

# 277 Men Compete in Sigma Delta Psi Meet

## All-Coast Berths Go To Johansen, Gale

Stanford's Luisetti, Calderwood, and Stoeffen Listed

Laddie Gale and Wally Johansen, pace-setters of the 1938 northern division champion Duck quintet, were among the five players listed by Coach John Bunn of Stanford as the all-coast basketball team for the past season. Slim Wintermute, towering Webfoot center, was placed on the second team.

The selections were made by basketball coaches in both northern and southern division conferences and given to Bunn. They will be sent to the national basketball rules committee to appear as the official Pacific coast team in the spaulding sports guide.

Gale earned a forward berth along with all-American Hank Luisetti. Art Stoeffen took center position on the all-star team. Oregon's Wally Johansen and Stanford's Jack Calderwood were selected by

## Oregon Athletes Defend National Honors in Event

### Sixteen Houses Will Enter Squads for Annual Test

By BILL PHELPS  
Two hundred and seventy men will go to the post at Hayward field today when the annual Sigma Delta Psi intramural track meet swings into action at 3:30 o'clock.

The contestants will represent 16 houses in the quest for intramural points and the national championship. The winning times made here will be sent to the national meet for the national championships.

Contestants must be on the field at 3:30 today, and instructions will be given at 3:40. The field has been divided into nine squads, and they will compete in rotation.

**Threefold Aim**  
The purpose of the meet is threefold—it will count toward the intramural championship, it will be Oregon's attempt to repeat its national championship, and it will determine those who pass Sigma Delta Psi requirements. The meet, under the direction of Russ Cutler, will be amply supervised by a field of officials that almost rivals the starting field in size.

The field is almost twice as large as last year's, and should produce more than one new record. Advices from national headquarters of the honorary state that a trophy will be given to the ten-man team that wins the national meet. This means that the best man in each of the ten events will have his record sent to the national competition, and the school that aggregates the highest marks wins the meet. The trophy will be an addition to the medals given the first, second, and third-place men, and the all-around open and closed championships that Oregon won last year.

The contestants must supply their own track shoes, and they will be absolutely necessary in the mile run and the hurdles. Tennis shoes will do in other events, but contestants without track shoes will be seriously handicapped.

## Orides Whitewash Sigma Kappa Team

Louise Pursley Fans Ten as Losers Play Short-Handed

The Orides defeated Sigma Kappa, 9-0, in a one-sided game in coed softball Wednesday afternoon. The Orides had the advantage from the start due to the fact that Sigma Kappa fielded only five players.

It was a pitchers' game throughout, Louise Pursley on the Orides team striking out 10, and Irma Helickson on the Kappa Sigma team catching seven flies. The Orides' outfield and infield both played consistent games, but Sigma Kappa managed to hold the score down despite the lack of players. Two home runs were hit by Martha Wodeage and one by Catherine Luke, both of the Orides team.

## Warren Threatens Baseball Shake-Up

### Frosh Engage Rooks Saturday Morning In Corvallis

With the Oregon frosh-OSC rook game but three days off, Coach John Warren, freshman baseball mentor, threatened a complete shake-up in the Duckling team.

After a long practice sessions held yesterday on the mud flats, Warren indicated that he was wholly dissatisfied with the showing of his freshman team. Unless some of the regulars pull out of their slump, the Duckling coach threatened to start up-and-coming second stringers.

Yesterday's game with the

## Divot Team Invades Vandal, Cougar Land

Oregon's six-man varsity golf squad left Eugene at 6:30 this morning for Pullman, home of the golfing Cougar, where the two teams tangle tomorrow for the only time this year in a 36-hole doubles and singles match.

On Saturday the Webfoots move over to Moscow to mix with University of Idaho. This will mark the first time the Webfoots have played Idaho in match play competition for several years. Ordinarily the only time these teams meet is in the northwest conference playoffs at the close of each season.

Bob Speer, Webfoot reserve for two years, will at last see action with the regulars when he plays in No. 6 position this weekend. Speer beat Lou Cook one-up yesterday in an 18-hole match for the right to play in the spot vacated by Ben Hughes, regular, who is unable to make the trip.

**Cline Beats Near**  
One other challenge match this week has produced another change in the Webfoot lineup. Coach-captain Walt Cline beat Doc Near one-up to move into No. 1 position for the first time this season. Near

## Frosh Track Stars Meet Rooks in Relay Meet at Corvallis

### Ducklings' First Meet of the Campaign Will Have 440 Relay, Mile Relay, 880 Relay, Three-Mile Relay, Medley Relay

A squad of 16 Oregon frosh sprinters and distance men travel to Corvallis Friday to meet the Oregon State rooks in their annual relay carnival.

This will be the first meet the boys have participated in this season thus far. The freshmen are at a slight disadvantage having had no meets to show their strength and gain a little experience. It is the first time many of the Ducklings have ever run in a relay event.

The first race to be run off will be the 440-yard relay. Bob Keen, Leland Lewis, Ehle Reber, and Bob Diez will uphold the honors for the Duckling aggregation. Each man will run 110 yards.

**Relay Team Named**  
The mile relay will be composed of Galen Morey, Merle Hanscom, Jim Griffith, and Ward Wilson, with each running a 440.

The 880-yard relay will see Bob Keen, Ray Bond, Dwight Nott, and Bob Diez running a 220 each. Bond is the latest addition to the frosh squad.

In the three-mile relay Howard Hall, Eddie Adams, Earl Maynard, and Hugh Simpson will run. Hall and Adams will each run an 880,
