

# Hayward Issues Call To Oregon Trackmen

By BILL STRATTON

Although distance men have been working out since last fall, Bill Hayward, track coach, has issued a formal call to cinder aspirants. "There are plenty of good men on the campus, if they would turn out," Hayward remarked. "Now is the time, if they want to be on the team."

Hayward had counted on the high jumping department being the strongest this season, but fears it will be the weakest. The loss of Les Steers and Bill Beifuss leaves only one, Bob Newland. Newland showed up well on the frosh squad last season, but may be stiff from basketball.

There is one pole vaulter, Homer Thomas, a junior. The broad jump, discus and javelin events suffer from graduation. No one has been signed in these events as yet.

#### In the Shotput

Hayward has two men in the shot-put department, Fred Foster, and Chuck Elliot. Elliot is out for spring football, but Coach Hayward thinks he can use him later.

Ralph Kramer, a junior, runs the hurdles, but Hayward will attempt to convert him into a sprinter. Two other sprinters are Virgil Alexander, sophomore, and Kenny Oliphant, a junior. Oliphant is out for spring football and it is possible that it will slow him down for the sprints, Hayward explained.

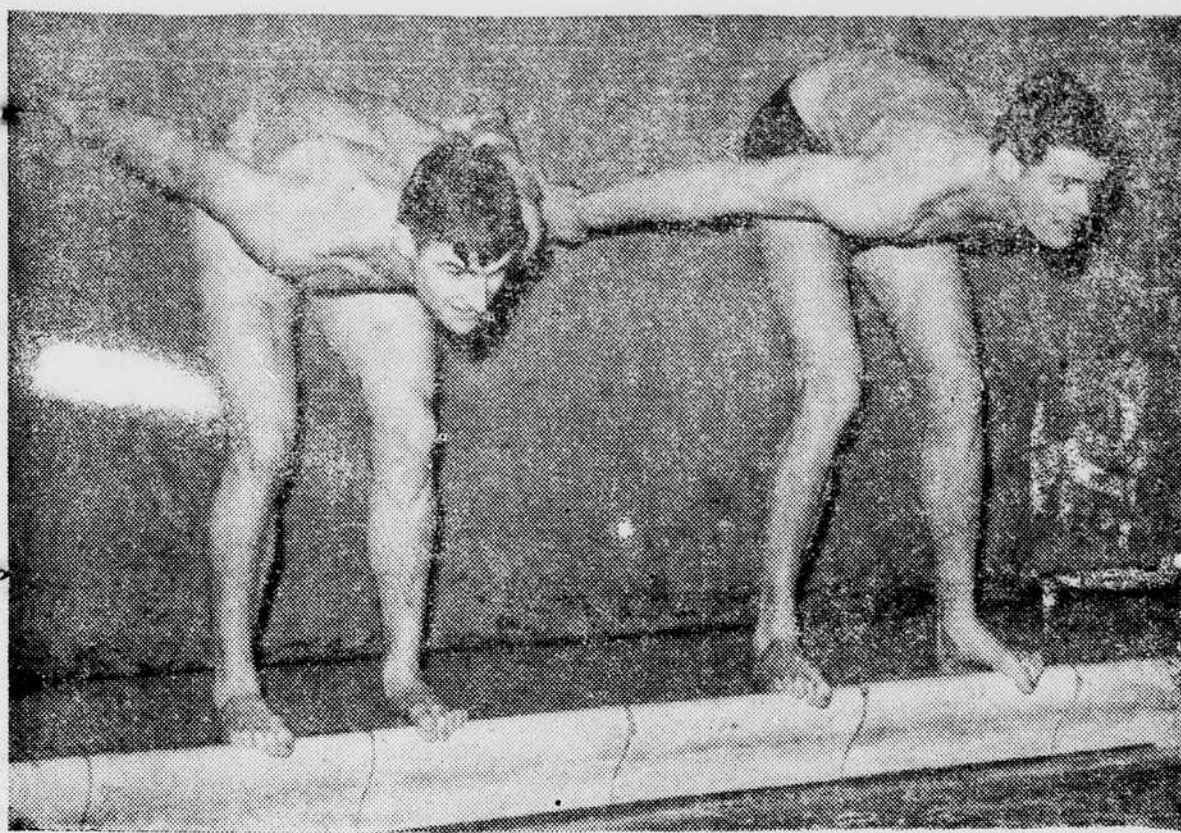

For the 440, Hayward has two veterans and two sophomores. Francis Tuckwiler, a senior, and Ed Reiner, a junior, will be back. Stan Ray and Ken Sawyer are both sophomores and on the varsity for their first year.

#### Half Week

Only two men have reported for the 880, and one of them, Bob McKinney, is in the infirmary with a possible attack of pneumonia. The other is Dick Shelton, who was on last year's frosh squad.

