

DUCK TRACKS

By ELBERT HAWKINS, Co-Sports Editor
Oregon Daily Emerald

It's really pretty late now to be paying tribute to and erecting memorials for the deeds of Oregon's mighty four seniors—Laddie Gale, Slim Wintermute, Bobby Anet, and Wally Johansen—who won the school a national basketball title last spring. But we figure better late than never.

J. C. Stovall, instructor of geography on the campus, made a suggestion following the final Ohio State game that the numbers of Hobby Hobson's national greats, Nos. 20 and 22 for Bobby and Wally, and Nos. 22 and 28 for Slim and Laddie, be forever kept off the backs of Oregon hoopers in honor of their deeds. His suggestion was to either hold out the numerals or the jerseys themselves.

It's Never Too Late

Despite the fact that Bill Borchers, Hank Anderson, Paul Jackson, and Vic Townsend have donned Nos. 28, 22, 20, and 32 this winter the flame of Stovall's idea has kept burning. The Oregonian's L. H. Gregory came forth recently in his widely read column pleading for retirement of the numbers. And Dick Strite backed him up in the Register-Guard's Highclimber column.

We'll concede that actual retirement of four jerseys now (and that of Forward John Dick's with the 18 on it after this winter) would cost the school a little money. But why not the numbers? Placed on a suitable mounting with the players' names and records, Nos. 20, 22, 28, and 32, would make a nifty background in Oregon's new trophy cabinet at the Igloo where future basketball crowds will have a reminder of that great 1939 season when they saw a national championship hoop team in action. Here we are in the middle of another heated northern division campaign with the national championship game nine months behind,

and people are still talking about Slim's amazing accuracy from the floor, Laddie's scoring record, and the driving of that backcourt pair Wally and Bobby who have played together since their grade school days in Astoria. Doesn't look like they're being forgotten?

Let's Have an Answer

So it looks like a showdown is at hand. Either those numbers will be retired for future generations to peer at in Oregon's trophy cabinet or the school's bigwigs will have to offer sufficient reason for not going through with such a kind act. Writer Dick Strite has a good point when he says there are plenty of two digit numbers under 100 for future Oregon basketballers to wear.

The current issue of Look magazine carries a picture of the 1939 Webfoots in action against Washington's perennially running Huskies. The picture comes with an article "Basketball . . . is the Great American Game—2 million play it . . . 80 million watch it."

In describing types of ball used throughout the country, Look magazine says: "Wild-shooting westerners favor flipping the ball at the hoop with either hand . . . almost 50 years ago, when basketball was emerging from its peach-basket days, it was played under a single rule. Today it has 113. Their different interpretation makes basketball a precise game in the East, a driving, slam-bang sport in the West."

Fire Department Basketball

About the picture which shows Slim Wintermute tossing in an overhead shot: "Fire department basketball," Indians call this. 'Just spray shots at the hoop, get your percentage!'"

Statistics are usually boring, but sometimes they reveal oddities you wouldn't believe possible. Take the comparative records of Tex Oliver's 1938 and 1939 football teams. They both played through the same round robin heap in the Pacific coast conference, but didn't have similar seasons at all in respect to the teams they beat, etc. They both piled up over 2100 yards which is more than a mile and wound up with an actual difference in yardage gained of SIX FEET in favor of last fall's aggregation.

John Dick Sets Pace for Losers With 14 Points

(Continued from page one)

John Dick's points in the first half and twice led Oregon rallies that temporarily threatened the Husky lead.

The defeat, while not eliminating Oregon's chance at the title, was a serious blow to her hopes. The victory was the first one for Washington over Oregon since the first game of the '37-'38 season—a seven-game string of consecutive victories.

The game was exceptionally clean, only 24 fouls being called on the two teams. Washington missed 8 of 17 free-throw tries, Oregon 7 of 12.

Dick walked off with scoring honors, collecting 14 points for the evening. Harry Nelson, rangy Husky forward, collected 13 to lead the winners.

The two teams meet again tonight in Seattle with Oregon's champs trying to hit the comeback trail toward the conference championship.

Coed Hoopers Face Full Week

22 Donut Quintets Start Eleven-Game Schedule Monday

Many of the coed intramural basketball teams will get their first real competition this week. Eleven games are scheduled to start Monday at 5 p.m. AOPi vs. Susie, outdoors. Tuesday, 4 p.m. Alpha Chi O vs. Tri-Delt Co-op vs. DG, outdoors. 5 p.m. ZTA vs. Chi O. Theta vs. AOPi, outdoors. Wednesday, 5 p.m. Gamma Phi vs. Alpha Chi O. Thursday, 4 p.m. Susie vs. ADPI. Tri-Delt vs. Kappa. 5 p.m. Alpha Phi vs. Co-op. Sigma Kappa vs. ZTA. Practices may be held Monday at 5 in the indoor gym and Friday at 5 in either gym. Postponements must be phoned to Margaret Young, 2340 by noon of the day the game was scheduled for, otherwise it will count as a default.

