

Junior Plans Progressing As Day Nears

(Continued from page three)

All-Stars Set

Plans for the first annual all-star softball fray between the Greeks and the Independents are rapidly crystallizing, and cochairmen Al Larsen and Hank Burns have announced final complete plans for the contest.

1. The game will be held at 2 o'clock, Saturday afternoon, May 8, on the intramural softball field.

2. Stands will be erected to seat 2,000 or more spectators.

3. Entertainment will be supplied by the Kirkwood co-op band and the Quintet from Hunger.

4. Greek all-star selections are announced on the sports page of today's Emerald. Independent choices will be made tomorrow.

5. The game will be free to all. Mothers down for the Weekend will be special guests of honor along with Queen Ellie and her court.

6. Ted Sarpola and Jim Shephard have been drafted to umpire the classic.

7. Burns will manage the Greeks with Joe Miller in charge of the Independents.

8. Cochairman Al Larsen is handling the publicity. Chuck Politz and Roy Nelson are in charge of posters to advertise the crowd.

Priorities

Priorities hit Junior Weekend's promotion committee when Artist Bill Cox tried to renew his supply of red cardboard for the progressive road signs.

All the red cardboard in the Co-op had already been purchased for the Weekend and there's no chance of replenishing the supply, according to Manager Marion McClain.

The next two sets of Junior Weekend signs will be on blue cardboard.

Tiffin Table Meet

The Tiffin Table club, a group of faculty women, will be guests at a special dinner Thursday noon in the home economics department's dining room.

The advanced foods class taught by Miss Doris Winters, instructor in home economics, will prepare and serve the dinner.

Co-op Board

(Continued from page one)

This was the first year that the Co-op election has not been held at the same time and place as the regular ASUO spring elections, but despite the change very nearly as many students as usual voted in the contest.

May 15, the newly elected board will hold its first meeting to elect officers for their organizations. Bud Vandenevnde and Les Anderson are now the seniors on the board who will serve as members next year.

Execs Convene, Declare Three ASUO Posts Open

Three ASUO appointments for the 1942-43 school year were thrown open at a meeting of the executive committee at the College Side last night.

First of the three involves appointment of a chairman for the athletic card drive, which will open at fall registration. Other two openings are head of Student Union committee and sophomore representative to the rally committee.

The rally committee opening appeared when Bill O'Malley who was appointed this term was declared ineligible. The other two appointments are made annually. Harry Prongas was head of the athletic card drive this year, and Og Young directed student union activities.

Petitions

Students interested in any of these positions should present a petition at the ASUO president's

office in McArthur court, Les Anderson, student body president, announced.

The executive committee will take action on the petitions at a meeting later this term.

Definite Action

Definite action toward adoption of a new ASUO constitution was postponed at last night's session until present members can further study the proposed document.
