

THE HOT CORNER

By BILL NORENE

Love and kisses from us and every other Oregon fan who rejoiced in the news of Idaho's promised and expected victory over Jack Friel's Cougars Monday evening.

With this defeat the Cougars were brought within reaching distance of Oregon's Ducks. The Cougars are a cinch to lose one of their two games with the Huskies in Seattle in which case the worst the Ducks can do, with a defeat by the Beavers, is to tie the Cougars for the title.

The Cougars came along this season much the same as the Vandals. Out of their first eight games they lost four. This was all in the first three weeks of play. Since then the Cougars had lost only three games up to Monday night.

They successfully staved off invasions by Oregon State, Idaho, and Montana. They had already split their home series with the Huskies, and later did the same with the Ducks.

Recently, however, the schedule has favored Washington. The Marauders from the north have played only two games since their invasion of the Willamette valley. They topped off this invasion February 21 and 22 by taking a pair of defeats from the Ducks.

Last weekend they trounced Montana's Grizzlies on their home floor. The Huskies should be well rested by the time the Cougar series rolls around this week.

While passing around the palms yesterday, we neglected to mention George Zeigenfuss, Washington guard. Playing under the backboard on defense where it is generally considered he has few peers, Zeigenfuss has collected fewer personal fouls than any other regular in the Northern Division except Oregon State's Roy Pflugrad, who George has surpassed considerably in playing time.

In 18 games, Zeigenfuss has fouled his opponents only 23 times.

Aquaducklings Win Again; Trample University High This Time 37 to 20 at Pool

Pacific coast records took another beating last night as Oregon's frosh swim squad led by Jack Dallas and Sherman Wetmore scuttled University high, 37 to 20.

Dallas powerhoused his way through the waves to an easy first in the 100-yard breast stroke with an unofficial record of 1:08, eclipsing the coast record by two and one-half seconds.

Not satisfied with this he continued an equal distance to finish a 200-yard event under the record time by eight and one-half seconds. There was no competition for Dallas in the last 100.

Wetmore came close to lapping his field as he unofficially sunk the 100-yard back stroke record of 1:06.2 by one and six-tenths seconds. Duplicating Dallas' feat of breaking two coast records in one night, Wetmore went on to crack the coast 150-yard back stroke time by seven-tenths of a second.

Sanders Loses
The evening's only upset saw Al Sanders drop behind in the 220 free style to take third in an event which he won only two weeks ago from the same high school swimmers, Gerald Heustis and Dick Smith.

The diving contest was eliminated and only an exhibition was staged with Elmer Mallory of the frosh turning in a stellar performance.

Jim Marnie, ace sprinter from Hawaii, was again high point man with 11 and two-thirds points. Gerald Heustis was Uni's outstanding man with a first and third place to his credit.

University high took only one first—the 220 free style.

Summary:
40-yard free style: Won by Marnie, Oregon; Sanders, Oregon, second; Heustis, Uni, third. Time, 1:20.

100-yard breast stroke: Won by Dallas, Oregon; Heustis, Uni, second; Tugman, Uni, third. Time, 1:08.

220-yard free style: Won by G. Heustis, Uni; Smith, Uni, second; Sanders, Oregon, third. Time, 2:34.1.

100-yard back stroke: Won by Wetmore, Oregon; Emmons, Uni, second; Merrill, Uni, third. Time, 1:05.2.

100-yard free style: Won by Marnie, Oregon; Smith, Uni, second; Keller, Oregon, third. Time, 1:58.8.

160-yard free style relay: Won by Oregon (Keller, Wilson, Sanders, Dallas). Time, 1:26.8.

180-yard medley relay: Won by Oregon (Marnie, Dallas, Wetmore). Time, 1:48.

John Warren's frosh hoopers met yesterday and selected an all-opponent high school team composed of members of those high school teams that the frosh played the past season.

Maurice Stremich, Commerce, and Bob Oliver, Franklin, forwards; Jack Mulder, Vancouver, center; and Manley Miles, Franklin, and Kirk Gilbert, Longview, guards, were the hoopers selected on the first team.

On the second team the frosh picked Kremers, Franklin, and Gard, Uni high, forwards; Bohman, Commerce, center; and Ellis, Vancouver, and Bullion, Uni high, guards.

Ragsdale and Colson, Baker high; Vaughn, Longview; and Williamson, La Grande, received honorable mention.

Ski Ducks to Leave For Intercollegiates

Members of the University of Oregon Ski team leave this morning for Rainier National park to compete in the second Pacific coast conference intercollegiate ski tournament.

Captain Paul Lafferty, who will accompany the team, made the following selection for the trip: Pat Dolan, slalom, down hill, and cross country; Jim Mackie, slalom and down hill; Walt Wood, slalom and down hill; Tom Wiper, slalom and down hill; Frank Drew, cross country.

This meet is expected to draw several schools from California besides those schools of the northwest.

20 Ducklings Get Awards; Pick All-Star

Warren's Squad Wins All But One Game; Two Franklin High Hoopers Named

John Warren's proteges, the freshman basketball squad finished one of the most successful seasons in years last Friday when they downed the Oregon State troopers for the fourth straight time, and their seventeenth win out of eighteen starts.

