17-Swat Assault Overwhelms Adair '9'

By FRED TREADGOLD

It was billed as a baseball game. But for the 100-odd intrigued spectators who toddled up to Howe field yesterday, it was more of a hitting practice for Oregon and a parade of the squad roster rolled into one.

The score was 18 to 4 with the Ducks pummeling Camp Adair's 383rd Infantry unit all over the apple orchard as they

carved out their fifth victory in six starts for the current campaign. It also gave Hobby a chance to field his entire roster at some time or another, seventeen athletes seeing duty as the Oregon batters slugged three Soldier chuckers into submission—and 17 hits.

It was a scorekeeper's nightmare and a coach's paradise as the powerful green and yellow stickers connected again and but again in a tilt that lost its closeness in the third round when the Ducks boomed over five scores to start out their glorious spree.

Three Hitters

Biggest of the big Duck biffers were Bob Caviness, Art Murphy, and Don Kirsch. Caviness batted in three runs with ferocious liners to right, while smooth-fielding, strong-armed Murphy slapped out three - for - three. Kirsch, replacing John Gitzen, reserve second sacker in the fifth frame, hammered out a couple of blows in typical Kirsch fashion.

Hal Saltzman, the big frosh righthander from Lincoln prep in Portland, was Hobby's starting choice and the huge fellow did okeh for himself. During his five inning stint he gave up just one blow and whiffed no less than six hapless Soldier boys.

Then Suds Sutherland, taller and more angular than Saltzman, took over, performing quite creditably for two rounds, though the khaki-kids did push over two scores on one run.

Kuhl Heaves

Fred Kuhl, a young righthander from last year's frost outfit, replaced Sutherland in the eighth and dished up one safety. One unearned run came in an error by Reserve Leftfielder Bill Skade. Other than that Kuhl kept things well in hand.

Nick (Bugs) Begleries, Oregon's top flinger, toiled the last frame just to keep in practice, but was pretty wild—though speedy. His own error, an infield out and a single collaborated to produce the final Camp Adair score.

The Ducks registered five in the third on successive walks to Koch and Burns, hits by Murphy and Carlson and an error by Barnacle, 383rd's second-sacker.

One unearned tally came in the fourth when Koch walked again, reached second when Third Baseman Hoag bobbled things and then came across on a muff by Catcher Ferrett.

Completely overshadowing this tiny one run stuff was another of those big "booms" in the fifth when safeties by Murphy, Kirsch, Caviness, Pinch-hitter Santee, Koch, and Hamel's two-ply swat, plus Farrow's fielder's choice, contributed four more to Oregon's cause.

A single score in the sixth, four more in the seventh, with Skade's triple to right being the pay-off blow.

Close Games, Lop-sided Tilts Feature I-M Contests

By BILL DYER

Big scores, little scores, tight games, wild games, long games and short were the thing in yesterday's softball action as the tourney went into its second round with 12 teams seeing action.

Results: Theta Chi 16, Canard club 5 in a wild hitting contest; Sigma Chi 6, Beta Theta Pi 7 in a close game; Kirkwood Co-op 6, Omega Gamma hall 7, another tight battle; Pi Kappa Alpha 3, and SAE 24, nuff sed; Kappa Sigma 11, Delta Tau Delta 8, in a long overtime tilt; and ATO 6 to Sherry Ross' 1 as Hume allowed only 2 hits.

Davis was Mr. Big as Theta Chi walloped the Canard club. He allowed the clubbers only five hits and five runs while his mates were clubbing the Canard hurler for 16 counters. In a big fifth inning, the Theta Chi tossers crossed the plate six times while the fourth frame saw them score four runs.

