Ace Pitcher Hurls Three Hit Game; Paces Team at Bat

Dick Whitman Lashes Out Double For Ducks' Only Extra Baser; Tilts Slated Today on Road

Slender Pete Igoe was a big man on the mound for Oregon yesterday afternoon on Howe field and the veteran righthander set down Willamette university by a 4 to 2 score with only three hits. The victory made it seven wins in nine pre-season starts for ~~Hobby Hobson's~~ varsity baseballers.

Throwing a lively hook and a zippy fastball, Igoe had the Bearcats pretty consistently under his thumb and didn't even

allow a hit until the sixth inning. He whiffed seven Willamette batters during the full nine innings and was so steady in finding the plate with hooks and speed that only one man got a base on balls.

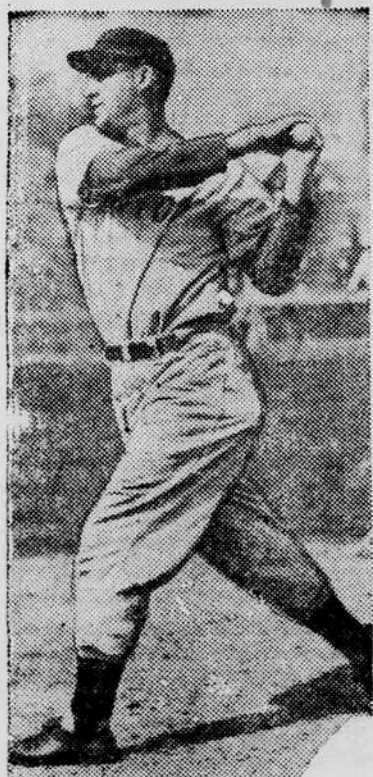

Seven Base Hits

Oregon's batting was none too heavy off the offerings of Harold "Gabby" McAbee, the Ducks getting only seven hits—six of them singles. Three of Hobson's stickers got two hits apiece. The rest of the Webfoots just couldn't touch the Bearcat righthander.

Oregon will face the offerings of Willamette's toughest pitcher, Bob White, at the new George Waters Western International league ball park in Salem this afternoon at 3:30. Lefty Jack Jasper is the probable Webfoot pitcher. Coach Hobson plans to send Al Linn against Linfield in a morning game on the McMinnville diamond.

Only three Bearcat batters reached first base off Igoe in the first five innings yesterday and they went down one, two, three from the second to the sixth. Centerfielder Longergan got life as a lead-off hitter in the first inning on an error by Tini Smith

at shortstop but he died at second base.

Only One Walk

Pitcher Pete walked his only man of the game, First Sacker Murray, at the start of the second inning and the Willamette infielder went around the bases on an error and an out-to-first play.

Oregon tied the score in the last of the second inning on a single by Catcher Cece Walden, a walk by Lloyd Beggs, a single by Jack Shimshak, and an out-field fly by Whitey Austin.

Big inning for the Webfoots was the fourth when Hobby's gang made use of three hits and an error to trot over three runs. The Ducks never scored after that, in fact they were handcuffed by McAbee from then on, but the three tallies were enough to clinch the game.

The Big Fourth

The big fourth inning for Oregon opened with Bill "Kiki" Carney, outfielder, reaching second on shortstop's two-base error.

Baseball Daze

Warm days, vendors threading their way through a fair-sized crowd selling coney islands, ice cream, and pop, two umpires, and eighteen ball players furnishing entertainment marked yesterday's baseball game between Oregon and Willamette.

For a good delivery and one of the best fast balls we've seen this year, we nominate Pete Igoe. He still has one more year of eligibility and should improve on his stuff.

One of those viewing the game was Fritz Kramer, Eugene high's coach who had Herb Hamer, Pete Igoe, and Burke Austin under his wing. Under Kramer, Austin was given second all-state basketball team mention.

"Tommy Cox made a nice stop at third base—had to or it might have hurt him," declared one fan. "Pepper" Cox is filling in at the hot corner while Arba Ager nurses an injured leg on the bench. Cox is the most versatile man on the team. He can play second, short, third, or in the field. For all of that, maybe he can pitch and catch, too.

Benny Goodman may be the "King of Swing," but considering Dick Whitman's terrific clip of around .650—"Bird Dog" Whitman is Oregon's "King of Swat."

The pitcher-batter duel predicted yesterday failed to materialize. Whitman and Willamette's pitcher Bob White were teammates of Silverton's Red Sox who won the state title. More will be known about the civil war after this afternoon in Salem for the Oregons and Bearcats test each other again. The Ducks play Linfield in McMinnville this morning.

Spikes Tear Oval Again

Varsity Trackmen Working Towards Annual OSC Relays

Oregon's varsity track squad returns to Hayward field and a cinder track today to pick up training for the Oregon State relays where they left off two days ago while the varsity oval was taken over by the Hayward relays.

Coach Bill Hayward has not allowed his men to remain completely idle, however, and light workouts have been taken on the field back of McArthur court.

Concentrates on Speed

Today Hayward will concentrate on speed as he sends his men through a tough drill. Yesterday afternoon after the high school relays, all varsity men threw off their officials uniforms and donned track suits for a light brisk workout on the cinders.

Time trials for the Oregon State relays next Saturday will be run off Wednesday afternoon. Hayward stated yesterday. The meet with the Beavers promises to be a tough battle for the Ducks, as the Staters are reported to have one of their strongest teams in years.

GOLFERS NOTICE!

All score cards for intramural golf must be turned in to the physical education building by Monday noon . . . or else!

The Lane county rifle club, though a newly-organized group, is already the largest organization of its kind in Oregon, with members drawn from all over Lane county.

The county team is coached by Jerry Upshaw, internationally-famed rifleman, who has fired on several national rifle teams. Now on a disability retirement from the Pasadena police force of California, Upshaw has made his home in Eugene.
