Duck Nine Hits Road for Badger Tilt

Webfoots Bludgeon Frosh Team, 14 to 3

By TOMMY WRIGHT

The bad weather man took a turn for the better yesterday, so acting coach Anse Cornell will pack his varsity baseball team in autos and cart them off to Forest Grove for a doubleheader with Pacific university today.

Showing plenty of the slugging powers they expect to turn loose against the Badgers, the Ducks' "murderers' row" pounded a pair of

Gridders Wallow

The first spring preview of the 1941 model of Oregon grid power was staged on the slippery turf of the upper field behind McArthur court last Saturday afternoon before a huddled group of rain-drenched spectators gleaned from the afternoon's track meet.

The first two varsity teams clad in green and blue jerseys, respectively, steam-rollered back and forth through the mire over a powerless but game third team, almost camouflaged beneath a coating of mud on white jerseys.

Good Show

Blessed with a wealth of material, Vaughn Corley's exhibition of line power Saturday, and Coach Oliver's combination of backfield speed-burners welded into a quick-striking Oliver-twist machine gave evidence that much is to be expected from the Duck eleven in the fall campaign.

Though still ragged after only seven days of practice, and with no position as yet certain because of the sharp competition, three potential weaknesses made themselves apparent in the first scrimmage. Fullback, right halfback, tackles are weak. With the loss of Butch Nelson, only letterman fullback expected back, the Olivermen are dependent on smoothing out the play of Jimmy Newquist and Tom Oxman, both members of last year's freshman squad. Two other heavy contenders for the smasher's job are big Bill Dunlap from Pasadena, California, and Bob Taylor, reserve from the 1941 varsity squad. The right half post is particularly lacking in reserve strength behind Curt Mecham, regular from last year. Dick Ashcom and Ed Moshofsky, letterman tackles, both form the ramparts of the Green forward wall, but are left without any proved reserve strength.

frosh hurlers, Monday for 13 hits and 14 runs, while Pete Igoe, Bob Rieder, and Monk Karterman were stopping the Ducklings with five hits and three runs.

All-American semi-pro player Dick Whitman, led the varsity squad at the plate with a home run, a triple, and a pair of singles in four trips to the plate. Also teeing off on some long hits were, Bill Hamel, Chuck Clifford, and John Bubalo.

Wenatchee Game

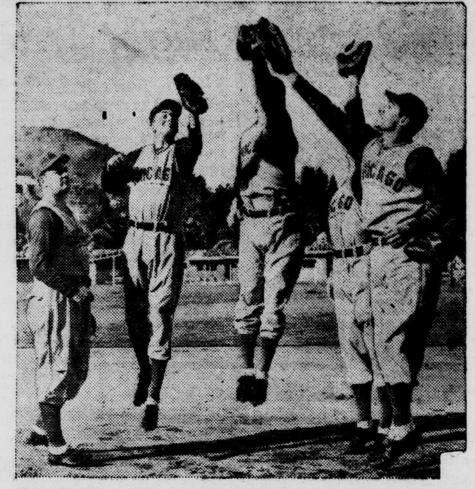

Cornell added another pre-season encounter to his rain depleted schedule with the announcement of a game with the Wenatchee Chiefs of the Western International league to be played here Monday, April 14.

The Webfoots will leave at 9 a.m. today for Forest Grove. Making the trip are: catchers, Bud Walker and Billy Calver; pitchers, Pete Igoe, Nick Begleries, and Bob Rieder; infielders, Chuck Clifford, Jack Shimshak, Bill Hamel, Buck Berry, Tini Smith, and Whitey Austin, and outfielders, Hank Burns, Bill Carney, Dick Whitman, and John Bubalo.

Igoe will start the first game of the doubleheader, with Begleries throwing them in for the nightcap.

UO Trackmen Slosh Through Portland U

By JOHNNY KAHANANUI

University of Portland's cindermen ran off with eight firsts to seven for University of Oregon trackmen; however, the Ducks, capitalizing on a herd of seconds and thirds, wrapped up the dual meet here on Hayward field Saturday, 60 to 70.

Rain trickled down spasmodically and was whipped across the field by mild winds. The track was on the ooshy side. Conditions were any-

thing but favorable for both teams, but the competition was there.

Best performance of the afternoon was Sophomore Bob Mc-Kinney's 2:00.2 880-yard gallop, which eclipsed Kirm Storli's dual meet mark of 2:01.5 posted in 1938

Fast Backs

The scrimmage, which netted four scores against the Whites, was marked with brilliant running by Mecham, Tom Roblin, and Jake Leicht. Ray Segale, first-string left guard, Duke Iverson, green quarterback, and Dick Ashcom, right tackle, came through with smashing blocks all over the field.

Replacing Right-end Bill Regner, who was competing in the Portland track meet, was Bert Gianelli, from the frosh ranks. The left wing job was handled by Hymie Harris, letterman from the '39 varsity club. Other players in Green were Segale and Val Culwell, guards; Elliott Wilson, center; Ashcom and Moshofsky, tackles. Alternating at left half were Roblin and Leicht, and Newquist and Dunlap at fullback. Mecham, right half; and Iverson, quarterback.

The bombarding bats of the Oregon varsity drove the Ducklings to cover Monday afternoon when the senior team hung up a 14 to 3 win in a seven-inning contest.

The varsity banged out a total of 13 hits, coupled with seven errors on the part of the nervous frosh to ring up their total.

Standing the blunt of the varsity attack was Al Wimer who, with but little support from his jittery backers, gave the total 14 runs to the varsity, only six of which were earned.

Igoe Bothersome

The yearlings found the slants of Pete Igoe very bewildering and were able to collect only one hit in his three-inning stay on the mound, a fluke behind the mound.

The frosh grabbed their first run in the fourth off Bob Rieder when a wild throw by Buck Berry and a walk set the stage for George Sertic's single which drove in the run. The frosh added two more in the seventh when they bunched three hits to drive in the two tallies.

John Warren tried various combinations, giving both Ed Crane and Bob Farrow tries at the hot corner. Besides Wimer on the mound Warren also gave Tom Oxman a whirl at things.

On the Blue team were Jim Shephard and Tony Crish, ends; Chuck Elliott and Merritt Kufferman, tackles, Morris Jackson and Bodner, guards, and Hersch Patton and George Van Pelt alternating at center. Roy Ell, smashing line-backer, Inky Boe, Buzz Baker, and Tom Oxman formed the Blue backfield quartet.

Groping Hurdler

Funniest show of the day was the one-man stumbling exhibition staged by Goehler of Portland in the 120-yard high hurdles. The "off the beam" Pilot kicked over every hurdle enroute from the starting line to the tape except the last one. This he cleared by scrambling up after falling flat on his face over the next-to-thelast barrier, staggering back for a short distance, then lunging forward and over the standard. There was some talk of disqualifying him for leaving the last hurdle up. Later it was reported that the reason he lurched drunkenly down the track was that he had lost his specs.

Busiest man during the encounter, Oregon's Coach Bill Hayward. In brown trousers and rain jacket, that hat of his pulled over his forehead, he appeared all over the field at the same time.

High-point man, indomitable Les Steers with 12—first in the javelin, first in the 120-yard high hurdles, second in the high jump (he quit after one leap, sufficient to place, Jim Harris winning at 6 feet).