Distance men who have been working out since fall are: Wilfred Ross, senior; Tony Nickachos, junior; Don Wilson, Skillicorn, and Bruce Maxey, sophomores.

## UO Tankmen Take Firsts In All Events

Favored University of Oregon's swimming team Saturday night rushed off with the amazing total of 89 points to nab the northern division swimming title, in the biggest runaway win in the nine-year history of this meet.

Following sluggishly in the wake of the rampaging Oregon Webfoots was the once mighty band of Huskies from the University of Washington, with 35 points. Surprising Oregon State copped-third place with 27 points—rather astonishing in comparison with dual meet showings. Following OSC was Montana with 8, Washington State with 7, and Idaho ended things with 6 points.

#### Robinson Churns

Oregon's sophomore free-styler, Jack Robinson besides banking up a total of 13 points, knocked into oblivion the previous record time in the 440-yard free-style. Robinson flashed his way over the course in 5:06, to better northern division mark rang up by Bockman of Washington in 1939.

Coach Mike Hoyman's undefeated Webfoots marked up the most decisive win in the history of the meet, and in the doing sent shimmering the Husky hope of chalking up a record of four titles in four years. The Ducks nailed the lid on every first place—including the fancy diving. Diver Ox Wilson defeated favorites, Galleher of OSC, and Hollinsworth of Idaho, to be the mainspring in the biggest surprise of the show.

Oregon freestyler Dick Smith, also had a hand in upsetting the dope bucket by pushing Robinson to the record in the 440. Smith was picked as a rather uncertain runner-up to the winner of that event, but at the conclusion of the event was a mere arm's length behind the winner.

### Basketball Meeting Today

There will be a meeting this afternoon in 101 PE building for all men on the campus interested in playing varsity basketball next year.

The meeting will be presided over by Coach Hobby Hobson.

### Frosh Basketball Pictures Today

All members of the freshman basketball team and basketball managers are to meet after the special basketball session this afternoon to have pictures taken for the Oregoniana.

# Baseballers to Meet For First Chalk Talk

Varsity baseball's first meeting will be held today at 5 o'clock in room 101 PE building, Howard Hobson announced this week. Coach Hobson requests a turnout of all baseball players, experienced or not, at this initial meeting.

Missing from last year's crack outfit are seven veterans which means that positions will be wide open on the Duck nine. Biggest dearth exists in the battery where both pitchers and catchers are at a premium. Only two chuckers, both right-handers, will return from the 1941 club—Bob Rieder and Nick Begleries. Lanky Bob saw service mostly as a relief chucker, while Begleries started games on several occasions.

Not in school yet but destined to enroll spring term is Al Wimer, crafty southpaw up from the freshman ranks. This will provide Hobby with his first portside since Bob Hardy, now in professional circles.

A big hole is left at catcher what with dependable Bill Calvert, 1941 regular, missing from school. Bill McKevitt, a varsity reserve last season, Ted Piliop, a Portland U transfer,

team clipped 6.4 seconds off the existing northern division mark, and the 300 yard medley relay team kicked the old record about and then removed 4.5 seconds from it. The 400 yard quartet is made up of John Mead, Chuck Weitzel, Chuck Nelson, and Gerry Huestis. Weitzel, Ralph Huestis, and Chuck Nelson, make up the 200-yard medley relay lineup.

and Al Peterson, from the frosh, seem to be the best bets for the backstop post.

Other returning lettermen are Don Kirsch and Bill Hamel, infielders, John Bubalo, Bill Carney, and Dick Whitman, outfielders, and Tony Crish, utility man.

### Frat Team

(Continued from page six) kept adding to their total, and they seemed on the way to a runaway victory. The third period score was 22 to 9.

#### Independents Come Back

But the Independents, apparently way out of the game, came back. Campbell's Milt Small canned one from the side—Leo Welch, a fine all-around player, dropped in two long ones—Ken Inahara of Omega dribbled in close and hit over his shoulder, and in a few brief moments the margin had been narrowed to 22 to 19.

But here their drive ended. Big Murph hit another under basket field goal, and the scoring ended for the night. Final, 24 to 19 in favor of the Greeks, and the last-minute rush of the Independents had fallen short.

Greeks (24) (19) Independents  
Lansing, 2 ..... F ..... 6, Welch  
Murphy, 10 ..... F ..... Davis  
Hayes, 1 ..... C ..... 2, Olts  
Hansen, 2 ..... G ..... 4, Small  
Cecchini ..... G ..... 5, Kelly  
Substitutes: Greeks—D. Rath-  
bun, 2; Schultz, 1; Jones, 2;  
Bocci, 4. Independents—Inahara,  
2.
