

Concert Band Pleases With Free Program

Spirited Prelude To Saturday Show Entertains Crowd

By GLENN HASSELROOTH

A spirited prelude to their Sunken Garden concert Saturday afternoon at 4 o'clock was given Sunday afternoon in the music auditorium by the University of Oregon concert band, playing its annual free spring program for the entertainment of Eugene residents.

The auditorium was not full—probably because of the threatening rainstorm—but Conductor John H. Stehn got his group off to a vigorous start with the "Washington Grays" march in the best John Philip Sousa tradition. The empty seats were almost full when the band began to play the first number listed on the printed program, Goldmark's "Sakuntala" overture. Excellent feeling and shading was displayed in presentation of the work, which is based on the Hindu poem of Khalidasa.

Cory Star of Day

Norman Cory, composer-soloist-director for the concert, was undoubtedly the star of the afternoon. The second number featured Mr. Cory in the alto saxophone solo of Breilh-Decruck's "Chant Lyrique." Final proof of the graduate assistant's versatility came a few minutes later when he directed the band in performance of his own composition, "Democracy Triumphant." The band really entered into the spirit of the work and gave a rendition of which the composer was undoubtedly proud.

Popularity with the audience was shown by offering of the ever-popular sextet from Donizetti's "Lucia di Lammermoor." The solo parts were given without too much pomposity by Tom Landles and Robert Chilcote, cornets; Paul Anderson, Vern Spaugh, and Jack Plummer, trombones, and Lois Ginther, baritone.

Carlson Confident

Robert Carlson, former high school champion cornetist of the northwest, and Clarinetist Charlotte Plummer, former president of the Oregon chapter of Mu Phi Epsilon, were confident and steady in their performances of Guy-Ropartz's "Andante and Allegro" and Weber's "Concertino," respectively. Other numbers well received were "Roumanian Rhapsody No. 1" by Enesco, and Gliere's "Russian Sailors' Dance" which was repeated at the close of the program because of audience response.

Accomplishment

Say, this 8 ball appointed clean-up committee is really going to town. The committee, you will remember, consists of Jay Graybeal, Marge Finnegan, Virginia Tooze, Carol Cook, and Jay's goon squad.

The committee's first job was the eradication of the kalsomine on the campus sidewalks. If you haven't already noticed, take a look around at the places where the "McCliment" named used to be. The boys missed a few spots, but there is a story about the spots that were, but aren't.

Chairman Jay brought some of his ATO frosh in from the hills,

McDaniel to Take Final Quiz Friday

armed with brooms, soap, and brushes at a very late hour last Wednesday night.

The squad was having the time of their lives, but the novelty was wearing off as was the skin on the hands and knees, when of all people, who should walk by but Jack McCliment, whose name they were trying so hard to smear off the sidewalks.

After McCliment had put in his 8 hours and the most offensive of the displays had been removed, he was rewarded for his diligent work by being cleansed in the millrace.

It wasn't so much fun for Jack, but he took it as few politicians would take it, he was a good sport, and for his attitude, he wins the 8 ball distinguished medal award for being the BEST SPORT OF THE WEEK.

New Complaint Filed vs. Tichy

Second Moot Trial Slated Thursday By Law Students

Technicalities arose over the weekend in the events preceding the second moot trial, which takes place Thursday, and an amended complaint has been filed against this week's defendant, George Tichy.

Defense Attorneys Lewis Hoffman and David Silver found adequate flaws in the first complaint drawn up by Attornies Austin Dunn, Robert Goodwin, and Darnell Miller, for the plaintiff, so that "Judge" Orlando J. Hollis declared the first complaint not valid.

Tichy is accused in the case of having caused general, medical, and automobile damages to the sum of \$2600 to Jason Bailey in an automobile accident on Thirteenth street a few weeks ago. The trial starts at 7:30 in the circuit court room of the Lane county court house down town.

Tichy allegedly drove his car from the north curb into the west flowing traffic between Alder and Kincaid streets without signalling, causing Bailey's oncoming car to crash into another one traveling eastward on the street.
