

Secretary Predicts Abundant Jobs

Do you want a job?

Miss Janet Smith, head of the University of Oregon employment agency, estimates that there will be plenty of work to go around for the three fourths of the student body which earns part of its way through school. Last year students earned more than \$200,000, she said.

The most important thing is to register as soon as possible. Close to 100 students registered Wednesday, and Miss Smith expects at least 125 a day from now until after school starts.

The jobs are of all description—part time and odd jobs, afternoon and evening, Saturdays and Sundays, on and off the campus. The small jobs often lead to better ones with better pay, according to Miss Smith.

The employment office is located in the Y. M. C. A. hut, just north of 13th, at 1225 Kincaid street.

New Womens' Co-op Opens at 13th, Onyx

A new co-op for girls at 13th and Onyx streets opened Saturday. The building, formerly used as a sociology classroom, has been remodeled this summer into a living organization for girls.

The co-op has living accommodations for 32 girls and although school has not officially begun this quota has already been reached.

Mrs. E. R. Smith, the new housemother, is expected to arrive towards the end of the week when the house is completely furnished and painted.

Delores Davidson Dies Over Summer Vacation

Delores Davidson, University of Oregon student and a member of Alpha Chi Omega sorority, died this summer from a streptococcus infection caused by an impacted wisdom tooth.

Miss Davidson was on the campus a year ago but remained out of school last year, planning to return to the University this fall and continue her studies in the art school.

Co-op Swells Staff During Busy Week

To handle the expected pre-school rush at least 35 extra persons will be employed this week at the co-op store, M. F. McClain, manager, revealed Monday. This new group will augment the regular staff of 9, he said. About 18 of these persons will be employed to handle textbook sales.

Beginning this week, the store will be open on regular school-year schedule, opening at 8 a. m. and closing at 5:30 p. m. It will be open Saturdays.

Manager Named

Selected as layout production manager for the Oregon Emerald for the coming year is Helen Eburn, a sophomore in art. Helen worked on the Emerald business staff last year and, according to Fred May, business manager, "turned out beautiful layouts." She is well qualified to carry out the responsibilities of her new position, said May.
