

# Eugene's Annual Diamond Opener Is Scheduled for Tomorrow

## We Don't Wanta Mince Woids, Nor Beat Bushes, We Accept, Say BA Boys

**OFFICIAL REPLY TO THE LAW SCHOOL CHALLENGE**

In our characteristic, to-the-point, straightforward, time-saving, business-like manner, we make reply to the Shysters' challenge, that verbose, but incomprehensible document that besmeared the third page of the Oregon Daily Emerald on April 19, 1939. At the outset, we wish to say that we were not befuddled by the stilted, outmoded, legal terminology which obviously permeated the minds of the authors of that atrocious creation of adolescence. It is quite apparent that at least those two persons, typical of the so-called "law students" who infest that second-hand diploma-mill to our immediate east, are nothing but sublime mediocrities, intoxicated by the exuberance of their own verbosity.

**So They Call It a Dance**

As to the comparison drawn between shysters and business students in regard to personal characteristics, we recall with amusement the comments which appeared in the Oregon Emerald prior to that annual pornographic, alcoholic, sex-fest, commonly known as the "Lawyers' Ball." In speaking of these "hard-working, serious-minded, sober and celibate men of dignified mien," one coed said with a shudder of disgust, "Going to a law school dance in a strapless formal is like throwing catnip to a cage of tigers." Another contemptuously remarked, "A law school dance is a conclusive argument for the return of prohibition."

**They Avoid the Law School**

In regard to the charge that the Business Administration students have diverted the "stream of feminine pulchritude," it is interesting to note that the very quintessence of feminine loveliness still passes the front portals of Commerce hall enroute from Oregon to Deady, and that only the law school is avoided. It appears illogical that these beauties would continue to pass the Business Administration school, were it not for the obvious attraction of the array of Herculean manliness assembled there in studies discussion of contemporary business problems.

**Lawyers Have 'Fish Eye'**

Furthermore, it is not difficult to understand why University coeds avoid 13th street in the vicinity of Fenton hall. No self-respecting woman will continuously subject herself to the lewd stares, raucous whistling, and juvenile quips of amebic, concave-chested, round-shouldered, semi-animated tome-thumpers, precariously draped over upper-story window sills.

**We Accept!**

Finally, we accept the brazen challenge tendered by the attorneys for the "plaintiffs." In previous years, our stalwart athletes have unflinchingly brushed aside the feeble efforts of the challengers' ineffectual fanning-mills and delivered them a sound drubbing, despite the partisan officiating of "Dishonest John" Hollis. Should the "plaintiffs" be so foolhardy as to present their emaciated bodies on the Field of Honor at the appointed time, May 6, 1939, words cannot express the pleasure our gallant lads shall take in administering the customary thorough thrashing.

## Graduate Opinion Favors Organization of Alumni Group for Social Purposes

Possibility of accomplishing a long-suggested organization of graduate students on the campus appeared imminent last night after the release of a survey aimed at a cross-section of graduate opinion on the subject.

The survey stated its purpose as "organizing the graduate students of the University of Oregon for social purposes." A group of four questions was posed, with students indicating their response as yes and no on each question.

Concluding a long period of disorganized discussion, the survey appeared as the first positive action looking to the eventual formation of a graduate organization. Graduates, realizing that they have had common pursuits and interests somewhat outside the common run of campus activity, expressed themselves almost unanimously in favor of forming a close-knit group instead of remaining in their present state of complete disorganization.

Results of the poll, by questions:

1. Are you in favor of an organization of graduate students for social purposes? Yes, 50. No, 5.
2. Would you take part in activities sponsored by such an organization? Yes, 49. No, 6.
3. Would you like to have, and would you patronize, a graduate ball? Yes, 32. No, 19.
4. Are you willing to contribute to the financial support of activities sponsored by such an organization? Yes, 28. No, 12. Undecided, 13.

## Kaapcke Suit First in Moot Court Series

### Action Against Jack McLaughlin To Be April 27

First action in the case of Wallace Kaapcke vs. Jack McLaughlin was taken yesterday when Mr. McLaughlin received summons to appear in the Lane county court house Thursday evening, April 27.

This trial is the first of the law school's moot trials. Orlando John Hollis, professor of law, has charge of the trials and will act as judge.

Mr. Kaapcke has authorized his attorneys, Tony Amato and Stanley R. Darling, to sue Mr. McLaughlin for \$200.

**Kaapcke Has a Car**

Mr. Kaapcke left his car at McLaughlin's garage with instructions to lubricate the car, change the oil in the crankcase, check the tires and battery, and fill the tank with gasoline. When Mr. Kaapcke called for his car, Mr. McLaughlin said everything was O.K.

But when Mr. Kaapcke was driving his car to Salem, the motor stopped. It was found that there was no oil in the crankcase, the engine had overheated and had frozen, and a new motor would be required.

**McLaughlin Won't Pay**

McLaughlin refused to admit liability or make an adjustment.

Orval Etter and Michi Yasui will defend Mr. McLaughlin.

Other law school students taking part in the trial are: Frank Nash, bailiff and notary; Alan Davis, clerk; Bernard Kliks, reporter and sheriff; Mel Rooney, Edwin Welsh, witnesses for the plaintiff; and Carl Helm, George Smith, witnesses for the defendant.

Students interested in being jurymen should see Alan Davis.

