Talent Called For Dads' Day Ceremonies

Actors Requested To Contact Gurley Before Thursday

By WES SULLIVAN

A call for student talent was sounded today by John Busterud, special events chairman for Dads' day, in an attempt to stir up student activity and interest in the variety show to be presented at 3 Saturday afternoon for visiting dads.

Anyone who wishes to participate in the show is urged to get in touch with Joe Gurley, master of ceremonies, before Thursday.

The variety show will be sponsored by the classes. Each class will have ten minutes to present a skit or any form of student talent desired.

In a tense atmosphere of deep shadows and popping guns the feud between the men's and women's rifle teams was settled on the ROTC rifle range last Saturday morning for another year.

An attempt to get a campus band for the occasion will be made this week. Jack Marsten will act as producer for the show.

"Because of late organization, the announcement of the show was omitted from programs and posters advertising Dads' day, so it will take the cooperation of the entire student body to let the Dads know about the show," Busterud said.

YM Members Plan Second Term Party For Friday Evening

The second YMCA party of the term is scheduled for Friday evening, Paul Sutley, executive secretary of the "Y," announced Tuesday.

Again the affair is "date" or "stag," with progressive - skill games, folk dancing, and social dancing planned for entertainment. Some charge will be made for refreshments, Mr. Sutley stated.

Gerry Osborne will lead the games and Williston Wirt, the folk dancing. Osborne, Beauford Clemens, and Jack Morris are arranging the program.

Teams Settle Feud On ROTC Rifle Range

In a tense atmosphere of deep shadows and popping guns the feud between the men's and women's rifle teams was settled on the ROTC rifle range last Saturday morning for another year.

The coed varsity team triumphantly nosed out the men's team by a margin of six points out of 3,000 shots fired by each team. The women's team was supported by several veteran shooters who have been on championship teams for the past two or three years.

Lillian England, a fourth-year member of the team won the highest score by shooting 199 bull-eyes out of 200. Clara Lyon came second with a score of 198. Three of the men's team tied for third place with 197 each. They were Jean Strickland, Dale Kaegli, and Mal Almack.

"If the boys couldn't win, I'm sure glad the girls could," stated Almack, captain of the men's team, in telling how his team went down shooting.

'History of Picketing' Speech Scheduled

James Landye, Portland labor attorney, will trace the development of picketing from earliest times to the latest decisions at a law school assembly Thursday at 11 o'clock. This is the second in the lecture series sponsored by Phi Delta Phi, professional legal fraternity.

Mr. Landye is a recent graduate of the University and a member of Phi Delta Phi. He will be honored after the assembly at a luncheon. Don Richardson and William Robert are in charge of arrangements for the lecture series.

Mrs. DeCou to Talk Before YMCA Group

Mrs. E. E. DeCou, executive secretary of the YWCA, will speak tonight at the YMCA student executive cabinet meeting at 9 o'clock in the "Y" hut. She will tell of the place of YM and YWCA's on college campuses.

With the speech, cabinet members will also discuss regular organization business, reported Paul Sutley, "Y" executive secretary. David Knox, newly-elected finance chairman, will meet with the cabinet for the first time in his official capacity.

Earlier in the evening, at 8 o'clock, the frosh commission of the YMCA will meet for its monthly business and discussion conference. General program of the "Y" and frosh group of the "Y" will be the topic of the meeting, Mr. Sutley announced.

Living alumni of Dartmouth totaled 19,500 at the last count.

Four Colgate university alumni received \$200 in prizes for songs submitted in a contest.

Opperman Will Visit Research Director

Paul Opperman, Federal housing administrator, will visit the UO campus this morning to discuss with Herman Kehrl, director of the bureau of municipal research and executive secretary of the League of Oregon Cities, land-use control programs in rural areas.

Mr. Opperman is the Federal Housing Administration's representative of the Tennessee Cooperative Planning project. He is visiting states having state and regional planning boards which are aiding city or county planning agencies and is seeking suggestions as to the planning project's program.

C. L. Kelly to Speak On KOAC Program

Prof. C. L. Kelly, business administration school, talks on the business hour over KOAC Wednesday night at 7 o'clock on the topic, "Improving Farmers' Purchasing Power."

T. M. Holt, graduate assistant, will again conduct his "Business Observer" feature for 15 minutes of the half-hour program.

Unise Barrow, sister of heavy-weight champion Joe Lewis, is attending the University of Michigan.

Coeds to Name 'Hop' Candidates

The coronation of a King of Hearts, typical sophomore man-about-campus to be chosen by University coeds, will take place at the girl-date-boy Heart Hop next Saturday afternoon, February 15. Liz Daggett, chairman of the YWCA-sponsored dance, announced yesterday.

Names of candidates for the crown from every men's living organization will be announced in the Emerald tomorrow. Chairman Daggett stated, as well as the four sororities where the hop will be held. Voting will take place Wednesday.

Tickets for the dance, at 25 cents per couple, will be on sale Monday in all women's living organizations, she said. An order of phonograph records will be awarded the group selling the most tickets. Only ticket holders will be allowed to vote for the King of Hearts.

Committee heads appointed by the chairmen are as follows: Nancy Allen, election; Mary Louise Vincent, finance; Abby Jane White, place of dance; Helen Moore, posters; Adele Canada, prizes; Corine Lamon, publicity; and Ruth Hartley, tickets.

Students to Compete For Naval Opening

The United States naval academy has a vacancy to fill, according to a telegram received by President Donald M. Erb from Oregon's Senator Rufus C. Holman in Washington, D. C.

Under an act just approved by congress, the successful candidate is to enter June of this year. Senator Holman will hold a competitive examination through the facilities of the United States civil service commission Friday, February 21.

All men interested must advise Senator Holman by air mail or by wire not later than February 8. Candidates must be residents of Oregon and not less than 16 nor more than 21 years of age on April 21 of this year.

Art League Moves Ball to February 14

Date for the annual Beaux Arts ball has been changed to Friday, February 14, it was announced yesterday by officers of the Allied Art league.

It was formerly announced that the dance would be Saturday, February 15, but according to Neil Farnham, architecture representative in the art league, a conflict over the proposed location for the ball made the change necessary.

The dance will be at the Anchorage. Sponsored by the Allied Arts league for students of the art school and their friends, this costume affair first started 15 years ago.

Neil Farnham announced that members will discuss a theme as well as finances, and complete other plans for the celebration at a Thursday league meeting.

'Bashful' Bees Buzz For Private Hive Life

By BARBARA PLAISTED

Bees in your bonnet? Don't worry they won't sting, though they have the legitimate right. For a public spectacle of their private lives has been made by zoology students—and even bees don't relish a public private life.

The front of their Deady hall hive is enclosed in glass, offering to anyone a cross-cut view of a stream-lined bee hive in action. A hole is cut through the wall from the hive so the bees can circulate and bring home the raw material for honey, gathered from campus flowers and shrubs.

Supply Stored

A supply of the food was built up last summer when flowers and pollen were plentiful, but the supply is becoming exhausted, what with winter and no flowers, only coniferous trees, which don't produce the brand of material demanded by the bee union.

But bees must eat, so they are given honey or sugar and water to help stretch out their own reserve.

No Rebellion?

You might wonder why the creatures remain as "those in glass houses" without rebelling, but it's really very simple. You see, there's a queen and the queen's slightest
