

COMIN' RIGHT AT'CHA

Paul Derringer . . . comes to life

Paul Derringer, big hurler with the world champion Cincinnati Reds, is all cranked up and read to let fly at the hapless batter.

Yearling Nine Beats Yannigans, 14-3

The frosh baseballers unleashed their bats Wednesday afternoon in a five-inning tussle which saw the boys of John Warren smash out a 14 to 3 win over the Yannigans.

Bearing the blunt of the attack of the swishing bats of the first stringers were Bob Sheridan and Aaron Jones. The pair allowed a total of eight hits but a sprinkling of errors and walks proved costly in the run column.

"Honest John" took the mound for the first stringers to be greeted with three resounding hits in the first inning and a brace of runs but the portly coach soon shut off the scoring and coasted along smoothly till the fifth inning when Jimmie Vittti blasted a homer in center field. Bill Gissberg connected for a round tripper in the third.

Weekend Games

Holding down the infield berths for the regulars were Gissberg at first, Bill Bishop at second, Kik Simonsen at short, and Ed Crane at third. In the outfield it was Dick Burns, Bob Farrow, and Bob Ballard.

With games on the docket Friday and Saturday with Grant and Jefferson, Warren is still on the lookout for another pitcher. The

pitching staff for the frosh is overloaded with southpaws. Al Wimer, number one chucker, dishes them up from the port side as do also Aaron Jones and Norris Ambrose.

California 'Prodigy' 'Migrates' to Oregon

Southern division coaches and California sportswriters were all ga-ga when Jake Leicht ended their "come-to-papa" ecstasy last week as he filled out an enrollment blank at Oregon. The much-heralded young athlete denies any anti-Atherton tactics are involved in his anonymous selection.

SKI NOTICE
There will be a meeting of the Ski club in 207 Chapman hall at 7:30 tonight. Nominations of officers will be held.

Dollarhide Joins Frosh

Frosh track, back on a full-time schedule, went into high gear Wednesday when the balmy weather gave the yearling thinclads their first break in days. The cinder track still yielded a rather mushy footing, but was a big improvement over the mire through which the tracksters tried to wade the night before.

Another state title holder has joined the freshman ranks, giving Ned Johns three 1940 high school champions. The latest addition, Wes Dollarhide, speed merchant from Lakeview, who runs the 100-yard dash, swells the turnout to well over 25 men. Other prep title claimants are Bob Newland, Medford high jumper, and Don Wilson, McMinnville miler.

Intramural Swimming

Splashing their way to their first victory in the intramural swimming competition, Delta Upsilon, sparked by Al Linn and Bob Stuhr, defeated a determined Zeta hall, 33 to 12, in Wednesday's swimming meets. Walter Keller, Zeta paddler, turned in an enviable performance for the losers.

Phi Sig stokers, who are expected to furnish some tough competition as the tourney moves along, defeated Pi Kappa Alpha, 37 to 9. Starring for the Phi Sigs were Ed Wyatt and Bob Christianson. In the remaining meet, Sigma Phi Epsilon took a victory by default over Alpha hall.

Mound Casualties Mount As Oregon Baseball Nine Grooms for League Grind

Unless something happens soon to bolster the tossing end of Oregon's baseball battery, the Webfoots will prance into their pre-season games and possibly conference play with those proverbial two strikes against them.

It looks like a conference dream team from any other angle but via the little dirt mound that protrudes some 90 feet in front of the batter's box. The measles have cropped out on hurler Monroe Carterman, Carlo Apa's arm apparently aches every time he winds up to cut loose with a high, hard one.

Linn Definitely Out

Al Linn, who blanked Oregon State last year, is definitely out of this year's Webfoot lineup, conference eligibility rules rearing their ugly heads. Pete Igoe, who pitched fair ball for the Ducks last year, is temporarily benched on some league technicality.

Supplementing these woes, lousy weather has set in during the past few days to sabotage practice sessions. Only Tuesday torrential rain, lashed by a howling wind, chased the Webfoots to the dugout ahead 3 to 0 after the third inning in a pre-season skirmish with Pacific university.
