

THE HOT CORNER

By BILL NORENE

Half the season is now over, and on the surface it looks like our Ducks are in. They have won seven games and lost three, one each to Oregon State, Washington, and Montana.

Of the games that they have won, four have been on clean sweeps of their series with Montana and Washington State, while they have single victories over OSC, Washington, and another over Montana on the recent road trip.

That, however, is very little of the story. The Ducks have a series with the Huskies, who recently outran them in the north, a series with Oregon State, slow break and all, and a road trip into the Palouse hills to say nothing of a return engagement with Idaho's Vandals here at McArthur court.

The Huskies are the first worry, and they are worthy enough. If the Ducks play set ball like Gregory says they did in Seattle when they scored 20 points in 10 minutes, they have a good chance to trip the Huskies.

If they try to outrun Uncle Hector's boys as they did in Seattle, they increase their chances of getting their ears pinned back.

Trying to outrun the Huskies is like giving my brother two towels and trying to outeat him—it can't be done, although the Huskies will come here on the end of a road trip. They play two games with OSC before coming here.

After the Washington invasion the high flying Ducks will journey into the WSC-Idaho domain the same week of the Washington series.

In Idaho the Oregons will run up against the best defensive team in the circuit. The Vandals are better even than Oregon State, usually the defensive champs of the northern division.

Not only that, but Coach Two-good's club is much better than the records indicate. With five wins and five losses the Vandals are in fourth place.

The Idaho club had a little tough luck at the start of the season, losing two to Montana on the Montana floor.

A strenuous pre-season road trip took too much out of the Vandals for their opening series with the Grizzlies.

They dropped both games to Montana, and a third to Washington, before they recovered sufficiently to drop the Huskies in the last game of their Seattle series.

And then there is OSC for our Ducks to get past. One consolation is that the Beavers are practically a cinch to take at least one and maybe two from the Huskies.

Last year the Beavers took two from the Huskies on the Corvallis floor. I seems that Shats Gill's slow-'em-down style is definitely a menace to any club using a fast break.

When they told you that Whizzer White was, in addition to being an all-American grider, a Phi Beta Kappa, Rhodes scholar, all-conference guard on the basketball team, all-conference baseball player, and student body president, they forgot to mention that "The Whizzer," was also prexy of the junior class.

His brother Sam was also Colorado student body president, a Buff grid star, and is now finishing his last year at Oxford as a Rhodes scholar.

Jay Graybeal, Jack Hays Lead Hotelmen to Overtime Victory Over Sweethearts; Phi Gams, Zeta Hall Win Close Games

Playing through four torrid, blistering, quarters only to end in a tie at 11—all the ATOs and the Sigma Chis were forced to go into an overtime to decide the winner. With Jack Hays scoring 4 points and little Jay Graybeal potting in a couple of baskets, the ATOs emerged victors 19 to 13. With this win went the honor of remaining at the top of the ladder.

The game started at an even pace with each team matching basket for basket. At the end of the first half the ATOs held a slight lead of 5 to 3.

In the second period the games were speeded up with the ball changing hands right and left. It was in this period that the Sigma Chis got hot and sank enough of their shots to force the game into overtime.

Jack Hays was high for the ATOs with nine as was Rex Applegate for Sigma Chi with nine also. Jay Graybeal played an instrumental part in the ATO victory.

Lineups: ATO (B) 19, 13, Sigma Chi (B) Peake, Karsten, Anderson, Hays, Graybeal, Wyman, Crawford, Mitchell vs. Fijis 15, Betas 11

Paced by Bill Adams, who garnered 10 points, the Fijis defeated the Betas in one of the closest games of the day by a 15 to 11 score. It was a crucial game for both teams for a win would set them on top of their league, and defeat meant that they would be out.

The first half was rather close with the Fijis leading 6 to 5. In the second half they were hard-pressed, but were able, due to the accurate shooting of Adams, to stop the Betas' final drive.

