### Webfoots Complete Pre-Season Slate With Nine Wins and Three Defeats; Al Linn, Bob Rieder Pitch Well

Oregon's light-hitting varsity baseballers wound up their pre-season campaign on Howe field yesterday afternoon by trimming a ragged crew from the Oregon College of Education, 10 to 4. The Ducks posted win No. 9 in 12 conference starts.

The Webfoots were able to post a fairly substantial total of runs but didn't do it through any terrific slugging. In fact not one Oregon hitter posted an extra base hit—the winners did their run making off to Monmouth pitchers on nine singles and seven errors.

Encouraging to Oregon fans was the mound work of Al Linn and Bob Rieder, a pair of the team's righthanders who are apt to be doing a lot of work during the northern division season. Al and Bob split the first six innings on the hill and allowed narry a hit or a run.

#### Four Run Ninth

The Wolves got their four runs in the first of the ninth inning when Relief Pitcher Haynes of the Webfoots eased up and allowed four singles and four runs. The big Monmouth inning was aided by a couple of boots.

Curly Al Linn opened on the mound for Oregon and he hooked up with Righthander Walt Jaross of the visitors in a real mid-season mound duel. Al left the game after three innings with two strikeouts to his credit and a 1 to 0 lead—not a Wolf had reached first base.

Lanky Bob Rieder then took the hill for Coach Hobby Hobson and for two more innings he set the visitors down in order. Two of Al Cox's boys got on base in the sixth but both times it was on Oregon errors, and Rieder finished his three innings with no hits and no runs. He whiffed five batters.

#### Score in Third

Oregon got its first run in the third inning when Lead-off Tommy Cox got life on an error, was forced to second on a walk, and scored on Catcher Cece Walden's base hit to left field. Run No. 2 for the Ducks came in the fifth inning when Jack Shimshak scored on First Baseman Riney's error.

Big inning for the Webfoots was the sixth when four runs crossed the plate. Strangely, the winners got only one single in that inning, two errors helping the cause. It all started with one man out when Pitcher Jaross walked Whitey Austin. He struck out Bud Walker, catcher, but also passed Arba Ager who was in at third base for Cox. The bases were filled when Jack Shimshak reached first on an error at third.

Sluggo Dick Whitman, who got two hits in three times up during the day, then came to bat and rapped a low single into centerfield. The Monmouth outfielder left it trickle through his legs and what's more didn't hurry very much in chasing it. The result was a three-base error and four Oregon runs. Whitman went all the way around on his single to clean the bases.

#### Score in Pairs

Oregon finished its scoring for the day with two runs on two hits

and two errors in the seventh and two runs on a brace of hits and one boot in the eighth.

Oregon College of Education's half of the ninth inning was a bad one for Pitcher Haynes and his Webfoot mates—Oregon losing its shutout.

It opened with Jake Miller, rightfielder, singling to center. Riney then rapped the ball to shortstop where Earl Carrilho, reserve infielder had a perfect force play set up. He tossed the ball past second base and Miller scored, Riney stopping at second. Szedlak and O'Connell then rapped out base hits to left and right fields, respectively, giving the visitors two more runs. A bad throw to second by Bill Calvert gave OCE's players their final run.

## Frosh Relay Trials To Be Run Off Today

Facing the combined power of both Eugene city high schools in the tryouts tonight, Oregon's frosh trackmen joust for spots in the Oregon State relay meet, scheduled here Saturday.

The two prep outfits are entering relay teams composed of the best runners from each school. Neither prep squad collected much in the recent Hayward relays, but the Axemen from Eugene high took four of the nine events in trials held with the frosh last Wednesday.

Relays on tap include the 3-mile, 440, mile, 880, and distance medley. No field teams will be entered.

Coach Ned Johns has tentatively selected Mallory, Rucker, Bob Rudolph, and Lloyd LeClair to carry the stick in the 880 relay, with each man going 220 yards.

Probable entrants in the 440, in which each runner travels 110 yards, are Ross Gearhart, Russ Soper, Dick Ralston, and Lloyd LeClair. Tabbed for spots on the mile team are quarter-milers Mallory, Rucker, Bob McKinney, and Gearhart.

Johns stressed that no lineups are final as yet and kept his distance choices in the dark. Most likely to compete in the half are Bob McKinney, Stan Watt, and Ken Maher. Few of the milers are in shape; the trio of Wilmer Lyon, Tony Nichachos, and Bernard Engle is in the best condition at present.

## Injury Jinx Hits Frosh Baseballers

John Warren took time out from his coaching duties yesterday to look over his battered frosh baseball team. What he saw surely wasn't pleasing to the eye of any coach, for six of his small starting squad were out of action with injuries, low grades or sickness.

Glenn McKibben, husky catcher, joined the injured list, when a foul tip broke the little finger of his right hand in Monday's game with Eugene high.

Al Sorenson, first string receiver, fast on the mend from a broken finger, was sent to the infirmary with a stomach disorder. With Sorenson and McKibben out,
