## Ewan-Hobart

Announcement has been made of the engagement of Miss Pauline Ewan, junior in physical education, and William Hobart of Tacoma. Miss Ewan, also of Tacoma, is a member of Alpha Omicron Pi. No date has been set for the wedding.

## NO Women In Defense

Now that all the gals' houses have decided to be patriotic and buy bonds, to help win the war, the next big problem is how to find the necessary money to purchase said bonds, so the whole thing becomes a sort of What-Can - We - Give - Up - Now week that will end, we hope, in lots of money for bonds.

Some houses are giving up desserts, both the ice-cream at the end of every meal and the food eaten at exchange desserts. Other houses are giving up their house dances, or having radio dances instead of formals. The Down-With-Desserts group includes the Kappas, the ADPis, the Alpha Gams, the Alpha Os, Highland house, and University house. The Pi Phis, Susie, and the Sigma Kappas are not having formal house dances winter term.

Especially violent knitters are the Gamma Phis, who made 14 sweaters, according to the legend, Hilyard house, the Pi Phis, and University house. Orides collected over 80 sweaters for a Bundle for Britain drive.

Some of the houses are making other contributions toward defense. The Alpha Gams are saving tinfoil, metal tubes, and paper; the Alpha Os are making their own dance programs to save money that can be spent for de-

fense; Hendricks and the Dee Gees are sewing for the Red Cross; the Thetas are taxing themselves for money for bonds; the ZTAs are asking each girl to buy defense stamps and all the

upperclassmen in the Alpha Xi Delta house have signed up to work in the filter center, and they have midnight to 6 a.m. shift Sunday morning.
