Webfoot Cagers Await Vandals' Ray Turner In Hoop Cellar Series

Ducklings Nip Eugene In Swim Meet, 49-17

University of Oregon's freshman swimming team ended its season yesterday with a smashing 49 to 17 win over the Eugene high school Axemen, in the men's pool.

The Ducklings powered their way to seven first places, three seconds, and three thirds, while the Axemen were able to take only one first, three seconds, and three thirds.

Walters Stars

Leading the frosh was Co-Captain Earl Walters, who came within 9/10 second of smashing the coast record in the 150-yard backstroke. Besides this stunning performance, Walters anchored the 160-yard freestyle relay team to victory, and helped the 120-yard relay team to crack the Axemen.

Summary:

120-yard relay—Walters, O; Ruben, O; Mayther, O. Time, 1:12.

220-yard freestyle—Davis, O; Henton, E; Hazzard, O. Time, 2:43.

40-yard freestyle—Peterson, O; Farley, E; Hershfield, O. Time, 21.

Fancy diving—Black, E; Krehbiel, E; Mayther, O.

100-yard freestyle—Peterson, O; Davis, O; Farley, E. Time, 1:02.5.

100-yard backstroke—Walters, O; Hazard, O; Plaistead, E. Time, 1:04.9.

100-yard breaststroke—Peterson, O; Ruben, O; Pierce, E. Time, 1:11.4.

160-yard relay freestyle—Hazzard, Davis, Mayther, and Walters, O. Time, 1:27.2.

Attention All-Stars
Independent and Greek "A" and "B" all-stars will report for practice today at 4 p.m. on the PE court. All men named in the Emerald please be there.

All-Stars Toil To Prepare For Battles

It will be the "fire engine" basketball of the Greek All-Stars versus the slow-break type of play used by the Independent luminaries in the "B" league game next Wednesday. This fact made itself known after both squads went through long practices yesterday on the PE court.

The Independents may spring a surprise on the highly favored Greekmen in this "B" battle. They worked well together in their first workout. Art Davis, Gamma hall, cut into the keyhole to take feeds from Kirk Wellborn and Kenny Inahara, Omega dribbling artist, to stamp him as a potential scoring threat Wednesday night.

Coaches Pleased

Arne Jensen and Bill Craig handled the coaching end, and they were especially pleased with the work of lanky Milt Small of Campbell under the basket and Zetan Sherm Olts' running flips from the side. Don Bushnell, Kirkwood and Canard's Carl Backstrom also drew their praise for the way they worked the ball in close. All in all, if this club is on with their shots, they may stop the powerhouse Greeks.

Greek Camp

In the Greek camp of Ted Sarpola it was work and more work. Sarp broke his squad into two teams, and they proceeded to run their legs up and down the court. DU Burly Gordie Jones was surprising fast in leading the machine-gun attack of the No. 1 unit, dribbling in to set up plays for Kappa Sig Jack Lansing or Sigma Chi Dick Hanen.

"Chick" Cecchini, ATO, played a wicked floor game and looks like he will do a lot of rambing on the star studded court of McArthur on March 4.

Today the teams will move into McArthur, if the varsity does not schedule a special practice. Both the "A" and "B" stars will show, and the abbreviated drive will be fast and furious to hit a peak by Wednesday night. Practice for all four aggregations is scheduled to begin at 4 p.m.

Idaho Flash Sets Sights For Record

By FRED TREADGOLD

Ray Turner, Idaho's star south-paw center, will be a marked man when the Oregon Ducks tackle the last-place Vandals in a two-game cellar series Monday and Tuesday in the Igloo. The high-scoring Vandal is now seriously challenging Wally Palmberg's existing record. Turner has 154 points to date and needs to hit over eight points during each of the remaining four tilts in order to smash the Palmberg mark of 187.

"Turner is as good as any man in the league," Coach Howard Hobson said Wednesday.