### Webfoot Tossers

(Continued From Page Two)

Right hander, or Bob Hardy, tall southpaw veteran, will hurl for the Ducks, Coach Hobson said last night, withholding his final decision until late today.

Oregon's infield, tagged a "million dollar" unit by local fans, is intact and set to show its wares before the Oregon State fans. Bush Smith, first; Ford Mullen, second; Elmer Malloy, shortstop; and Wimpy Quinn, third, have been pointing for this series since the Willamette games.

**Outfielders Ready**

Tommy Cox, Jim Nicholson, and Jack Shimshak, all speedy fly-chasers, will patrol the outer garden for the Webfoots.

Coach Ralph Coleman of the Beaver will probably send his veteran right hander, Ralph Takami, to the mound at Corvallis, and pitch Fireballer Earl McKinney at Eugene Saturday.

The Beaver infield will line up with Pat Patterson on first, Arland Schwab on second, Bill Meyer at short, and Fred Lewis on third. Outfielders will be Bob Bonney, slugger of Silverton's semi-pro club last year, Rod Sims, and Wright.

With Dwight Moore out for the season with a broken finger, Cece Walden has stepped into the first string catcher's berth, and will catch today. Either Fred (Hog) Soller or Bernie Orell will handle Takami's slants.

Ready for relief duty for the Ducks today are Pete Igoe and Al Linn, right handers, and Jack Jasper, southpaw.

Other players who may see action are Whizzer White, outfielder; Jim Rathbun and Mike Kelly, catchers.

## Talbot Inspects ROTC Today

Col. Ralph Talbot, Jr., of the field artillery, will be on the campus today to inspect the University ROTC, according to an announcement of Col. Robert M. Lyon, commandant of the University ROTC.

Col. Talbot will arrive about 10 o'clock this morning from Oregon State college where he inspected the ROTC units there Thursday.

In addition to watching the companies drill he will inspect the records of instruction methods of the military department. He will speak before the senior ROTC class at 11 o'clock, explaining the duties of a reserve officer and the opportunities offered by the United States army through the Thomsen act of 1935.

## Frosh Netters

(Continued From Page Two)

Final singles match Bill Browne upset K. Nehl, 6-1 and 6-2.

Making a clean sweep of the matches Ducklings Browne and Moxley defeated H. Howard and F. Howard, 6-3, 6-2. The other young Oregon team—McCliment and Galbreath—dusted off Eugene high's Zimmerman and Coffee, 6-0, 6-3.

**Summary:**

Singles: McCliment (F) won from Zimmerman (E), 6-0 and 6-1; Galbreath (F) won from H. Howard (E), 6-0 and 6-4; Van Marter (F) won from Coffee (E), 7-5 and 7-5; Moxley (F) won from F. Howard (E), 6-1 and 6-1; Browne (F) won from Nehl (E), 6-1 and 6-2.

Doubles: McCliment and Galbreath (F) won from Zimmerman and Coffee (E), 6-0 and 6-3; and Browne and Moxley (F) won from H. Howard and F. Howard (E), 6-3 and 6-2.

**Fizzeds 14, Sigma 6**

The Fizzed boys from the physical education school came out to show the rest of their intramural league how to play ball yesterday, and they did to the tune of a 14 to 6 drubbing handed the Sigma hall ten. They also banged out 18 solid hits to cop batting honors for the day.

Real class on the mound was also shown by the PE men, with their ace Pillsbury using his deceptive delivery to fool the hall batters. What looked like a drop had the hitters swinging at the air. Bill Grant ran into plenty of trouble as the hall deliverer.

Leading hitter for both teams:

## Twelve Instructors To Attend Carnegie Summer Session

A list has been released of the attend the tenth annual summer session sponsored by the Carnegie American Institute of Architects.

The school will start June 12 and will last six weeks. The following teachers are expected to attend:

Many art teachers from other states will attend.

## Plans Made for Big Baseball Celebration

**Official Home Opening Game Scheduled For Saturday at 3:00; Parade Will Begin Downtown at 2:00**

Plans for a gala opening day celebration to usher in officially the 1939 Webfoot baseball season Saturday were near completion last night as Les Harger, chairman of the committee, announced that the game time had been set for 3 o'clock. The Ducks will play OSC.

Plans call for a rally and parade through downtown Eugene beginning at 2 o'clock from the Southern Pacific depot and winding through the streets to Howe field.

The parade will be led by the University band. Included in the parade, in addition to cars of the baseball players, will be a float carrying the "Daisy Mae" candidates and advertising the Frosh Glee, Harger revealed. The Order of "O" will also participate.

After the procession reaches Howe field a short ceremony will take place. Dr. Donald M. Erb, president of the University, Mayor Large of Eugene and several prominent sports men will participate in the ceremony. It is not yet certain who will throw the opening ball, Harger said.

The usual line of prizes for the first home run, first hit, first error, etc. has been arranged, Harger said. The complete list of these prizes will be run in tomorrow's Emerald.

Maxine Glad, Junior Weekend queen, will be out of town Saturday and will not be able to take part in the ceremonies, it was learned last night. Previous plans had called for the first ball to be thrown by Maxine.

Coach Howard Hobson could not be reached for a statement on the starting lineup for the Webfoots, but from all indications the regular varsity lineup with Bob Hardy on the mound and Cece Walden
