Rieder Stars In Relief Role

By FRED TREADGOLD
The breaks, which had eluded the Ducks in their first meeting with Washington, came their way Saturday and coupled with the sterling relief hurling of Bob Rieder, allowed Oregon to carve out a 6 to 2 win over the Huskies. It was the first setback that the Seattle crew had experienced in Northern Division play and was the life-giving breeze that fanned Oregon's pennant hope from a waning ember into a live coal.

Wednesday, the postponed Oregon State season's opener which was called due to inclement weather conditions, will be played at Howe field. Following that, the Ducks pack their duffle and hit northward for their annual invasion of the Palouse country and the Puget Sound region.

Rieder Called In

Rieder was in fine fettle Saturday, and after being summoned from the bullpen for starter Nelson Sandgren in the second frame, gave up just four blows. He threw one unearned run ball and nary a Husky got past second after the second.

It was a bulging five-run uprising in the third that naffed down the win for Rieder and Hobson's Ducks. Hits by Pilip, Hamel, Bubalo, and Farrow, coupled with two Washington boots, pushed over the five scores for the Webfoots.

The final Oregon marker came in the eighth on Pilip's second safety, a sacrifice, infield hit by Hamel, and a force play at second.

OSC Knocks Huskies, 7-3

Oregon State tightened its hold on first place in the Northern Division on Coleman field yesterday when the surprising Beavers slashed out a 7 to 3 win over the Huskies.

The win moves the Beavers out into a game and a half lead over the Huskies. The two teams tangle again this afternoon with either Wade Peterson or Chambers taking the mound for the Beavers. Graves has Heath, Hazel or Cummins to throw at the Beavers.

WSC, 8—Idaho, 3

Up Pullman-way the Cougars pulled out of the cellar by trouncing Idaho 8 to 3. An uprising in the seventh inning cinched the tussle for Bailey's men.

WSC pulled out to a two-run lead in the second only to see the Vandals tie it up in the fourth. The Cougars moved out in front in the fifth and held the scant margin till the seventh, when their potent bats erupted with five runs.

Frosh Bounce Burns Hi, 14-1

It goes in the books as one-hitter for Hal Locke, but three other frosh pitchers teamed up with Locke to set the Burns team down on the brief end of a 14 to 1 defeat on the "Mud Flats" Saturday.

A boy from Burns named Strand cracked out a single in the first inning to ruin any no-no allusions and the frosh hurlers blanked the high school team from there in.

Frosh Boom

The Ducklings landed on the Burns hurler in the first three innings to scoot nine runs across the plate and put the game in the bag.

Bob Signer, Bill Clabaugh, and Fred Kuhl teamed up with Locke to blank the visitors.

On an improvised diamond in the corner of Howe field yesterday the Ducklings humbled the big brother with the short end of a 6 to 2 verdict.

ADPi's Blast Thetas, 14-2

Monday afternoon on Gerlinger field "A" league softball play saw a Kappa Alpha Theta ten bow down to the scrappy ADPi team, 14-2.

Pitching true to form, Mildred McCarthy hurled an almost shut-out game, keeping the losers scoreless until the final inning.

The Theta battery, Kerr and Supple, backed by nice fielding, held their own pretty well against their opponents until the fourth bracket, when home runs by Ross and Bentley started an ADPi hitting barrage which netted nine runs for the victors.

Huskies Thunder Over Duck Cindermen, 85-46

Wilson Grabs Double Win

By BILL STRATTON

Colonel Bill Hayward's cindermen were rated under the Huskies when they met the northerners in the initial northern division meet Saturday on Hayward field and lost, but put up a better fight than most expected.

With one of the weakest and smallest squads in Oregon track history, the Ducks faced the Huskies with three lettermen out of the 21 man squad. As a result, Washington swept 11 of 15 firsts to clean the Ducks, 85 to 46.

Ducks Hold on

The Oregons seemingly had a chance until about midway in the meet when Washington began winning seconds as well as firsts. Before that time, the Ducks had kept in the race by sacrificing the winning spots and winning the seconds and thirds.

Washington made a clean sweep of the javelin and won the mile relay to clinch the meet.

