

## Emerald Files Reveal Trophy Ruling; Babb Award Regulations Set Up in 1941; Coaches, Writers Should Pick Winner

By RAY SCHRICK

The executive council puzzle in setting up rules for award of the R. A. Babb plaque to the "outstanding Oregon graduating athlete" seemed virtually solved last night when a survey of Emerald files revealed that complete regulations had been set up in spring 1941 when the award was established.

First name to be engraved on the plaque was that of Bobby Anet, announced in the May 21, 1941, Emerald. Complete rules for qualification and method of selection had been set up prior to that time under direction of Ken Christianson, former Emerald sports editor.

## Smarty Party Honors Frosh

Freshman girls who earned GPAs of 3.00 or better will be honored Tuesday, January 19, when members of Mortar Board, senior women's honorary, present the annual "Smarty Party" in Gerlinger hall.

The party, a dessert lasting from 6:30 to 7:30, will present special entertainment to be announced later. Mary Louise Vincent is in charge of preparations.

Invitations to the party honoring freshman girls will be delivered by members of Mortar Board who will call at the women's living organization. Girls who live off the campus will be contacted by mail, or in case they are missed, all freshman girls who made a 3.00 or better are urged to attend anyway.

## Latest Reports Show Enrollment Now 2561

University registration figures totaled 2561 for winter term Monday as students continued to register even after late registration had officially closed. Figures from the office of the assistant registrar show this term's enrollment to be 15 per cent under the figure reached last winter term.

## Who Gets Hop Queens? Men Gird for Battle

By BETTY ANN STEVENS

Offering a prize for the first time in the history of Nickel Hops to participating men's living organizations, co-chairmen Joan Dolph and Mary Corrigan officially give their blessings to the January 15 event with: "May the best man win... the \$5 worth of records from the radio laboratory."

The woman's organization taking in the most money will receive a cup, which the Sigma Kappas won last year, enabling pledges to use up more silver polish.

### Slogan in Doubt

Unable to decide whether to have a slogan of "The Last Call to Arms," "Hug a Pickle for a Nickel," or "Swing a Cutie, It's Your Duty," Hop chairmen announce that the 7 to 9 affair will be in honor of all men in the reserves, "since it may be the last chance they'll have to dance with a girl outside of the USO, so they should take advantage of the opportunity, and anyway, they have a chance to win a prize."

### Slips Given

Girls will be given eight blue slips of paper, which they will give, with their name on it, to whoever pays a nickel and dances

Anet was chosen 1940-41 winner by a committee of 16 after an all-campus vote had narrowed the competing field to six graduating athletes.

### Repercussions

Choice of the Babb winner this year was made by the executive council following recommendation of the athletic board and coaches. Repercussions from the selection led to appointment of Steve Worth, first vice-president of the ASUO, and Jim Bennison, junior representative, as a committee of two to investigate rules for future years.

Included as judges in the original plan were:

Dr. Donald M. Erb, Dean Virgil D. Earl, Orlando Hollis, George Turnbull, Anse Cornell, Bill Hayward, Hobby Hobson, Tex Oliver, Mike Hoyman, Bruce Hamby, Dick Strite, George Bertz, L. H. Gregory, Dave Sanderson, Ken Christianson, and Bob Flavelle.

### Qualifications

This would indicate that selection was based mainly on votes of sportswriters and coaches. A 5-3-1 ratio was used for first, second and third place votes.

Qualifications as outlined in the April 9, 1941, Emerald, were:

1. Candidates must be within one term of graduation.

2. The winner must have been

## Politics Require Eligibility Slip

All freshmen planning to be candidates in the class election set for Thursday night in Villard hall must get certificates of scholastic eligibility from either the office of the dean of men or dean of women before the election. The certificates can either be left at the deans' offices before 4:30 Thursday afternoon or with the doormen at the election. The certificate shows that a student is privileged to hold office.

