New Captain Fills Vacancy

Captain Clarence C. Woodbury reported for duty with the department of military science and tactics early this week to fill the vacancy left by Major F. I. Ague when he was recently ordered east for further training.

For 21 years Captain Woodbury was an instructor at OSC. A veteran of World War I, in which he served as a second lieutenant, Captain Woodbury has been in the army almost continuously since 1911.

A long standing Oregonian, Captain Woodbury stated that he would be as enthusiastic a Web-foot as he was Beaver when on duty in Corvallis.

Other vacancies created were Max Miller, chairman of the terrace dance, John Bubalo, head of the traditions committee, and Janet Farnham, chairman of the sunlight serenade. All of these were Junior Weekend appointments.

The announcement of the ineligibility of the junior class members was made by Pat Lawson, junior class president, who will now start looking for eligible volunteers for the vacant Junior Weekend appointments.

at 11 on Thursday, the regular assembly time.

Dark horses must have their declarations of intention to run, certificates of scholastic eligibility signed by the dean of men or the dean of women, and a petition signed by 50 members of the ASUO in the hands of Lou Torgeson, student body president and chairman of the nominating assembly, before 11 a.m. today.

Russ Hudson and Wes Sullivan, Greek and independent, respectively, will be nominated for the two senior representatives on the executive committee. Jim Bennisson will be Greek candidate for junior representative, opposed by Max Brown of the independents. Candidates for sophomore representatives will be Greek Walt Dickinson and Independent Hal Locke.

"Duty"

"Every member of the ASUO should feel it his duty," said Torgeson, "to attend the nominating assembly."

Vice-President Frost announced yesterday that plans were nearly complete for the general student body elections to be held Tuesday, April 14, from 8 a.m. to 6 p.m. inclusive. Two polling places will be set up in order to better accommodate the crowds of voters, Frost said.

The vacant store next to the Side, formerly used by the Co-op, and the YMCA house will be converted into polling places for the day. Students will be divided alphabetically, the exact division to be announced Wednesday, Frost explained.

Others

Students who wish to be placed on the ballot without being nominated from the floor in this morning's assembly will be allowed to do so if they submit their declarations of intention to run and certificates of scholastic eligibility to Jim Frost at the Theta Chi house before midnight Thursday, April 9.

Voters will be required to present their ASUO registration card or other positive identification at time of election. Every voter will be checked on a polling list from the registrar's office, Frost said, a new double-check method to be employed.

Ad Chief Announced

Elizabeth Edmunds, sophomore in business administration, will handle all advertising for the special Junior Weekend issue, Fred O. May, Emerald business manager, announced Monday.

Knox College has been selected as the location for a series of "Old Siwash" motion pictures.
