

# Duckling Baseballers Defeat Lebanon High In Twin Bill, 15-0, 4-1

**Rob Reider, Pete Igoe Hurl No-Hit Ball in  
First Game; Knight, Allegretto, Anderson  
Divide Mound Duties in Second Tilt**

By LYLE NELSON

The frosh baseball team made it three straight wins in two days yesterday when they took both ends of a double header from Lebanon high school, 15 to 0 and 4 to 1.

In the first game the Duckling hurlers, Bob Rieder and Pete Igoe, shut out the Lebanon team with nary a hit. The game was only seven innings to allow time for the second contest. Rieder pitched five of perfect ball and was replaced by Igoe in the sixth.

**First Hit in Sixth**

Sam Knight took the mound in the second game and hurled three innings of shutout ball before he was relieved by Allegretto. Allegretto allowed the first Lebanon blow in the sixth, a short single between first and second base. He was replaced by Alvin Anderson at the end of the sixth. Anderson allowed the only other two blows in the seventh.

A grand total of 36 strikeouts was recorded in the two contests, the frosh pitchers took top honors with 22, while the Lebanon hurlers whiffed 14 Ducklings.

**Frosh Start Scoring**

The frosh started scoring in the first inning of the first game when Yoshitomi hit a single past second, went to second on an error by Tuma, Lebanon catcher, and advanced to third on Elmer Mallory's single. Mallory then stole second and both men scored on Buzz Renick's hard hit single to right field.

Sharma held the Duckling hitters to but one hit, a triple by Hamer in the third, up to the fifth inning when the Oregon sluggers found the slants of the Lebanon pitcher and blasted him from the mound with a series of five hits, coupled with two errors, to net seven runs.

**Start in First Again**

In the second game the frosh started in the first inning with a two-run barrage. They also scored in the third and again in the fourth, but were held hitless for the remaining four innings.

The Lebanon hitters in the seventh combined a single by Simpson and a double by Mealey for their only run. They collected three hits, one less than the yearlings, but were unable to connect with the ball in the pinches.

**Summary:**

First game (7 innings)	R	H	E
Lebanon	0	0	4
Frosh	15	13	0

Batteries: Sharma, Morgan and Tuma; Reider, Igoe and Rathbun, Hufford.

Second game	R	H	E
Lebanon	1	3	2
Frosh	4	4	1

Batteries: Bartholomew, Mesmer, Sharma and Michelas, Tuma; Knight, Allegretto, Anderson and Collier, Haug, Hufford.

## TRACK TRACKS

Lawrence "Larry" Bryan, Duckling shotput star, is Ken Miller's outstanding man in the weight events. He is 6 feet 2 inches tall, weighs 220 pounds and wears a size 13½ track shoe.

Larry hails from Klamath Falls, where he made his letter in track his junior and senior year. He put the 12 pound shot 44 feet, while in high school.

Last summer, after track season, Larry bought a 16-pound shot, and went to Nebraska to work in a lumber yard. While there he practiced intensively until he reached his peak of 45 feet.

This season Larry is practicing hard to reach his mark. So far he has heaved the 16-pound 42 feet 6 inches; but, with the weather staying as it has the last few days, he expects to hit his former record.

## Time Trials for Saturday; Reber, Deiz to Perform

### Good Performances Are Expected With Warm Weather

Duckling cindersmen are ready for track tryouts to be held tomorrow afternoon at 2. With warm weather prevailing over the Eugene area some good times should be made.

Two state champions are to perform. Ehle Reber, state broad jump champ, has been laid up for the last few days with sore muscles, but is expected to try a few jumps. Bob Deiz, dash champ, is to burn the cinders in the 100 and 220. Bob has also been bothered with sore legs this season so far.

Leland Lewis, broad jumper and dash man from Astoria, is a constant threat to all competitors. He placed fourth last year in the state broad jump event and although he did not run the dashes in the state meet he has neared the 10-second mark for the century.

