UNIVERSITY OF OREGON
Vol. XLII Number 114

Eleanor Roosevelt, first lady of the land, receives a copy of Dwight Long's best-seller, "Seven Seas on a Shoestring."

Long, tropical adventurer and world traveller, dramatically described details of his adventures in McArthur court last night.

Mrs. Roosevelt will speak at Oregon next Wednesday when she makes her first public appearance in this state.

Presentation scene, pictured above, was taken recently when Mr. Long and Mrs. Roosevelt took "time off" for a visit together.
