

# Duck Tracks

By FRED TREADGOLD

"... there was no joy in Mudville; mighty Casey had struck out..." A succinct, simple, little excerpt from the famous baseball poem, but it paints a pretty complete, all-covering picture of our despondent Ducks after their little set-to with Washington. Just change "Mudville" to "Oregon," supplant the "mighty Casey" with the "Ducks," and you have it.

For our unfortunate darlings, the Webfoots, had whiffed for the third time before the lightning-like thrusts of the Washington pony backs. It was a grim, stone-faced, determined eleven that strode onto the sparse turf of Multnomah field Saturday afternoon, fully aware of what they faced—the speed, deception of the fleet Husky ball-packers, but playing for a victory.

## Duck Hopes High

Before the first round was half completed, John Warren's clan cashed in this determination, had a 7 to 0 margin. Duck fans prematurely visualized an impending Washington upset, which would certainly bounce the Ducks back into the thick of the conference pennant scramble.

Dusky Bobby Reynolds showed the Huskies a rough time, with a combination repertoire of hipper-dipper sideline scooting ball-lugging tactics and uncanny pass-pitching accuracy, and largely engineered the one and only Duck score. For it was the little colored sophomore who set up things on the six after a 56-yard drive. On fourth down, with the Huskies bunched in, anticipating a line plunge, the versatile Reynolds drifted back and hurled a beautiful strike to End Jim Shephard who responded by hauling in the oval on a baseball over-the-head snag.

From that very brilliant beginning the Ducks fell into a lethargy, their offense bogged down, and the game turned into a duel between the flashy, elusive-footed Husky backs and the burly, savage Duck forwards. To several observers' thinking when hard-luck Tippy Dyer was removed with a dislocated shoulder, the Duck offense seemed to crumble. Up till that point they were both unstoppable and perplexing to the Washington.

## Washington Utilizes Speed

Too much speed, though. Oregon's A-1 line squelched almost every Husky thrust, but twice just couldn't out-gallop the Washington antelopes, chiefly Bob Erickson, with Sam Robinson and Gene Walters almost as resourceful in the art of fake, twist, shift, and dash.

John uncovered one potentiality in the contest when he surprisingly tossed in Roy Erickson, light but wiry soph. Erick showed a nice passing arm, only lacked the weight for line plunging activities.

We nominate as number one disappointment of the tilt, the widely-heralded Fred Provo, Vancouver bullet. Oregon made certain he didn't break loose. Result: Provo netted a —2 yards in the four times he lugged the pigskin.

## UCLA Confuses All

Up from the debris of the past week's coast imbroglios rises a new contender, one wholly neglected in the mad rush of pre-season selections. Those Uclans from Westwood received a terrific boost after man-handling Oregon State in the upset-of-the-day on the Pacific slope, 30 to 7. This comes in spite of two previous losses.

The vaunted Beaver defense which has been almost watertight to date, buckled like cardboard, yielding 302 yards from scrimmage to the rampaging Bruins.

Washington State still has the favored spot with those three sparkling wins against no reversals looming larger and larger as time goes on. Undoubtedly this season, as in the past, the winner won't come through unscathed. Washington State is wise in salting down a few wins early, guarding against the lean times which are bound to come, what with USC, Oregon State, Idaho, and Washington yet to hurdle.

## Westerners Take It on Chin

West coast prestige took a sound lacing at the hands of eastern clubs. Notre Dame grabbed off its first victory when the Fighting Irish mauled Stanford's revised T 27 to 0. Sadly missed: one Franklin Albert.

Another black eye for the west came when Southern California ran a poor second to Ohio State's Buckeye scoring machine 28 to 12.

The hapless showing by western teams this season is in sharp contrast to the scintillating showing of the westerners a few years back in intersectional tussles.

## Single Pass Beats Omega

By DAN GASSNER

Gallegher's 20-yard pass to Steelhammer in the end zone was the deciding factor of the 7-0 win which the Theta Chi's scored over Omega hall in yesterday's intramural football game. The score came as a result of a passing attack which started on the Theta Chi twenty.

Two Omega hall scoring threats went asunder due to 15-yard penalties imposed when they were in scoring position.

Only other exciting item of the game was a Theta Chi blocked kick.

Gallegher was outstanding for the fraternity men while Henderson and Callas shone for the dorm players.

Sammies 12, Sigma 0

Racing against time, Sigma Alpha Mu extended itself score two touchdowns in the closing minutes of the second and fourth quarters to defeat Sigma hall by the score of 12 to 0.

An interception made the first score possible with Bob Buchwach taking the ball out of the hands of a dorm man on the latter's 20-yard line. Then, on the third down Friedman passed to Hasson in the end zone for the score. The goal was made with but five seconds left in the half. The try for point failed.

After a scoreless third period, another Sammy six points was set up when Dick Cohen punted 45 yards, the ball bounding out of bounds on the Sigma hall one foot line. The Sigma man after three downs punted to the S.A.M.s who returned the ball to the twenty. On the next play, Dick Cohen, unable to find a pass receiver ran through the line for a touchdown.

The lineups were:

## WSC Fullback Top Loop Scorer

Big Bob Kennedy, Washington State fullback who sparked the Cougars to their victory over Oregon, is the individual scoring leader among Pacific coast conference players with 26 points in three football games. He moved to the top with 20 tallies against Montana last week.

Senior Jim Shephard, a fast hard-driver in the left end post, is in a seven-way tie for third spot position to represent Oregon on the point chart. Bowman, Montana, and Londes, WSC, are tied for second with 18 tallies.

## Clubs Unable To Get Scores

By NED LIEBMAN  
Fiji 9, Campbell Club 0

Despite spectacular kicking on the part of Campbell club's Signer, the Phi Gamma Delta touch football crew turned in their third straight victory when they triumphed 9-0 in one of yesterday's games.

All the scoring came in the first half, when in the first period Bob Wilson scored on a pass, with Soderberg converting via the same route. The second quarter found D. Atiyeh scoring when he nailed an opposition back behind his goal line for a safety.

Signer was only outshone by Fiji Bill McKevitt, whose passing kept his team threatening all during the game.

Lineups:

Betas 14, Sig Eps 0

Utilizing a scoring punch that was too deadly for the Sig Eps to combat, the Beta Theta Pi outfit ran to a 14-0 victory Monday afternoon.

Si Sidesinger started things off in the second quarter when he intercepted a Sig Ep pass and raced 40 yards for the first tally. A pass to Finke was good for the extra point.

Bill Reed, who was easily the best man on the field, tossed to Sammy Crowell for the second touchdown with Finke again converting via the aerial route.

Lineups:

|          |                     |
