ATOs Edge Into Donut Playoffs

By ART LITCHMAN
Alpha Tau Omega gained a berth in the intramural football playoffs yesterday by nipping the Theta Chi, 1 to 0, in a bitter struggle that was decided by an overtime period.

ATOs Nip Theta Chi, 1 to 0; Grab Finals Spot

Flashing a beautiful, short passing attack the ATOs roared up and down the field all afternoon but could not penetrate the tight Theta Chi defense after they reached the 10-yard line.

After threatening in every quarters the ATO attack ran up 28 yards in the overtime period to win the game. Al Rouse started the extra period with a 20-yard gallop after snagging a flat pass from Paul Bocci.

Bocci's pass to Brown picked up four and Dunn added another four on a flat pass.

The Theta Chi was smothered after making five yards on a run. The hard charging ATO line dumped Joe Wicks for a loss to end the game.

The ATOs piled up a huge margin in the statistics, but the fighting Theta Chi defense threw them back every time they neared the promised land.

Chuck Heiner, Theta Chi end, spent most of the afternoon as the fifth man in the ATO backfield until he was injured in the fourth quarter. He suffered a sprained ankle and several pulled ligaments.

The Theta Chi almost pulled the game out of the fire in the dying minutes of the game when Wilson lateraled to Bunny Potts for what seemed to be a touchdown, but the referee ruled that Wilson was down before he threw the pass.

ATO 0 0 0 0 1-1
Theta Chi 0 0 0 0 0-0

SAMs Grab Squeaker Fro mSPE, 12 to 6

After trailing for three quarters the Sammies rallied late in the game and dumped the favored Sig Eps, 12 to 6, in an overtime battle that was finished in the darkness.

The Sig Eps opened with a bang, scoring on the second

play of the game. Working from a peculiar rocker shift Fred Warren heaved a long pass to Morrie Soloman for the touchdown.

All through the second and third periods the Sig Eps knocked at the Sammie goal line but they couldn't push the pigskin across.

Late in the fourth period the Sammies began to roll. Led by the amazing broken field running of Bob Hasson, the Sammies raced to the Sig Ep five-yard line. The attack bogged down and the Sig Eps took over. When they failed to gain, Hannon dropped back to kick and Sammie "Tiger" Fulop broke through, blocked the punt, and fell on the ball in the end zone to tie the score.

In the overtime period the Sig Eps gained four yards and had the Sammies on their heels with only one down left. Then the Sammies pulled Tex Oliver's "bootleg reverse" out of the darkness, when Wienstien snatched the ball from Hasson and raced 60 yards to a touchdown and victory.

Sammies 0 0 0 6 6-12
Sig Eps 6 0 00 0-6

Mermen Churn Off Good Times

By DON RICHARDSON

Just a little patter on the doings over at the men's pool these autumn days:

The results of yesterday's 220-yard free style and 150-yard backstroke speed time trials were very acceptable to Swimming Coach Mike Hoyman. Naturally he expected a fairly good showing, but the boys went him one better by zipping down the lanes in exceptional early season times.

Meads Shows Well

Sophomore Johnny Meads, who has only been out for about a week, astounded everyone by his showing. Ralph Huestis is look-

ing better day by day and promises to be a definite threat in the breaststroke event. Chuck Nelson, versatile backstroke and freestyler, looked plenty smooth in his 150. Bob Irvin and Jack Robinson, each futilely tried to outdo the other.

And last, but not least, the tried-and-true lettermen. Cub Callis ran through 150 yards in his best form to date. Jerry Huestis bowed to his brother, Ralph, in the breaststroke by a split second. The two Dicks, Allen and Smith, turned in vastly improved performances over last week.

Tomorrow, Saturday, the real test comes. Sixty-six laps, or 1320 yards is called for on the bulletin board. That's quite a swim, but it is only the starter for what's coming later on.

ADPis Eke Out AOPis In Coed Ball; AXiD Loses

In one of the tightest coed volleyball games played to date, Alpha Delta Pi squeezed out a win over Alpha Omicron Pi last night, 27 to 24.

The lead see-sawed throughout the game, which saw the largest rooting sections lining the floor this season and vociferously urging their teams, both evenly matched, on.

It was only in the final minutes that the ADPis were able to forge ahead and eventually win.

ZTA Triumphs

Zeta Tau Alpha trounced an Alpha Xi Delta team last night by a lopsided 34 to 13 score. The ZTAs opened with a scoring burst and were never headed throughout the entire contest.

Although overwhelmed, the Alpha Xi Deltas showed prospects of becoming serious contenders for the WAA crown as round robin action roars down the stretch.
