## SPE, Phi Sigs, Kappa Sigs, Yeomen Win

### Phi Psis Beaten In Close Game; Pi Kaps Lose

Winding up the first round of games in "B" league volleyball yesterday, four more teams entered the undefeated column. The Kappa Sigs took two straight from the Pi Kaps, SPE won by default over Kirkwood Co-op, the Yeomen won two straight from the Sammies, and the Phi Sigs took two out of three from the Phi Psi club.

The Kappa Sigs, blossoming out in the first uniforms to appear so far, met with little competition from the Pi Kap outfit. Starting slowly and gaining momentum as they went, they easily outclassed the Pi Kaps in two fast games by 15 to 6 and 15 to 7 scores.

Lack of players forced the Kirkwood Co-op players to forfeit their game to the SAEs in the other 4 o'clock contest.

#### Four Man Team

In a game in which neither side had enough players the Yeomen took two straight from the Sammies by 15 to 6 and 15 to 12 scores. The independents played with only four men throughout the two games but still handily outplayed the frat men.

The only skirmish to go the full route was the Phi Sig and Phi Psi encounter, the Alder street boys, after losing the first game, came back strong to take the final two in their stride. Scores for the games were 6-15, 15-10, 15-2.

#### Games today:

4:00—Campbell Co-op vs. ATO (B teams); Phi Delt vs. Kirkwood Co-op (A teams).

4:40—Kappa Sig vs. Omega hall; DU vs. Sigma Chi (both A games).

## Oregon Defeats Portland Cinder Team, 83 to 51

### Boyd Brown Sets New Track Record In Javelin Throw

The University of Oregon track team successfully opened its season last Saturday by taking first place in every race and winning all but two field events in defeating Portland university team at Portland, by a 83½ to 51½ score.

Oregon's Boyd Brown set a new track record when he tossed the javelin 209 feet 11 inches. His throw beat the former record by 19 feet 3 inches.

#### Mitchell Wins

Bob Mitchell starred for the Ducks by withstanding a final stretch drive by Jim Plymel of the Pilots to win by five yards. Plymel started his push in the last lap and after a 30-yard neck and neck sprint, Mitchell gradually pulled away from his competitor.

Jim Harris won the high jump competition with a mark of 6 feet two inches. His jump was remarkable under the adverse weather conditions, which slowed down all the times and marks.

Jim Buck and Bob Deiz were the only two-time winners of the meet. Buck won firsts in the low and high hurdle events while Deiz was victor in the 100 and 220-yard dashes.

#### 13 First Places

Oregon won 13 first places against Portland's one win and one tie. Portland piled up many points against the Webfoots, however by taking the majority of the second and third places.

Considering the sloppy weather and muddy clay track upon which the events were run, the times were very remarkable and gave indication of a well balanced out-

A new schedule of competition for the trackmen has been arranged by Bill Hayward, coach of varsity track at the University of Oregon. The annual event was started four years ago by Hayward and since that time has rapidly developed into one of the most outstanding prep meets in the Northwest.

## Pete Igoe Pulls Monmouth Tilt Out of Fire

### Webfoots Return To Form Following Portland Loss

By KEN CHRISTIANSON

University of Oregon won another ball game yesterday—this time from Oregon College of Education at Monmouth behind the fire-ball pitching of Pete Igoe, Webfoot junior hurler. Igoe went into the game when the score was tied with men on bases and set the Wolves down to post an 11 to 9 ten inning win.

The affair was a pre-season one with another billed for today. Oregon will meet Linfield at McMinnville in its second game of the week. Pacific will be the opponent in a double header Wednesday on Howe field.

Oregon batters hammered out 12 hits off Miller and Jeross, OCE pitchers, while Virg Haynes and Igoe held the Wolves to 11 hits. Eight Oregon normal errors contributed to the Oregon win. The Ducks bobbed three times.

Riney, first baseman of the Wolves, was the leading hitter with four blows in five attempts. One of them was a home run with one on. Jeross, who tossed seven innings of ball for the Wolves, garnered two for three—both were good for two bases.

Dick Whitman got three for six, one of which was a four-base hit which also scored Tini Smith for Oregon. Smith got two for five. Bill Carney hit two for six. Haynes slugged out two for three, one of which was a triple.

#### Igoe Relieves

Igoe entered the game in the ninth and pitched two frames of ball, setting down the run-hungry Wolves in one-two fashion, after Hayne's arm became sore and the Wolves began hitting him.

Saturday the Ducks took their first pre-season setback at the