Kirkwood Co-op, Pi Kaps, Zeta Hall, Delts, Scotch Terriers, Sammies Are Dropped Into Defeat Column

By JIM BROWNE
Alpha hall, Sigma Phi Epsilon, and Theta Chi emerged victorious last night at the expense of Sigma Alpha Mu, the Scotch Terriers, and Zeta hall, as the intramural basketball "A" tournament continued.

Alpha hall tangled with the Sammies in the first game and the dorm quintet soon took the lead. Bill Endicott, Jim Lill, and Wayne Kelly led the Alpha hoopers to a 10-4 lead at the half. The second half saw the Sammies take command and they came within three points of Alpha's score as Hymie Harris began to hit the bucket. The final score was 15 to 12.

Lineups:
Alpha Hall, 15
Endicott, 5
Lill, 6
Lebenzon, 2
Adams, 1
Kelly, 3
Lewis, 3
Kunz, 2
Officials: Nilsen and Tower.

Sig Eps Win Easily
Sigma Phi Epsilon defeated the Scotch Terriers in the second game of the evening. The Terriers failed to score until about five seconds before the half, when Smith canned one to make the score 11-2 at the half. The SPE hoopers added another 11 points to the Terriers' 4 in the second half and the game ended 28-8. Reginato, J. Waits, and Reber were the outstanding men on the SPE team.

Borrevik Runs Wild With 22 Points for Frosh Quintet

By JIM SCHILLER
Caging two baskets in an overtime period, Omega hall staged an upset in downing Delta Tau Delta yesterday in an intramural "A" basketball league game. In the other two games played on the same court the Duds downed the Pi Kappa Alpha team, 21 to 13, and Beta Theta Pi overwhelmed Kirkwood Co-op, 35 to 8.

Robinson Edmundson sank a two-handed pivot shot in the closing seconds of the overtime period to give Omega hall a hard-earned win over Delta Tau Delta in the thrill packed game of the day.

In this fast moving overtime period Seifridge of the Delts scored first on a one-hander. However, Boice brought the Omega boys back on even terms with an accurate long shot. In the fleeting seconds Edmundson grabbed the ball in one of the wild scrambles and sank the winning basket.

Omega led throughout the entire game until the last five seconds of play when Baxter of the Delts broke down the floor to cage a set-up shot that tied up the contest at 15 to 15. The halftime count favored the independents by an 11 to 7 count.

Quinn alone counted for 19 points. Some of the successful shots he completed were a back-hand tip-in and a two-handed overhead shot from the foul line. Wimpy's towering height also controlled the rebounds for his team.

Disaster struck late in the fourth period of the contest when Robert Brayton of the Co-op received a badly injured arm. A report from the infirmary last night said that no bones were apparently broken.

During the entire first quarter only two points were scored and they were by Johnson of the Betas. However, in the next and part of the third periods the Betas went wild to score 21 points before their opponents found the hoop for a score.

Sports Mix Set For Wednesday

Athletically minded members of the campus men and women living organizations will have two nights of mixed recreation set aside for their next Wednesday and Thursday nights in the men's gym, it was disclosed late last night by Margo Van Matre of the WAA.

This marks the initial venture of this sort at Oregon, and 12 men's houses and 12 women's houses will send participants into the various events. All teams will be composed of five men and five women players.

Intramural managers of the houses selected to compete in Wednesday night's round will meet at the College Side on Monday afternoon at 4:30 for a drawing that will decide who meets who.

Sports to be played include volleyball, badminton, ping pong, handball, and shuffle board. All are to be played on a round-robin schedule basis. Swimming will be open to all after the regular program in Gerlinger hall.

Games will start at 7:30.

OSC Downs Idaho, 40-28

Last Night's Games
At Idaho 28, Oregon State 40.
At Washington 39, Oregon 31.

Tonight's Games
At Washington, Oregon.
At Idaho, Oregon State.

Oregon State's Beavers tightened their hold on first place in the northern division by thrashing the hapless Idaho Vandals, 40 to 28, last night at Moscow. The win gave the Orange a game-and-a-half margin over their nearest rivals, Washington, and bedded the Vandals deep in the cellar with their sixth consecutive loss.

Oregon State jumped into an early lead, and except for a 6 to 6 tie in the early moments, was never threatened. The Orangemen led 23 to 13 at halftime.

John Mandic collected high point honors for the night with 13 points, while Idaho's Ramey gathered nine. The two teams met again tonight.

Short score:
Oregon State, 40
F. Mandic, 3
Romano, 7
Mulder, 3
Hunter, 4
Shaw, 2
Valenti, 8
Halftime score: Oregon State 23, Idaho 13.

Officials: Munson, Seattle; Nelson, Moscow.