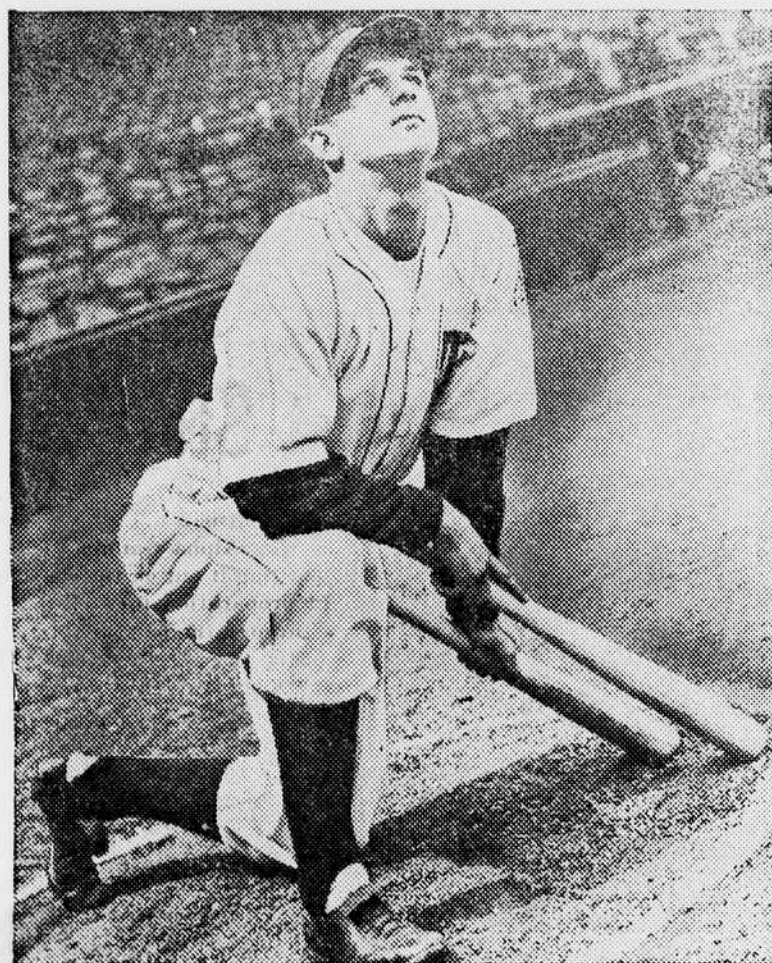

Bunny Potts wielded a big stick as he clouted a homer and scored three important runs. Hodgins, Martin, Childs and Kelly all got 2 for 4 to lead the victors to their first victory. For Canard, Bristol, Nelson, and Savelich played stellar but futile ball.

Sigma Chi Lose

The Sigma Chi-Beta tilt was a close one with the Betas finally winning out by one—run. The third inning was Sigma Chi's Waterloo as the Betas jumped on the opposing hurler for five runs and the winning margin. In the fourth, the Betas continued the scoring pushing over two more. Sidesinger, Miller and Beard were instrumental in the Betas' win while Bradshaw of Sigma Chi clouted 3 for 3 to lead his team's attack.

Not until the final frame was the winner of the Omega Gamma hall, Kirkwood co-op contest decided. Omega Gamma went into the fourth inning tied at five all. Then with a brace of hits they shoved over two runs that meant the game. Kirkwood came back to score one tally but their bid fell short by one run. Linse of the Omega Gamma squad and Jones of Kirkwood were locked in a tight duel and it was broken up only in the final frame. For the hall boys, George, Capps, and Roberts each knocked out 2 for 3 while Brunton, Ordway and Jones countered runs for the Co-op group.

In a mighty display of offen-

EX-TIGER CLUBBING STAR . . .

. . . Barney McCoskey, one of Detroit's best outfielders in the matter of chasing flies and slapping base hits, is now just a memory to Tiger fans. Barney has gone on the way of all draftees . . . now wears khaki livery.

Gal Racquet Tourney Progressing Toward Finals

sive strength, the SAE softballists hit everything in sight to completely overpower the Pi Kappa Alpha club by the largest score yet rung up by a club, 24 to 3. Blasting out a barrage of base hits that included two homers by Ed DeKeater, the SAE squad looked like a coming challenger as they really turned on the power.

Roblin was the Pi Kap's starting chucker but was blasted out early in the contest. Jim Evers of SAE hurled steady ball as he allowed a half a dozen bingles and only three runs. Ace Halling of SAE came up with some sparkling plays at shortstop to cut off other Pi Kap runs.

Kappa Sigma showed early season strength in overcoming

The coed tennis tournament is in full swing. Although some of the matches have already been played off, those remaining must be finished by this Saturday, the 17th. The person in the top bracket is responsible for making the appointment and since the telephone numbers are on the schedule chart, it is hoped that every participant will make an effort to contact her opponent before the deadline.

This is a short season and rigid rules will be in effect in order to carry out the tournament plans successfully. Those failing to play matches will be eliminated completely from the tournament.

If there are any questions about the play-offs contact Miss Petroskey or Phyllis Root.

The scoreboard groaned, and the soldier's third chucker moaned in the eighth when the vicious Oregonians whammed out four base hits for three more runs.

But the game had run its course, for which the Corvallis military men were glad, and the ruthless Ducks laid aside their pulverizing artillery for a few hours.

Today they run up against the not-so-fearful Camp Adair platoon again, this time at Corvallis. Maybe the Soldiers will be tougher in their own environment.

Box score:

Camp Adair—	AB	R	H	PO
