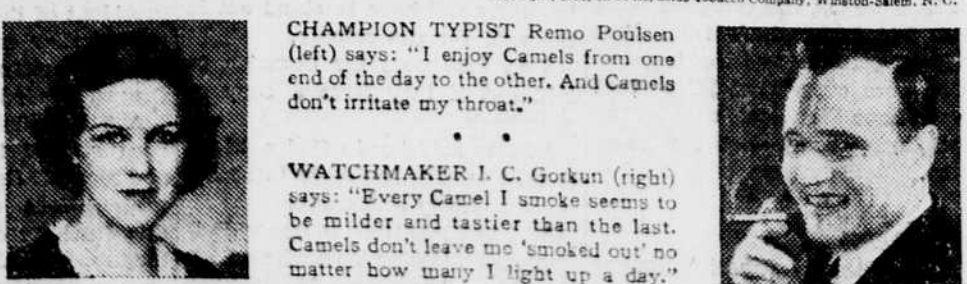

COLLEGE STUDENT Herb Weast (left): "In that jammed-up week before exams, nerves often tighten up. I've found Camels don't get on my nerves."

AUTO MECHANIC Al Patterson (right): "In the garage business you have to catch your meals on the run. I find that Camels seem to smooth the way for good digestion."

Camel spends MILLIONS MORE FOR COSTLIER TOBACCO'S! Camels are a matchless blend of finer—MORE EXPENSIVE TOBACCO'S—Turkish and Domestic

CHAMPION TYPIST Remo Poulsen (left) says: "I enjoy Camels from one end of the day to the other. And Camels don't irritate my throat."

WATCHMAKER I. C. Gorkun (right) says: "Every Camel I smoke seems to be milder and tastier than the last. Camels don't leave me 'smoked out' no matter how many I light up a day."