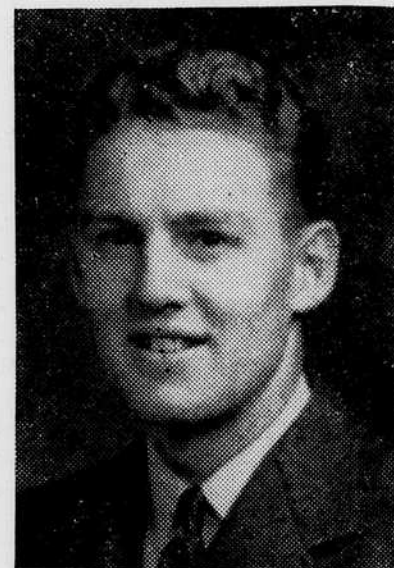

The election board will meet at 7 p.m. Thursday in Villard to get instructions and be assigned to sections of the auditorium for the balloting that will elect the freshman class president, vice-president, secretary and treasurer.

## 'Ball' Granted Late Per; Sig Eps Lead Ducat Sale

One o'clock permission has been granted for the annual Senior Ball, climaxing class function of the class of '43, to be held Saturday night at 9 o'clock in McArthur court, according to Bud Vandeneynde, chairman of the affair.

Dean Van Lydegraf, Sigma Phi Epsilon ticket representative, is leading living organization ticket sellers with the sale of 20 tickets to the Ball, "A Midwinter Night's Dream," Lois Hulser, ticket chairman, announced Monday.

"... one o'clock per—"

## University House Tops All Red Cross Donors

Last week's leaders in Red Cross sewing and surgical dressing were the following women's living organizations: University house, 25½ hours; Alpha Delta Pi, 23½; and Alpha Chi Omega, 14 hours.

According to Carolyn Holmes, campus Red Cross director, all who are planning to work on surgical dressings should wear blouses. If they wear sweaters, blouses should be worn over them.

### RATIONING

The lettered card is here to stay. At least for the duration. They limit food, they limit dates, What else is there to ration?

## War Board Pushes Drive For Coat Hanger Aid to USO

By BARBARA YOUNGER

"Coat Hangers for Defense" is the slogan of the USO division of the war board for the coat hanger drive, which will start Thursday, Betty Bevil, chairman, announced Wednesday.

The clothes hangers are to be used by the soldiers at Camp Adair.

### Saturday Deadline

Hangers must be in the YMCA by Saturday noon. The drive is being conducted in Eugene with the assistance of Eugene and University high schools. Recognition will be given to the living organization which contributes the most hangers. Paper hangers are not to be turned in, as they are not heavy enough to hold a military coat, Miss Bevil explained.

The following statement from Chaplain Clair F. Yohe of Camp Adair explains the need for clothes hangers:

### Chaplain States Need

Oregon Students:  
I assure you that we were greatly pleased to hear today that your local USO is planning to have a drive for coat hangers in the city of Eugene. We were especially impressed with your plan to have the drive be a house to house affair. We would hardly have cared to have told you that this is the way to do it; but now that you have said that this is your plan, we heartily agree that there is no better way to do it.

We have two major reasons for wishing to secure a quantity of coat hangers:

1. If a soldier cannot hang his clothes properly, they will never look neat. He will always be a wrinkled soldier.
2. There is always the point of health. Clothes properly hung will dry out and air out better. The soldier will feel better and do a better job if we can keep his clothing in good shape for him.

## Dad's Day Plans Include Mother

Despite war and rationing, Oregon Dads will come to the campus this year for their annual Dads' Day meeting, and mothers will be invited to come, too, Jim Thayer, chairman of the celebration, said Tuesday.

"This will be the only opportunity for the Dads to have their annual business meeting," Thayer emphasized when he explained that Dads would be coming to the campus for their meeting whether students planned a special program or not. Date of the affair will be definitely set later this week.

### Student Cooperation

The Dads have already made plans for a portion of the program, and Charles Politz, promotional chairman of Dad's Day, is making plans to have every student help to put over this war-time Dads' Day.

This may be the last time that Dads will have an opportunity to visit the campus for the duration, Politz pointed out.

### Local Spirit

Dean Karl Onthank, executive secretary of the Oregon Dads' club, said Tuesday that local Dads will be especially encouraged to come out for the celebration in their honor.

### Pd. Adv.

You cannot buy a candy bar Nor e'en a lollipop, So save your nickels and your dimes And go to Nickel Hop.
