

# Sigma Nus Slump; Win, 2-0: Betas Nudge Kappa Sigs, 6-0

## Safety Beats Phi Delts

One hundred rabid football fans turned out for one of the most exciting, and rough, touch football games of the season, as Sigma Nu beat Phi Delta Theta 2-0 yesterday on the slimy surface of the "mud flats."

The erstwhile point-crazy Nus were stopped completely by a stalwart Phi Delt defense, getting their winning margin by a safety in the second quarter. After an exchange of quick kicks the Phi Delts took possession of the ball on their own two-yard line. The first play resulted in Wayne Williamson crashing through the line to nab the Phi Delt back in his end zone.

### Passes Stopped

The fast-breaking long passes of the "Jarin" John Bubalo and his gang were stopped cold by the alert defensive playing of the Phi Delts, while the vaunted running attack of the losers came to a complete halt, thanks to the muddy, slow field and the speedy Sigma Nu defensive men.

The rough and rugged tussle threatened to break out into riots several times with the line play being particularly vicious.

Whitman and Dick spark-plugged the winners while Elliot Wright and Hank Burns were a continuous threat both offensively and defensively for Phi Delta Theta.

## IM Battles Roar Today

It's semi-final time today as four clubs swing into touch football action in the play-offs of the intramural competition.

The Betas, as a result of their win over the Kappa Sigs, collide with the SAE's outfit on field number one at 4 p.m.

Once mighty Sigma Nu battles a stout Fiji team in today's feature attraction.

The Sigma Nu lads got in the habit of annexing 50 points per game and when they were held to a scant two yesterday, they were rather shocked. Dick Whitman and Johnny Bubalo will have to be on their passing game.

## Coed Volleyball Hits Halfway Mark

As the season's half-way mark is reached, girls' intramural volleyball finds competition more keen every day. Scores have been unusually close and spirit in most houses is high.

One of the outstanding contests saw last year's champs, Hendricks hall, stay in the running as they withstood a spectacular second-half comeback by the outstanding Theta eight. The score was 32-30.

### Sigma Kappas Win

Sigma Kappa entered the vic-

tory column with a 46-20 win from the Tri Delts. The Sigma Kappas showed much improvement since their last game. Spe-

Chi Omega made their first appearance of the year with a 38-19 victory over Alpha Gamma. They use the non-rotation system of play, having a top-notch front line combination which makes it pretty tough for their opponents.

Outstanding team play enabled the Kappas to down the Gamma Phis, 36-15, in their third win of

## Duden Paces Winners

Beta Theta Pi swept into the semifinals of the intramural touch football tournament when they defeated a fighting Kappa Sigma squad, 6-0.

Marty Duden, star Beta tail-back was the scoring punch that created the winners' tally, taking the ball on the 20-yard line and going to the goal for the only touchdown of the encounter. The marker was set up by two beautiful blocks on the part of Warren Finke, Finke taking the last man standing between Duden and the goal line.

### Field Sloppy

A sloppy field slowed the playing with neither side being able to connect with long passes or quick breaking plays.

Hal Fredericks kept the ball in the Kappa territory most of the game by his booming 50-yard punts, while Higgins, Girdlestone, and Snider keeping the Kappas in the ball game.

## Coed Umps Draw Quiz

Miss Petrosky has announced that official rating examinations for volleyball officials will be given next week by the nationally rated officials in this vicinity. All girls who are interested should practice this week in intramural games.

Friday, October 2, a general review of the rules and of the officiating techniques will be held at 5 p.m. in Gerlinger gymnasium. It is essential that all prospective officials attend.

Monday, October 5, the written test on the rules will be given. Girls qualify for national, local or intramural ratings according to the scores they make.

Women students at Hunter college, New York, are training to become weather observers at airports and bureaus.

## Frosh Taper Hoop Drills

After a month of strenuous workouts, the frosh basketball squad begins tapering off today and will settle down to scrimmage two nights a week under the guidance of Laddie Gale.

At this point Ed Dick, all conference player from The Dalles, Ed Devaney and Roger Wiley, all stagers from Bremerton, Washington, Kenny Hume, Stan Williamson and Leo Grosjasques seem to stand out, but are hard pressed by a squad of 50, including many former high school stars.

### Twice a Week

For the remainder of the fall term the Ducklings will drill twice a week, from 7:30 to 10 o'clock in the evenings. In the absence of Coach Hobson, who will be more than busy with the varsity hoopsters, Laddie Gale will tutor the boys in their night workouts.

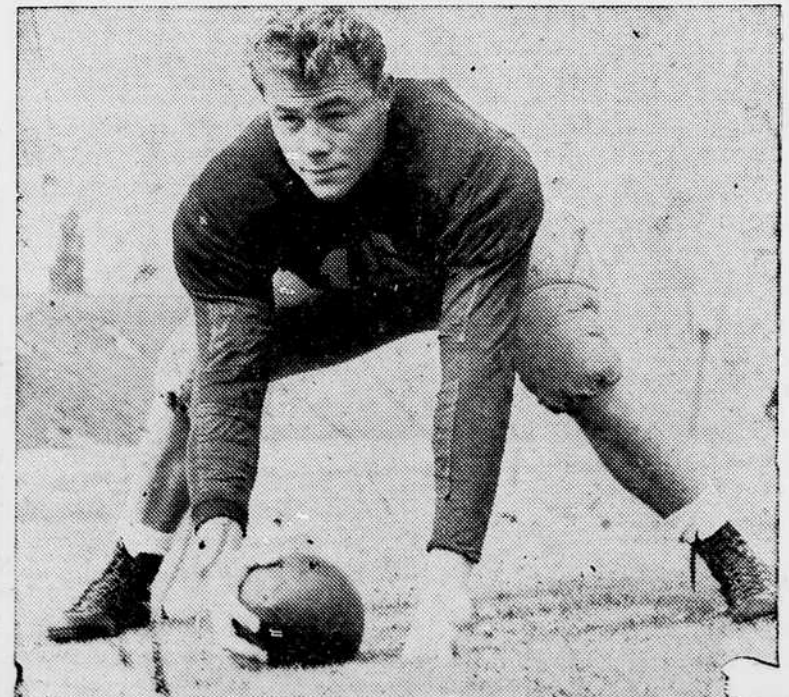

Thus far, Coach Hobson has stressed conditioning and fundamentals, spending a lot of time on each candidate, because, according to Hobby, before the season opens, the Coast Conference may let down the bars and make freshmen eligible for varsity teams, in which case many of these boys would be filling empty varsity spots.

At the beginning of the winter term, the squad will get back to practice five afternoons weekly in preparation for their opener in January.