Turner Gets 30

Evidence of Turner's prowess was shown when he tallied 30 points against the Ducks in their two games. Twelve counters were chalked up in the opener which Idaho won from Oregon 38 to 36. The second tilt, which the Webfoots captured 35 to 30, saw the lanky lefthander toss in 18 points before retiring from the tussle on four personal.

The Vandals, who have dropped most of their nine losses by margins of a few points, are under the tutelage of a new coach this year, Guy Wicks, up from Idaho's Southern branch where he achieved a fine coaching record.

Ducks Get Rest

Back in town from their Inland Empire trip Wednesday, the Webfoots took the day off, but will resume workouts today. Two wins and two losses was the record chalked up by the Ducks in the Palouse country.

Hobson had favorable comment on the Ducks' scoring up north, saying that they "all looked good described by the Oregon boss as at times." Warren Taylor was being "consistently outstanding" on the trip.

Chi O Girls Nip Hoopers; Thetas Throttle Kappas

By JUNE HITCHCOCK

Winding up the league games and moving into the semifinals, Chi Omega's "six" last night downed Highland Hoopers 18 to 11 in one of the fastest basketball games played on the indoor gym at Gerfinger.

The Thetas swamped the Kappas on the outdoor floor to the tune of 16 to 5. Jean Morrison made 10 of the Thetas' points to lead her teammates in scoring, while Helen Moore did her best for the losers.

Robin Nelson Leads Chi Os

Gertrude Kay was high point girl for the Hoopers, and the Chi Os old standby and captain, Robin Nelson, came through for her team tallying up eight points.

Backed by a new member, Carolyn Martin, the Chi Os were victorious for the fourth consecutive time.

Monday afternoon the Highland Hoopers will play off a tie with Sigma Kappas and the winner will be in the semifinals representing league 2. Each has won three and lost one.

Tuesday night the Orides, leaders of league 1, will play the top team of league 2. Chi Omega representing league 4 will vie with the Lane Ducks who are undefeated in league 3. Winners in the semifinals will clash Wednesday afternoon for the intramural championship and basketball cup.

GCACTC with salaries ranging from \$2,000 to \$3,800 annually.

The instructors will be placed at the training center's five basic flight schools—at Wasco, Ean Angelo, Sherman, and Randolph field, Texas, and at End, Oklahoma.

Topping the qualifications list is the request for students who have had at least a year of weather bureau work plus a six-semester hour college course on the subject. With a college degree unnecessary, applications will be unnecessary, applications will be accepted also from students who have college credit in differential and integral calculus and advanced physics. For this latter group, a 10-week training school will provide the substitute for the practical experience.

Under the occupational deferment regulations, applicants accepted for the posts will not be liable for immediate call into the selective service.

Texas Seeks College Men For Air Corps

Only fools and foreigners—so goes the saying—will attempt to predict the weather in Texas.

But, excluding those rather dubious groups, Uncle Sam's rapidly expanding air corps can use specifically-trained college students in just that sort of work.

Four groups of civilian meteorologists, graded as full instructors, or associates, assistants or juniors, are being sought by the Gulf coast air corps training center to begin immediately. The positions, although they carry a civil service rating, will be filled directly at headquarters of the

Lieutenant Hunter Receives Promotion

Lieutenant Maurice Hunter who received his commission last June through the University ROTC has been promoted from the rank of second lieutenant to that of first lieutenant, a telegram to Col. R. M. Lyon, head of the military department, said Wednesday.

Lieutenant Hunter is the son of Chancellor Frederick M. Hunter and was company commander of the honor company last year. The telegram was from San Francisco and did not state where he was stationed. He expressed gratitude to the University military department for "thorough preparation" received here.

Huskies Threaten

(Continued from page four) will start Saturday morning in the men's pool at 9. The big blow off comes at 8 p.m. Saturday. A coaches' meeting will be held Friday evening at 7:30 to start the ball rolling.

For a meet of this type the scoring is different from a dual meet. Five places will be awarded instead of the usual three. Scoring will be 10-8-6-4-2.

Freshman curriculum at Brooklyn polytechnic institute has been lightened considerably, as the result of a study of freshman loads undertaken by faculty committees.
