

Huskies Test Haywardmen Today

Six Seniors in Last Local Appearance

By BOB FLAVELLE

Six seniors on Oregon's track team will perform on the home cinder path for the last time this afternoon at 2:30 when the Ducks entertain the University of Washington in a meet which will find second and third places playing an important role in deciding the winner.

For Bob Mitchell, Jim Buck, Captain Kirm Storli, Rod Hansen, Frank Emmons, and Boyd Brown, it will be their farewell appearance before the home fans and although the Duck team is the underdog in this meet, the senior six are all favored in their specialties.

The big question mark today is the condition of Jim Buck, who has had a slight leg ailment the past few days. If he can perform today as he did last Saturday against Oregon State in the relays, the Webfoots may be able to eke out a victory over the Husky crew.

Hayward Predicts

Coach Bill Hayward, one mentor whose advance dope can be taken with much more than a grain of salt, predicted victories for Oregon in the mile, two-mile, 880, pole vault, shot put, and javelin throw. Washington, he predicts, will also take six firsts and the low hurdle, high jump, and discus events are a tossup between the two.

Lack of reserve strength is expected to spell disaster for the Oregon team. With first place points so evenly divided, second and third place winners will decide the ultimate meet victor, and the Seattle squad seems to have considerably more manpower in each event.

Rod Hansen is expected to have little trouble garnering top honors in the pole vault despite the fact that this will be his first meet of the season, having been on the shelf for three weeks with a pulled muscle.

Javelin Record Possible

A new meet javelin record is possible if Boyd Brown, Oregon's great spear tosser, is pressed for victory. Brown threw over 207 feet in the Portland meet this year and is reported to have tossed the javelin 219 feet in a recent practice session. Hayward made it clear, however, that a first is all he expects from Boyd and he is not looking for any records to be broken.

Theta Chis, ATOs DUs Win on Court

Three Teams Score Four Straight In Volleyball

Three teams, DUs, ATOs, Theta Chis, all won their fourth straight game in "A" league volleyball. The other winner, Kirkwood Co-op, climbed out of the cellar of their league with a default win over Omega hall.

The DUs showed plenty of power as they waltzed through the Kappa Sigs 15 to 4 and 15 to 6. Led by Bill Borchert and E. Nicklas they completely overpowered their opponents. Well-placed kills in the front court and hard drives to the back court helped to account for their win.

Delts Outclassed

The only other game of the afternoon found the Theta Chi sextet pull through with a win over the Delts by 15 to 10 and 15 to 7 scores. The losers put up a stiff fight but were no match for the more experienced Theta Chis.

The ATOs remained undefeated with a forfeit win over the Sigma Nus and Kirkwood co-op left Omega hall all alone in the cellar with a default win.

Games Monday (all "A" league games):

4:00—Yeomen vs. Alpha hall; SAE vs. Zeta hall.

4:40—Fiji vs. Chi Psi; Superchargers vs. Sigma hall.

the Oregon track team for three years, is heavily favored to cop the laurels in his specialty, the 880. Captain Kirm was northern division champion when a sophomore, and last year ran second to Washington State's Bill Dale in both the northwest and Pacific coast tournaments. This year Storli is better than ever and barring injury has a great chance of achieving the goals he narrowly missed last season.

Getting ready to fire a fast one out from behind his cleats for the Washington Nationals is Paul Gehrman, who pitched the Bend Elks to a State league championship several seasons back. Gehrman went to the big time via the Cincinnati Reds farm system and the International league.

Netmen Sweep Cougars, 7 to 0

Lefty Clark Routs Opponent, 6-1, 6-0, Giving But Six Points in Last Set; Webfoots Drop One Set to Washington State Men

Coach Russ Cutler and his six "Cutlets" started Oregon's tennis team on the road to success yesterday as they walloped Washington State racketeers 7-0 on the University courts.

The match between Len Clark, Oregon's number one man, and Jack Duncan, Cougar mainstay, was turned into a rout as Clark, playing superb ball, took two straight sets 6-1, 6-0. Duncan managed to get

only six points in the final set as Clark hammered away, using his smashes and serves to good advantage.

Larry Key showed his usual top form in downing Ray Wilson, Cougar number two man, 6-3, 6-2. Never in trouble, Key played steady ball, running his hard fighting but outclassed opponent all over the court.

Team to Beat

Les Werschul, Bob Horning, and Bob Potwin all came through with heart-warming performances that definitely classed the Ducks as the team to beat in the northern division. Werschul took John Rankin 6-0, 6-1. Horning was the only one to draw trouble as Norman Street gave him a tough match before succumbing to the fast, hard playing Oregonian, 6-1, 6-8, 6-3. Potwin routed Harry Bussard, 6-0, 6-2.

Clark and Key teamed up to take their doubles match from Rankin and Duncan, 6-2, 6-4, while Werschul and Dick Williams had a little more trouble winning from Street and Rankin, 7-5, 6-0. The feature of the latter match was an overhand smash by Werschul that bounced off of Williams' head and flew about 40 feet in the air. The only damage suffered was a slight dent in the ball.