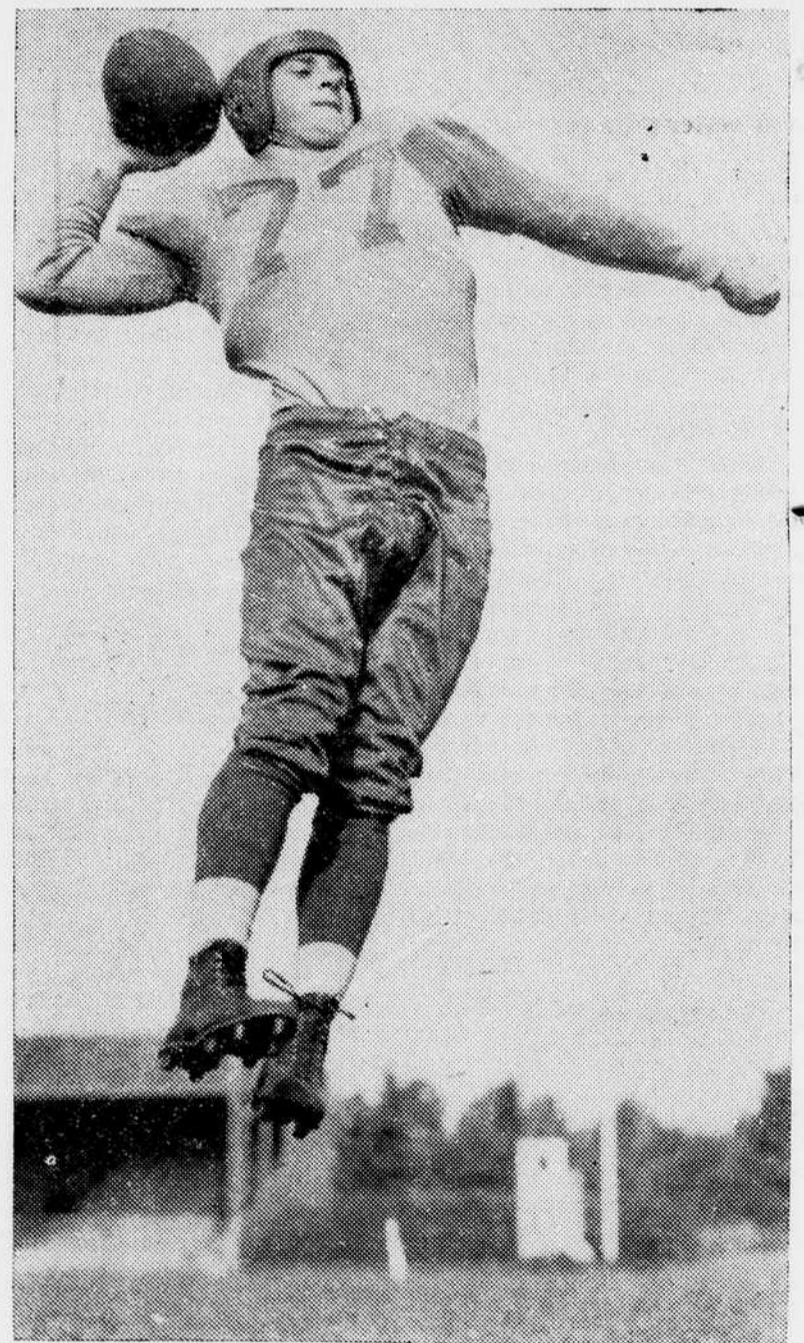

Husky Gene Swanzey gave the outstanding performance of the day when he broke the all-time Hayward field record for the 880. George Scharpf set the record at 1:56.9 in the Oregon-OSC dual meet in 1935, but Swanzey clipped two seconds off the old mark, making the new record 1:54.9.

Wilson Wins Double

One of Hayward's most promising men, sophomore Don Wilson, gave a creditable performance for Oregon, winning the mile and two mile events. He recorded his best time for the mile thus far this season, 4:27.6.

Homer Thomas also threatened a record in the pole vault. He cleared his old mark of 13 feet 6 inches, and tried the 14 foot mark three times but couldn't clear it. If he had, he would have tied the meet record set by George Varoff in 1938.