Warren was fortunate this year in having many outstanding high school stars to choose from. Earl Sandness, who holds the state high school record for points scored in the tournament, Pork Andrews, the able ball handler from Canada and big Archie Marshik were among the leading players of the Duckling wars.

They are: Earl Sandness, Harold Hoffman, Archie Marshik, Porky Andrews, Evert McNeely, Chet Allen, Tovia Pippio, Tim Smith, Danny Read, Harold Fox, Bob Shisler, Steve Fowler, Jim Rathbun, Leo Quinlan, Wendy Kaufman, Harry Bergholt, Ed Leonard, Taylor, Pete Igoe, and Gordon Bailey.

The Ducklings scored an average of 49.9 points per game to their opponents' 28.6. An unofficial tally of points gathered in the 18 games puts Earl Sandness on top with a total score of 210 points, followed by Marshik with 187. The complete scoring of the first four men is as follows:

Sandness 210, Marshik 187, Andrews 137, McNeely 121.

Webfoot Boxers Tangle With Elks Club Fighters Friday Eve in Men's Gym

The University Mitt club will go into action as a club Friday night in the new gym when they tangle with a group of the leading amateur fighters in Lane county.

Eleven bouts are scheduled for the evening with the first to start at 7:30 in the men's gym, court 40. Heading the mitt clubbers will be varsity men, Tiger Nickerson and Don Tower. These men have been consistent performers throughout the season.

Nickerson will be matched at 138 pounds with Don Ebbert of the Elks club. In a previous match Nickerson won a fast decision at the end of three rounds.

Tower, fighting at 148, will meet Max Pierce also of the Elks club.

In what should be the best fight of the meet Pete Thorne of the Ducks will tangle with Wayne Dillingham at 160 pounds. Dillingham won a decision from Thorne in an earlier meeting. Pete will be out to "shoot the works" this time.

Wendell Haley, a freshman fighting at 112 pounds, is matched with Bob Downs. Downs fights for the Elks.

Two other bouts are listed in the 148-pound class. Willis Pack, Duck fighter, will meet Wallace Johnson. John Wood, promising transfer from New Mexico Military Institute, is matched with Howard Miller.

The 160-pound class will have a second bout listed. Bob Helm, from Whitman, will meet Warren Phillips of the Elks club.

Winslow Stevens, Webfoot 138-pounder, will battle Elmer Downs of the Elks.

The last bout with an outside fighter will be between Don Gomez 132 pounds, and Bob McChesney.

Burt Gilpin, 165 pounds, and James Bailey, heavyweight, will fight men from within the Mitt club ranks.

This will probably be the last chance for Eugene fans to see the University boxers in action this year.

Hoyman Enters Webfoot Team In Splash Meet

Saturday afternoon, a mixed squad of varsity and frosh swimmers will tangle with the state's best in the annual Oregon AAU meet at the Multnomah club.

Oregon's chances of team victory rely upon both veterans and yearlings, but record breaking performances are expected of all-Americans Jack Dallas and Sherman Wetmore. Jim Marnie, another frosh prospect may knock over the sprints record.

Varsity men include Jack Levy, Bert Myers, Ralph Cathey, Ralph Lafferty, John Stewart, Louis Coleman, Pierce Mallory, and Tom Hayashi. Blond-haired Jack Levy will be favored in the distance events. Both Myers and Cathey are outstanding divers in the Northwest and their only competition will be from Edwards of OSC.

Although Oregon State as well as several powerful Portland outfits are entered in the meet, the Oregon squad with its outstanding varsity and freshmen combined should enter the meet as favorites.

The bouts will be held in court 40 in the new men's gym. The Fifteenth street entrance will be used. Admission will be 40 and 25 cents.

"ARE CAMELS REALLY DIFFERENT FROM OTHER CIGARETTES?"...a question of interest to every smoker

"I've never been very fussy about cigarettes myself. Do you think that Camels are really as different as some people say, Bill?"

"You bet they are different, John! A fellow in any work as hard as selling has to figure a lot of angles on his smoking, such as how it agrees with him. And just notice how many salesmen smoke Camels. I changed to Camels—smoked 'em steadily—and I found a distinct difference in the way I enjoyed all-day smoking and in the way I felt. Camels agree with me!"

"YES!" says H. W. DALY, rayon salesman, and millions of other steadysmokers too. And that explains why Camels are the largest-selling cigarette in America!

MARITA'S PLANNING a grand feed. "We enjoy entertaining," Marita says. "I like to have plenty of Camels at the table. Camels cheer up one's digestion."

ON WEEK-ENDS, Bill goes in for photography. On week days he "pounds the streets." "I get tired," he says, "but when my energy fails I get a 'lift' with a Camel."

A KISS FROM MARITA (Mrs. Daly) and Bill is off to his work in the city. The Dalys agree about most things. Among them, Camels. Mrs. Daly smoked them first, noticed a difference. "Now we find Camels agree better with both of us," she says.

A FRIEND DROPS IN (above) to see Bill's model sloop. Daly passes the Camels and answers a natural question. "That all-cigarettes-are-alike talk doesn't square with my experience. Believe me, steady smoking is the test that shows Camels in a class by themselves. They don't make my nerves edgy."