Adams led both team in the scoring column with ten points. Roger Conrad with five markers led the Beta scorers. He was very effective in getting the ball off the backboard. Bill Esery played good ball for the Betas with his constant pass interceptions.

Lineups: Fijis (B) 15, 11, Betas (B) Bladine, Rankin, Richards, Adams, Schulze, Haliski vs. Zeta (B) 12, Phi Sigs (B) 9

Playing steady ball throughout the entire game enabled the Zeta hall five to post their first win of the season at the expense of the Phi Sigs 12 to 9.

The game was somewhat ragged in spots but the winners proved themselves superior despite the fact that they were playing against great odds. The Phi Sigs had a sizeable height advantage that the Zeta quintet could not cope with.

Sammies Slap Fijis For Handball Wins

Sigma Alpha Mu scored a two-to-one win over the Fijis Thursday in intramural handball. Louis Rotenberg of the Sammies won the first singles event by setting Dick M. Hutchison down, 21-12, 21-0.

Fiji John Maeder eked out a victory from Bob Herzog, 17-21, 21-9, 21-13. However, the Sammy doubles team of Barr and Shimshak put the match on ice by winning from Francis and Shulz by identical scores of 21-10, 21-10.

In one of the wildest, wierdest games of the year, the Canard club (A) team defeated Pi Kappa Alpha, 19 to 15, yesterday. The Pi Kaps started to run away with the game, scoring a basket approximately every five minutes, and running up a five point lead before the clubmen could score. The clubmen rallied, however, and were trailing by one point at the half, 7 to 6.

The second half was an entirely different matter. Led by Wolfe and Marsee, Canard sank three goals in quick succession, and were never again headed. The Pi Kaps did not score again until midway in the last quarter, and then the clubmen held a 16 to 7 lead.

There was never a calm moment in the game. Referee Dick Hutchison dished out 22 personal fouls to the two teams, and both Currie and Shepherd of the Pi Kaps left the game on personals. Larsen of the losers was determined to play basketball, however, and led all scorers with 8 points. Wolfe and Marsee scored 6 apiece for the winners.

Lineups: Pi Kaps (A), 15 Currie, Holcomb, Folgedalen, Tower, Shephard, Larsen vs. Canard Club (A), 19 Tichy, McCubbins, Wolfe, Marsee, Manning, Gary

Bill Rach, Footballer New Heavyweight

With several new men out for both boxing and wrestling the prospects for the coming meet with Oregon State February 11 are definitely better. Said Al Bogue, wrestling coach, "We'll make them fight for their points this time."

Men on both teams are in much better shape and with nearly two weeks of concerted conditioning the fighters will have little reason to worry about lasting the three rounds.

One of the holes in his squad that has been causing Jim Dimit plenty of worry has been filled. Bill Rach, varsity fullback, is working out every night and is expected to give big Ben Ell of the Beavers plenty of trouble.

The most pressing need of both teams at the present time is freshman fighters. Harry Shaffer, formerly of the Multnomah club of Portland, and

Hobson Praises Oregon's Ducks; Awaits Invasion

Lemon, Green Tired After Long Journey Into Rockies

Still perched on top of the northern division standings by one full game after an even break in four games on the road, Coach Howard Hobson's point-minded Oregon Ducks returned to Eugene yesterday to await the Washington invasion of McArthur court Monday and Tuesday nights.

The Webfoots split two games with both Montana and Washington on their 1600 mile journey to Seattle and Missoula to keep ahead of the pack. The even break, however, had one costly effect. It cut Oregon's lead from 2 games—the margin the Ducks held on leaving for the north—to one game.

Travel weary and tired, but otherwise pronounced in good physical condition by Hobson, the Ducks were given the day off yesterday. The young mentor will send his charges through light workouts Friday, Saturday and possibly Sunday.

