Look It Over.

THE state board of higher education has not visited the Oregon campus during a regular session of school since 1935. During that time a great deal has happened to Oregon.

For one thing the enrollment has increased more than twenty per cent. The physical plant has been increased by a library, a men's physical education plant, an infirmary, a half-finished humanities building, and another mile or so of heating tunnels. The faculty has been increased by a new president, a number of professors, new coaches.

The reputation of the University has been enhanced by a national basketball championship, a campus daily that rates with the best, a rifle team which is the champion of the nation, a symphony orchestra that has been given high praise by professional men.

The Oregon has won high awards. Track stars have held world titles. Oregon students have won CPA honors, have passed law exams with flying colors, hold high positions in the business world.

The list could be continued indefinitely. The state board is visiting a University, we feel, of which it can be justly proud. We consider ourselves fortunate to be associated with it.

Look it over, members of the state board. Under your administration it has grown and prospered. The future stretches before us full of promise.

A daisy to the freshman class for their fine job of decorating the Igloo for the Frosh Glee. We've never seen the old place so completely and competently camouflaged. The staged feudin' at dance was a clever idea, but 'warn't nothin' like the feudin' that went on over the Daisy Mae contest after the dance.

It was O.K. with Mary Graham, Hendricks haller, if her partner stepped on her at the Frosh Glee, but when a 200 pounder whom she didn't even know stepped on her foot and broke a bone in it, that was puttin' it on too heavy.

Oregon Betas Double Victors

Beta Rho, Oregon chapter of Beta Theta Pi, came away double winners from the annual spring convocation of Northwest chapters of Beta Theta Pi in Portland Saturday, which was attended by about three hundred and seventy-five members.

The Oregon chapter won a trophy annually given to the chapter in the Northwest with the highest scholarship record for the past year. Another trophy for having the greatest number of school athletes was brought home by Watt Miller, president of the Beta Rho chapter.

Yes indeed, 'tis quite a tussle free-thinking Americans are now having over this recurrent problem of isolationism vs. collective security. And it seems that the students at Oregon had just a taste of the struggle last week when the strike for peace ended with a dispute of its own.

So now that the shouting has quieted down, it might do to look into that little struggle again, including the "bouts" of Farquharson vs. Epps and Drews vs. Harlow. And of course we can't help mentioning a relevant criticism of the whole procedure last Thursday—that with about one exception there was plenty of emotional appeal and not enough real analysis of the fundamental problem.

Of those who spoke at the assembly, Washington's Mr. Farquharson was about the only one whose appeal was couched in precise and matter-of-fact terms. He plainly set for his opinion in favor of military isolation. He drew an analogy between the present situation and that of 1917, pointing out that they were quite similar, and stating that he could not help feeling that the result would be the same. Everyone seems to agree now that the result of our entrance into the World war was bad—bad for us and possibly for all Europe. Thus Mr. Farquharson wants to keep our military frontiers on this continent.

It is regrettable that we can not say so much in praise of Oregon's Mr. Epps. We find that his address rested for the most part on a personal appeal for support of President Roosevelt in anything which he may do.

Mr. Epps' next plea was that America go over and "clean out" the European dictators. Again he seemed to forget that the last war bred and helped set up the present crop of dictators.

And he passed over the fact that war-time conditions automatically suppress all the characteristics of democratic government in this country. Finally, he at all times failed to show why the forces opposing "Hitler incorporated" should all be considered as forces for utopian good rather than movements to further individual selfish aims.

Of course, pledges and expression of unanimous opinion are inspiring things. But they are seldom very rational, and may become dangerous tools. After all, hasn't Hitler been approved by the German people by practically a unanimous vote?

Recent Comeback: Barbara Ward, Alpha Chi Omega, returned Jack Coleman's Sigma Nu pin. And it is rumored that because of a little difficulty Betty Milne, Alpha Chi Omega, is not wearing Jack Lochridge's Fiji pin.

The return of rainy weather hasn't seemed to affect the pin planting season. Last week found Kay Babcock, Kappa, wearing Lara Wintermute's Beta pin, Sue Peil, Alpha Phi, accepting Ralph Lafferty's SAE pin, and Irene Yturri, Alpha Chi, taking Bob Clay's Sigma Chi emblem. Then, too, Annette Ansley, DG, came home the other day with Fred Ziegler's Sigma Nu pin.

Barbara Roberts was very much alarmed the other day over losing a diamond dinner ring which she valued at around \$300. She found it a day later underneath her study table. See what can happen to girls who study.

And box office receipts weren't the only nice thing about "With Fear and Trembling." Behind the scenes Wilfred Roadman gave his DU pin to Janet Eames, Gamma Phi, who dances in the show.

And Lorraine Hixson's stage-door-Johnnie is Yerby, Sigma Chi.

Eugene townspeople are objecting to all the light romance—or should we say—lighted romance going on on the campus. Evidently they think too much light is being cast on the subjects.

Oregon's Captain Les Werschkul lost in two straight sets to Bud Gilmore, 6-2 and 11-9. Werschkul drubbed Gilmore, 6-2 and 6-3 in the earlier meeting of the two squads. Gilmore is the Pacific northwest conference singles champion.

Leonard Clark, versatile Duck lefthander, continued his winning tactics by pounding George Gutekunst, 6-2 and 6-1. In last Tuesday's match Clark won from the tall Bearart, 6-3 and 6-3.

Williams Triumphs
Don Dillingham outpointed Oregon's No. 3 man, Dick Phillippi, 6-2 and 6-0. Phillippi edged Dillingham out in the first match that was held in Eugene, 8-6 and 6-1. Rex Applegate, hefty Duck, played three sets before dropping Bill Clemen, 1-6, 6-1, and 6-1. Continuing his undefeated singles record, Webfoot Dick Williams slammed out a 6-4 and 6-2 win over H. Downs.
In the first doubles match Gil-

more and Dillingham defeated Werschkul and Clark, 7-5 and 6-3, and the score stood: Oregon 3, Willamette 3. The Ducks had to take the last doubles match, and they did. Dick Williams and Rex Applegate dusted off Gutekunst and Clemen, 6-3 and 6-3.

Summary:
Singles:
Gilmore, Willamette, defeated Werschkul, 6-2 and 11-9.

Clark, Oregon, defeated Gutekunst, 6-2, 6-4.

Dillingham, Willamette, defeated Phillippi, 6-2 and 6-0.

Applegate, Oregon, beat Clemen, 1-6, 6-1, and 6-1.

Williams, Oregon, beat Downs, 6-4 and 6-2.

Doubles:
Gilmore and Dillingham, Willamette, defeated Werschkul and Clark, Oregon, 7-5 and 6-3.

Applegate and Williams, Oregon, defeated Gutekunst and Clemen, 6-3 and 6-3.

PE's Lay Plans For Play Day

The women's PE department will hold their annual Play Day on May 6 for all grammar school students of the fifth to eighth grades in Lane county.

The children will be organized into teams from their individual schools to play baseball and volleyball, and enter into relays, stunts, and games. Miss Janet Woodruff, associate PE professor, Miss Zelpha Huston, county representative, and Miss Beverly Young, student in physical education, are in charge of the Play Day program.

This event will be open to the public and will be of special interest to students in the PE school.
