Oregon Slaps Linfield, 14-8

The Webfoots from Oregon, outhit and outfielded by the Wildcats of Linfield, pulled through with a 14-8 win in yesterday's ball game played at McMinnville.

Reports from the game were incomplete because of a powerline failure during last night's storm.

Johnny Bubalo, slugging first baseman, paced the Oregon hitting offense with four singles.

Warren Taylor and Bob Rieder divided the mound duty for the Lemon and Green with Ted Pillip and Peterson behind the plate. Pitcher Gilbert was sent to the showers and replaced by H. Hagdoran for Linfield. Rich did the catching.

This was the second pre-season contest for Oregon. Thursday Coach Hobson's crew defeated

Crowd Rulings

No ruling limiting Pacific coast conference football crowds to 5000 or any other figure has been issued to date.

Coast league baseball has been ordered to play to an attendance not exceeding a 5000 average for the season.

A chapter of Alpha Omega Alpha, honor medical society, recently was installed at Wayne university.

Sigma Nu Mermen Splash Chi Psis' 38-9

A large Sigma Nu swimming team rolled over a thoroughly out-splashed Chi Psi club, 38 to 9, in an IM meet swum in the Men's pool yesterday. The other two scheduled meets were forfeited, the Yeomen to the ATOs and the Canard club to the Campbell club. The semi-finals begin next week.

The White Star boys swept every event, but the next to the last.

Jim Carney started them out with a win in the 40-yard freestyle, closely followed to the line by teammate Cruiser Dick Ashcom. Chi Psi Van Metre was a close third. The time was 21.9. Roy Temple thrashed to victory in the 40-yard backstroke ahead of Don Malarkey and lone Lodge-man Johnny Gleason in the fast time of 27.5. Ray Wakefield continued the Nu parade of wins by grabbing the 40-yard breast stroke. John Rafetto anchored down second place while Chi Psi Al Gard was a weak third. The time was 28.4.

Nus Keep Going

The Nu natators were right at home in the relays, too. Their 120-yard medley relay team of George Green, Dick Ashcom, and Jim Carney plowed right home in 1.18.1 to decisively dunk the Chi Psi's Tom Huston, Al Gard, and John Gleason. The other relay event, the 120-yard freestyle, was forfeited by the Chi Psis.

But the Lodgemen salvaged some face out of the entire

Tennis Matches

Varsity and freshman tennis elimination tournaments continue today at the courts.

the Portland Pilots, 11-8, with Sandgren on the mound.

The team will return home today.

Baker, Williams, Rooney Gallop to Tennis Front

Frankie Baker and Johnny Williams, ranking No. 1 and No. 2, have stepped out in front in the varsity elimination tournament, along with Joe Rooney, No. 1 frosh last year. Baker drew a bye in the first round and drove out a hard-fighting Bill Farrell 6-2, 6-2 yesterday afternoon. The blond Olympian came through with some streaking mid-court smashes to down sophomore Farrell.

Johnny Williams, who also drew a bye, went on to take Hank

Howard, 6-2, 6-4, in his match.

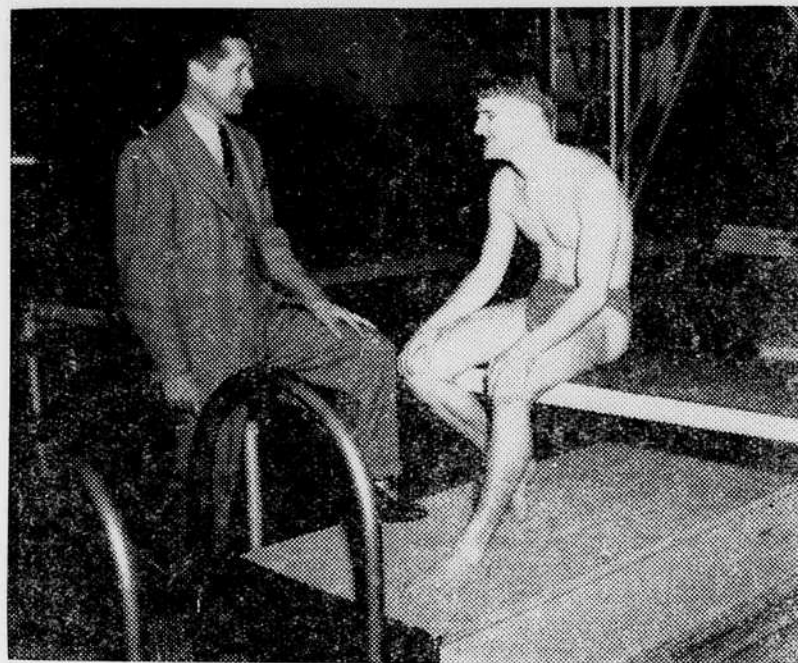

Joe Rooney opened his march with a smashing 6-1, 6-3 victory over Smokey Stover and then walloped Brown 6-3, 6-1.

Howard, Damschen Lead

In the freshman race it's been Howard and Art Damschen all the way with John Jensen coming back after one defeat. Howard and Damschen have each taken three straight matches.

Results of yesterday's matches:

Varsity opening: Frankie-Baker-Noble, 6-0, 6-0; Bill Farrell-Bud Steele, 6-3, 11-9; John McCliment-Lloyd Manning (resched-

Swim Coach Vacates Post For Education

By BILL STRATTON

Mike Hoyman, varsity and freshman swimming coach at Oregon for seven years, who has led Webfoot tank teams to four northern division crowns and three mythical Pacific coast titles, announced his resignation from that post yesterday.

In a letter to Anse B. Cornell, he stated: "Under the present setup I am being hampered in my professional development and advancement in the field of school health education, because of coaching duties. My relations with the ASUO and with the swimmers has been so cordial during the past 10 years that it is with regret that I find this step necessary."

Hoyman's Record

Hoyman has a most enviable record. His teams have won more championships, and he has turned out more stars than any other coach on the Pacific coast. Only in 1934 and the 1941 season did his team fail to win the northern division flag. In 1934 they won the dual meet title, but failed in the conference meet, and placed second in the division in 1941.

One of his most enviable feats was leading the mermen to victory over the highly-famed Olympic club. They had not been beaten in five years, and the Oregon squad eked out a 38 to 37 win over them on their trip south this season.

Division Meet

In the northern division meet, Oregon amassed 88 points, the closest contender being Washington with 30. This was the first time such a score had been made in that meet and was also the first time any northern division team had taken every first place.

Perhaps one reason for Hoyman's continual success, is the fact that he is never beaten on paper. Before the Washington meet this year, Oregon was a decided underdog, but Hoyman couldn't agree. He remarked that no team could beat him on paper; they had to do it in the pool.

Hoyman was absent during 1939 and 1940, when the coaching duties were taken over by Ned Johns and Russ Cutler. No statement has been made as to who will be his successor, and no appointment is expected until the athletic board meets April 13.

H.S. Hoyman's Book Published, Distributed

The second volume of "Developing Health Instruction in Oregon High Schools," by H. S. Hoyman, assistant professor of physical education, and specialist in school health education, has been published and distributed to Oregon high schools.

The book deals mostly with nutrition, first aid, and communicable diseases, and affords a curriculum guide for high school teachers and principals on nine major health problems. According to Mr. Hoyman, the book has been designed for work in the establishment of health courses and for use by major and professional students in health and physical education.