Although admitting that he had hoped to win at least one more game on the trip, Hobby praised his boys yesterday. "They kept driving," the Duck cage coach said, "and they didn't let a defeat get them too downhearted, coming back harder than ever in the second game of both series to win."

The play of Bobby Anet, Laddie Gale, Wally Johansen and Slim Wintermute was outstanding in every game, Hobson said, although Anet was ejected from the first Washington game—the one the Ducks lost—after only seven minutes of play.

The high altitude at Missoula—nestled in the midst of the Rocky mountains—was one of the factors contributing to the Ducks' defeat in the first Montana game. The kids weren't off their game, but they were sluggish in their play, Hobson said.

Hobby particularly liked the play of big Bill Lazetich and Jim Seyler of Montana. Burley Bill scored 37 points in the two games while the

Red Lions Outclassed By Oregon Yearlings; Guards Lead Attack

Freshmen Paced by Evert "Red" McNeely, Porky Andrews; Duo Account for 28 Points; Frosh Take Early Lead

Paced by Evert McNeely, who scored 18 points, Honest John Warren's frosh squad had an easy time winning from the Santa Clara "Red Lions," 69 to 26 in a fast game last night. The highly touted Ducklings jumped to an early 10-to-0 lead and were never headed. Shortly after the opening whistle Earl Sandness slipped under the bucket to can a one-handed shot and give the Ducklings first blood. Marshik and Andrews then scored in quick succession to bring the count to 6 to 0.

Russell of the Red Lions then fouled Marshik and the big frosh center hit both shots. Andrews Drops Cripple Andrews followed through with a cripple to give the Ducklings the 10-to-0 lead. At this point Russell of Santa Clara slipped away from his man to net a one-handed shot from the corner, making the score 10 to 2.

The frosh then followed with baskets by Sandness, Andrews and McNeely, which completely dazzled the Santa Clara five. With ten minutes remaining in the first half the score was 24 to 4 in favor of the Oregon lads.

New Team In At this point Coach Warren sent in a complete new team and the substitutes gathered only 9 more counters in the remaining 10 minutes. The halftime score was 33 to 11 for the bay Ducks.

The regular lineup started the second half and immediately took (Please turn to page three)

"I AM ONE OF THE MILLIONS WHO PREFER CAMELS" SAYS RALPH GREENLEAF WORLD'S CHAMPION IN POCKET BILLIARDS

FOURTEEN different times the news headlines have flashed: RALPH GREENLEAF WINS WORLD'S CHAMPIONSHIP. In a special interview during his recent championship play in Philadelphia, Ralph said: "I'd say the most important rule in this game is to have healthy nerves. And on that score, I think, Camels have a lot extra to offer. One of the main reasons why I've stuck to Camel cigarettes for twenty years is—they don't ruffle my nerves."

And America as a nation shows the same preference for finer tobaccos that Ralph Greenleaf does! Camels are the largest-selling cigarette in America

(Left) College Senior ART WALDO says: "Yes, Camels are the favorite here on the campus. I get more enjoyment from Camels—they're tops for mildness." (Right) "The way these light boats bounce around knocks the daylight out of my digestion! Camels help my digestion to keep on an even keel," says MURFORD SCULL, outboard motorboat racer. (Left) JAMES L. CLARK, famous scientist and explorer, says: "I always carry plenty of Camels with me into the wilderness. 'I'd walk a mile for a Camel!'" (Right) "I'm devoted to Camels," says HELEN HOWARD, spring-board diver. "They don't irritate my throat—not even when I'm sitting around in a wet suit, a target for irritation."

HE IS COUNTED THE GREATEST POCKET-BILLIARD PLAYER OF ALL TIME. Here Greenleaf executes a difficult massé shot, requiring split-hair accuracy, faultless stroking, and healthy nerves. And the world's two famous masters of the cue—Ralph Greenleaf and the 18.1 balkline billiard champion, Willie Hoppe—are both Camel smokers.