Varsity trackmen will have tryouts the same day, but they will be separate from the frosh events.

Other promising candidates include Bob Keen, Portland, and Bill Orr, Springfield, sprinters; Galen Morry, Roseburg, Earl Maynard, Salem, distances; Ed Adams, Berkeley, Bob Belloni, Myrtle Point, high hurdles; Wally White, Marshfield, Larry Bryan, Klamath Falls, weights; Charles Green, Long Beach, Ward Wilson, Glendale, half milers; George Andrews, Victoria, B. C., javelin and broad-jump.

The frosh are expected to have at least three meets this spring, including the relay and dual meets with the Rooks. The Rook relay meet is scheduled for May 7, while the dual meet is on May 28. There are tentative meets scheduled with Portland high schools and also with schools in the Eugene area.

## Oregon Golfers Meet Huskies Minus W. Kline

### Near, Golden, Cook, Eldridge, Watson, Hughes to Play

Minus the services of Coach-Captain Walt Cline, the Oregon Webfoots open defense of their Northern Division golf title this morning against the top-ranking University of Washington golf squad.

The match, over the sporty Eugene country club course, opens at 8:30 for an 18-hole best ball foursome round, and winds up with singles in the afternoon.

With their ace golfer sick with flu the Oregon men saw their chances for a win shrink, as the six Huskies and an alternate blew into Eugene yesterday and played a practice round over the Country club course in preparation for today's opener.

Doug Dean, Husky manager and No. 5 man reported his team in good condition for the grilling 36-hole test.

Although the Webfoots fear most the veteran No. 1 Carl Janson, playing his last year for the Huskies, they have had no chance to rate the other five men who aside from Dutch Schoch, junior,

## Tex Oliver Discovers New Grid Conditioner

The merry-go-round goes round and round. It's the feature attraction of Tex Oliver's three ring circus now showing on the spacious field behind McArthur court. And the rides are free!

It's not a real merry-go-round with horses and rings, but a two-wheeled affair built by Coach Oliver to condition his football men. The blocking machine is attached by a wooden arm to a revolving steel base.

Pads on the two sides of the "bucker" enable footballers to take a crack at it with either shoulder. Its air balloon tires carry it around in a circle while a brake on the steel base makes its progress slow and difficult for sweating athletes.

Built with recoil springs which buck and kick back on the blocker if he fails to give it drive and carry-through power, the blocking machine was given its first workout yesterday and literally ran circles around the boys.

are playing their first year. The Huskies dumped the University golf club of Seattle 11½ to ½ in a pre-conference last week, however.

As the Huskies line up: Carl Janson, No. 1, Ernie Janson, No. 2, Jay Bloch, No. 3, Bill Haas, No. 4, No. 5, Dutch Schoch, No. 6.

Webfoots: Doc Near, No. 1, Shelby Golden, No. 2, Bill Watson, No. 3, Ben Hughes, No. 4, Kirk Eldridge, No. 5, Lou Cook, No. 6. The Huskies travel to Corvallis tonight, where they will tackle the Beavers in another 36-hole match tomorrow.

## Duck Skiers Leave For Mt. Hood Meet

Seven University of Oregon skiers with Coach Paul Lafferty will leave this evening for Mt. Hood where they will compete in the state collegiate championship winter sports carnival Saturday and Sunday.

Other college teams entered include Reed College, Oregon State, and Willamette.

The seven skiers are: Pat Dolan, Walt Wood, Jim Mackie, Phil Gould, Ralph Lafferty, Tom Wiper, and Jack Plummer.

### SOCIAL SWIM POSTPONED

The student social swim each Friday night in Gerlinger hall will not be held tonight, an announcement from the physical education department said. Ralph Carlson of the American Red Cross will be here to conduct life-saving examinations Friday and Saturday, and during that time he will use the pool, the announcement said.
