

# DORM SET-UP DRAWS FIRE; DR. ERB OKAYS NEW MOVE

## Hall Residents Form Council to Arbitrate Current Food Wars

President Donald M. Erb took personal control of dormitory squabbles yesterday, heard 17 upperclassmen from hall populations express their "beefs" on food, labor, rent, and management in a firecracker session in the faculty room of Friendly hall.

Creation of an administration-backed board of student opinion to act as a mediation group between students and management was given official okay in the final minutes of an hour-long session in which were uncovered chief points of student dissension in rapid-fire order. The new student counsellor committee probably will be made up of one member from each of the eight dormitories, to be elected by popular vote.

For they set me to worry In a heck of a hurry. 'Cause I've never heard them before. —J.W.S.

But other coins, nickles, quarters, and half dollars, plus bills will all laid in the same cause.

Dimes will also be collected during the Oregon-Oregon State game February 7. The school contributing the largest amount of money will take the entire amount and contribute it, under the name of the winning school, to the infantile paralysis chairman of Lane or Benton county.

Efforts are being made to make the contest an annual affair.

The program is part of the annual president's ball drive to collect money to fight infantile paralysis. Societies aiding in the drive are Kwama, Phi Theta Upsilon, Mortar Board, Skull and Dagger, and the rally squad.
