

Bal Tabarin Band Signed For SDX Ball

Jack Winston Will Furnish the Rhythm For First Spring Campus Dance

Sigma Delta Chi will bring Jack Winston and his "honey from the horn" music to the Oregon campus for their annual informal dance March 25.

Jack Winston, who has just finished a record engagement at the Bal Tabarin in San Francisco, is one of the newest arrivals to the set of top orchestras in the United States.

The dance, which is scheduled for the first Friday of next term, will open the spring social season. McArthur court will don its new drapes for the event, and Jack Winston's "real southern swing," which shot into prominence during the Texas Centennial in Dallas will serve numbers with unusual arrangements and effects achieved by Leader Winston.

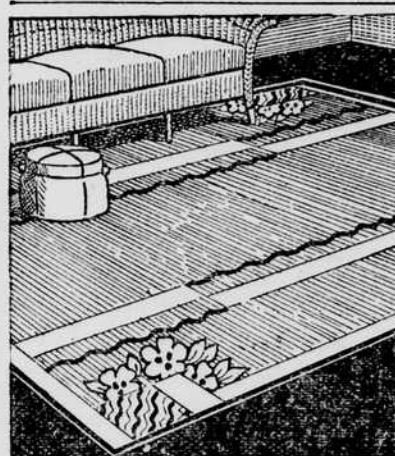

Versatile Songstress

Penny Parker, starring with Winston, is a striking blonde with a Martha Raye style of singing. She trucks and dances and leads the band and has stopped show after show wherever she has played, reports said.
