Groesbeck, Appointments

New Members of State Board Will Take Office at Once

With their appointments coming close together, Mac Hoke, Pendleton, and R. C. Groesbeck, Klamath Falls, within the past month became the two newest members of the State Board of Higher Education.

Hoke, who succeeds E. C. Pease, was an observer at the March 12 meeting of the board in Portland pending his confirmation by the senate interim committee. Groesbeck replaces Herman Oliver, who resigned to become a member of the state highway commission. Confirmation for the two will probably be made when the interim committee meets Saturday.

Hoke's daughter, Joan, is a junior in English on the campus.

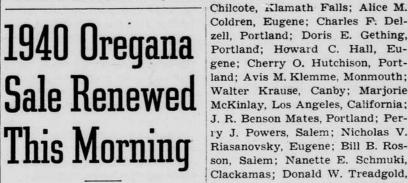

25 Years

A practicing attorney for the last 25 years, Groesbeck's first career was in the field of education. Graduating from Arcadia college in Louisiana, he attended the Peabody college for Teachers, Nashville, Tennessee, and the University of Nashville. After taking graduate work at the University of Chicago, he helped in the establishment of proper grade and high schools in Louisiana and other parts of the south.

After retiring from the educational field, he graduated from the Locating in Klamath Falls, he has practiced there since.
