

CPT Group Leaves Soon

Part of an exhibition, in a belated sort of way, will be the 60 civilian pilot training students who are to leave the campus within the next two weeks to engage in flight training at Klamath Falls. J. C. Stovall, CPT coordinator, announced that the single huge building which will house the entire group, as well as serve as eating and studying quarters, was one of a group of fairground buildings recently in use.

"There will be a cook to prepare three meals a day and all the boys will be furnished a cot and mattress," Mr. Stovall informed.

Airport

These basics are furnished by Louis Soukup, flight operator. He also has arranged for a station wagon to transport flyers back and forth to the Klamath Falls airport which is located about three miles from the quarters.

Mr. Stovall also emphasized that the local office was anxious to have the immediate application of all men interested in engaging in either the summer or fall CPT program. This will aid in making up the participation list and in checking on the approximate number of men who will engage in the program. Both ground school and flight training will take place in Klamath Falls during the summer program.

Applications may be made at 108 Condon hall.

Trade Last

(Continued from page two)

Don't experiment on me!
If I'm suffering from "shock."
Take a walk around the block!
If you must be busy, pray,
Help to "Keep the crowds away."
So, whatever my condition,
Phone at once for a physician.
Let me lie; I'll take a chance
Waiting for the ambulance.
From "First Aid" I beg release—
Lady, let me die in peace!

—Barometer.

And then there was the fiery tempered business man who wrote the following letter:

"Sir, my stenographer, being a lady, cannot type what I think of you. I being a gentleman, cannot think it. You, neither, will understand what I mean.

—Barometer.

Ode to a Soda Jerker—

Almond toffee
Peach of coffee
Let me get this straight
Raspberry sherbet
Peach for Herbert
I'd better get my slate
Gosh, it's so discouraging
Dishing up these creams
It may be quite nourishing
But not so in my dreams
Strawberry sundae
Pay you Monday
That's the way it goes
Raspberry sherbet
Peach for Herbert
Come boy! On your toes
Golly I'm an awful sight
I have to change clothes twice a night
It's strawberry sundae
Pay you Monday
Raspberry sherbet
Peach for Herbert
All day long.

—The Daily Texan.

Miss Pope Attends Meet

Miss Ida M. Pope, placement secretary, will attend the annual education conference in Monmouth, Oregon, Saturday, April 25. Miss Pope will set up an office for teachers who are seeking positions and superintendents who are looking for teachers.

1000 CHARTS—
PROF. EDW. M. NEALLEY OF SANTA ANA J.C. HAS MADE UP 1000 LECTURE CHARTS DURING THE PAST 35 YEARS. HE HAS DIAGRAMMED OVER TWO MILES OF PAPER THREE FEET IN WIDTH!

HERO of the WEEK
COACH ICAN TAKIT,
WHO, AFTER A LOSING SEASON, DIDN'T CLAIM HE WAS BUILDING CHARACTER!

THE SORE FINGER OF A PRINCETON PITCHER BACK IN 1874 STARTED THE DEVELOPMENT OF THE CURVE BALL. **JOSEPH MANN,** '76, NOTICED THE BALL BROKE INTO A CURVE WHEN HE LET IT ROLL OFF THE SORE FINGER. HE WORKED ON THE THEORY ALL WINTER AND THE FOLLOWING SPRING BLANKED YALE 3-0 IN THE FIRST NO-HIT, NO-RUN GAME ON RECORD!

Birthday in Bed Usners in Spots

Spending a twenty-first birthday in the UO infirmary wasn't Mildred Thomas' idea of a good deal, but when little red spots began to appear Saturday morning, what could she do?

The other six patients in the slightly depopulated Pill Palace are Maxine Marsh, Virginia Lees, Gaynor Thompson, Maxine Wyse, Tom Boylen, and Ken Hartman.

Paper Supply In Shortage

Many college students may find themselves writing on both sides of their paper next year and having no complaints from the teacher, but not University of Oregon students.

Defense priorities have taken a firm hold on the paper supply and higher education has up to the present had no luck at rating as a defense industry.

Bright?

Even in the face of such a problem Oregon students can have a bright outlook due to the planning of Mr. M. P. McClain, manager of the Co-op store.

Already stored in a local warehouse the Co-op store has twelve thousand pounds of paper which is plenty for all of the next school year.

Serious

Many schools are not so fortunate and face a serious problem concerning paper. Mr. McClain reported when he returned Saturday from San Francisco. He had attended the annual meeting of the Northwest College Book Stores association.

Schools of engineering are having particular trouble in obtaining instruments necessary in their courses, the Co-op head reported. The most serious problem at present on this campus is the supply of tools used by architect students. Most of such supplies are being used by the government at this time.

Dr. Tyler Sees Seattle Meet

Dr. Leona Tyler, instructor in psychology, returned to Eugene from the meeting of the board of Northwest College Personnel association, held in Seattle, Saturday, April 18. Plans were formulated for the convention of the association to be held on the campus of the University of Washington, Seattle, next fall.

Dr. Tyler attended a portion of the Washington State Social

Workers convention, Saturday morning.

A new committee was formed, by the personnel association, of members of the faculties of various universities, to relocate Japanese students in schools out of the restricted zones. Dean Karl Onthank and Dr. Lawrence S. Bee of the University are on the committee for the University of Oregon.

Of 80 seniors in the Louisiana State university school of medicine who are eligible for commission in the army, navy, or public health service, 65 have applied for their commissions.

UO, OSC Alpha Gams Observe Reunion Day

All Oregon Alpha Gamma Delta members joined the Oregon State members in Corvallis Saturday to observe international reunion day with them. At the same time all other Alpha Gamma chapters united to observe the day throughout the United States and Canada.

During the afternoon pledge, member, and alumnae meetings were held. Mrs. Lorna C. Jessup, assistant dean of women at Corvallis, spoke on Panhellenic relations at the evening banquet held in the Corvallis Memorial Union building.

Nothing Sacred

(Continued from page two)

hard time moving his muscles over to THE HOUSE?

Pat Taylor, who haunts the Emerald pages every once in a while, is getting married to Sig at Mayther Field, Cal.

ma Nu Dale Peterson, May 10 These Nus are doing awright, too. Ed Brock is going steady with Kappa Barbara Kendrick. Another Snakeman, Al Gray, was at Klingman's Saturday night with local pride, Marge Pemberton.

MR. & MRS. NEWT

SIDE PATTEN
Pat Taylor

Well, looks like last weekend was party time, hiddies, with Monday finding a goodly number in a weakened condition from their week-end condition . . . President of that club was Earl Holmer . . . Fail to see how everyone can be so brown without we got no sun . . . Babs Read, Alpha Phi, is the receiver of an engagement ring from Don Turner, Beta, now shipyarding in Portland . . . Steady: Mary Jane Simmons, Pi Phi, and Don Wenier, ATO . . . Unsteady: Betty Edward returns Dick Bodwell's Phi Delt pin . . .

Side on Sunday: All the dollies gussied up, wit' hats wit' veils and staggering about on their high-heeled sandals . . . Bruce Macintosh, the College Side Caruso, eating the ham and eggs at 3:00 in the aft . . . The 'ever-scholarly members of the ever-lovin' lawr school; down to snatch a quick coke before returning to the salt mines . . . The boys (and girls) in the back room having a game of whist . . . The juke box playing Kenton—then, for a change, more Kenton . . . The sun a-comin' in the open door . . . Ah, me, how lovely is Sunday.

How in blazes did it get to be Tuesday so quick?

See you on the late shift.

For the Duration
